### The Faith of the New Testament

Christians are under spiritual attack yet many are unaware that there is a powerful weapon of protection. Satan is on the prowl looking for those he can devour and Christians who do not have on the proper armor are an easy target for these attacks. In *The Armor of Light*, author Charles A. Ness shows fellow Christians how to protect themselves and their families by putting on the armor of light. Romans 13:12 instructs us to put on the armor of light; that is a covering of light imparted by the glorious presence of the Lord, acting as a shield of protection that is put on through prayer. You can experience a new level of spiritual protection and victory over evil when wrapped in God's glorious light. Charles Ness has done the Anabaptist nation as well as the body of Christ a great service in writing that which the Lord has revealed to him about the armor of light! His biblical grounding and revelation of the armor of light will not only benefit and help many, but will bring breakthrough for all those who apply it in their lives. I found Charles' clear articulation, thoughtful exposition, and practical examples to be deeply valuable and insightful. May God continue to unfold his kingdom reign on earth as it is in heaven as we put on and walk in the armor of light. Noel Santiago, LEADership minister, Franconia Mennonite Conference It is obvious God Anointed you for this moment-in-time to share with us this high level message that is so applicable for mature Christians. Had I understood this message more fully in years past, I could have spared myself much trouble and

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, *When Heaven Invades Earth and The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

In *Dressed To Kill*, Rick explains with exacting detail the purpose and function of each piece of Roman armor. In the process, he describes the significance of our spiritual armor not only to withstand the onslaughts of the enemy and but also to overturn the tendencies of the carnal mind. Furthermore, Rick delivers a clear, scriptural presentation on the biblical definition of spiritual warfare what it is and what it is not. He stresses, Your unbroken, ongoing fellowship with God is your absolute guarantee that you are constantly and habitually dressed in the whole armor of God. When you walk with God in deliberate, continual fellowship, He will enrobe you with Himself. Armed with the knowledge of who you are in Him, you will be dressed and dangerous to the works of darkness, unflinching in the face of conflict, and fully equipped to take the offensive and gain mastery over any opposition from your spiritual foe. You don't have to accept defeat anymore once you are Dressed To Kill!

INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A

supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair - Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD Speaker, Pastor, Author [www.keepbelieving.com](http://www.keepbelieving.com)

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

## Prophetic Breakthrough

A Collection of Daily Thoughts The word thought generally refers to any mental or intellectual activity involving an individual's subjective consciousness. It can refer either to the act of thinking or the resulting ideas or arrangement of ideas. Over the past few years I've put my thoughts down on paper and shared them with family and friends. Some said to me "it's too long", some said to me "I've heard that before" and some just said nothing as if my thoughts were delivered and fallen into a black hole. On the other hand there were those who cheered me on and encouraged me to keep distributing my thoughts and consider some day writing a book. "What Do You Think About It" is a labor of love collection of my best 31 weekly thoughts for your reading enjoyment. In addition, you can take an active part in my literary endeavor by writing down your thoughts at the end of each chapter. One difference between humans and other animals is our ability to think, process our thoughts and make life changing decisions on the results. As you read and hopefully enjoy my book apply your thoughts to the message intended in each chapter. It's not really our efforts that define us; it's our ability to open our minds and hearts to the depths of our true thoughts and honest feelings. Paracelsus, renaissance period physician, chemist,

and surgeon wrote; thoughts are free and subject to no rule. On them rest the freedom of a man and they tower above the light of nature . . . create a new heaven, a new firmament, a new source of energy from which new art flows. This book represents a small piece of my heaven, my new firmament, my new source of energy from which my new art will flow. I hope you enjoy all my thoughts but I don't expect you will just sail away on a literary cruise navigated by everything I've written. So I've provided space at the end of each chapter for your thoughts on each topic. Hence the title, "What Do You Think About It" Bon Voyage

I would like to explain to you how we as Christians should protect our families, our marriages, homes, and churches by putting on the whole armor of God in a practical way. If what I'm going to explain to you can keep you out of a divorce court and stop the anger, strife, and evil in your house and church, will you put on the whole armor of God in a real and practical way? Well, of course! Who wouldn't want to put on the armor of God, right? Well, it's no use having the armor in your house if you don't have a workable plan for putting it on and using it. That's obvious. So let's learn to do it in a practical way that you can perform every day. In this book, I intend to explain the practical application of the armor of God. “A battle manual for every Christian.” —Sinclair B. Ferguson The Christian life is a battle. We are in a daily struggle against the world, sin, and Satan. But God didn't leave us to fend for ourselves. He gave us his own armor—armor that Jesus has already worn on our behalf all the way to the cross. The same power that raised Christ from the dead is now at work inside of us. This book unpacks each of the pieces of spiritual armor Paul describes in Ephesians 6, inviting us to take up the armor each day, all while resting in the finished victory of Christ and the assurance that our strength for the battle comes from him.

The first scene-by-scene philosophical study of any Shakespeare play, this book demonstrates why Shakespeare's poetic writings still arouse and sustain serious inquiry and reflection. Using a combination of philosophical rigor, political insight, and textual thoroughness, Jan H. Blits delineates the competing forms of virtue within Macbeth--the courageous public virtue of warriors like Macbeth and the internal Christian virtue evoked by Duncan. This new interpretation of Macbeth explains crucial paradoxes overlooked by previous scholars and will serve as a model for future scholarship in the field.
