Unfair Advantage

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

Rich Dad's Increase Your Financial IQ

The inspiring true story of how courage, a dream, and some needle and thread can change a life forever. Since she was young, Tala Raassi knew her fate lay in fashion. But growing up in her beloved homeland of Iran, a woman can be punished for exposing her hair in public, let alone wearing the newest trends. Despite strict regulations, Tala developed a keen sense of style in backroom cafes and secret parties. She never imagined her behavior would land her in prison, or bring the cruel sting of a whip for the crime of wearing a mini-skirt. Tala's forty lashes didn't keep her down they fanned the flames of individuality and inspired her to embrace a new freedom in the United States. As she developed her own clothing label, her exploration into the creative, cut throat community of Western fashion opened her eyes to the ups and downs of hard work, hard decisions, and hard truths. Fashion is Freedom takes us on a journey that crosses the globe, from Colombia to Miss Universe, and inspires women everywhere to be fearless.

many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make.it's what you keep."
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

well as providing amateur investors the chance to learn the stock-picking strategies from a leading money-manager. About the author Anthony Bolton left Cambridge University with a degree in engineering to begin a career in the City. He started as a graduate trainee working for Keyser Ullmann in 1971 before taking up a full time position as an assistant in their investment department. In 1976 he moved to Schlesingers where he became, for the first time, an investment manager. In 1979, aged 29, he was recruited by Fidelity, the international fund management group, as one of its first London-based investment managers, a move that proved to be the launch of a long and successful career. In surveys of professional investors, he is regularly voted the fund manager most respected by his peers. He retired from full-time investment management at the end of 2007, but continues to work at Fidelity as a mentor of the analysts and younger fund managers as well as being involved in overseeing Fidelity's investment process. His hobby is composing classical music. Anthony Bolton is married with three children and lives in West Sussex.

It's Robert Kiyosaki's position that "It is our educational system that causes the gap between the rich and everyone else." He laid the foundation for many of his messages in the international best-seller Rich Dad Poor Dad -- the #1 Personal Finance book of all time -- and in Why the Rich Are Getting Richer, he makes his case. In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, "When will we learn about money?" In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out "What financially education is really."

Why cutting up your credit cards won't make you rich
A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make

you rich. What does make you rich is financial education unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich * Are you in credit card debt? * Is job security dead? * Is your financial security threatened? * Is a high-paying job the answer? * Is your money working for you? * Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Summary of Rich Dad's Cashflow Quadrant

Many people have million-dollar ideas. They're confident that their new product or service or innovation will make them rich and that all their dreams will come true. The problem is: Most people don't know how to turn their million-dollar idea into millions of dollars. According to many social scientists, the most important thing in life is a person's social and professional network. In other words, the people

around us--our associates, our team, our friends. The people we surround ourselves with--and the people we go to for advice and guidance--can mean the difference between success and failure. And as he taught in Rich Dad Poor Dad, if the people around you have a poor person's mindset, it's likely that you'll be, or stay, poor. Your team, in life and in business, will determine if your million-dollar idea will give you a million-dollar payday. In More Important Than Money, Robert teams up with his most trusted Advisors who contribute not only chapters on the strengths and talents they bring to the team, but offer candid and insightful individual Profiles and excerpts from each of the 14 Rich Dad Advisor Series books. Readers will meet all of Robert's Rich Dad Advisors and learn why they are among his most valuable assets.
