A History of Exorcism in Catholic Christianity

While admitting particular parameters and priorities for Roman Catholic preachers, this volume was intentionally envisioned as a handbook for "catholic" preaching in the broadest and most universal sense of that term. Cosponsored by the Catholic Academy of Liturgy, the Catholic Association of Teachers of Homiletics, and the Federation of Diocesan Liturgical Commissions, it covers the role of the Scriptures in preaching, the challenges of preaching in a digital age, sermonizing in an interfaith context, and the need for a liberative and prophetic word that cuts across denominations and even faith traditions. Intended to aid those who teach or direct the preaching arts, the design and writing style of this book are particularly

calibrated to graduate students in ministerial studies. Every article is a self-contained overview of a particular historical period, genre of preaching, homiletic theory, or contemporary issue. This more encyclopedic approach—devoid of footnotes, yet supported by pertinent bibliography and an extensive index—provides a sufficiently rich yet thoroughly accessible gateway to major facets of the preaching arts at this stage of the twenty-first century. General Editor: Edward Foley Associate Editors: Catherine Vincie, Richard N. Fragomeni Contributors: Herbert Anderson, John F. Baldovin, Alden Lee Bass, Dianne Bergant, Stephen Bevans, Robert Bireley, John Carr, Anthony Collamati, Michael E. Connors, Gueric DeBona, Frank DeSiano, William T. Revelations of St. Bridget

Bares the soul of a saint and reveals the methods which were so successful for him in converting others. From age 5 he was haunted by the thought of the souls about to fall into Hell. This insight fueled his powerful drive to save as many souls as he could.

Journal of a Soul

Sanctifying Texts, Transforming Rituals

'Because the Sacred Liturgy is truly the font from which all the Church's power flows we must do everything we can to put the Sacred Liturgy back at the very heart of the relationship between God and man I ask you to continue to work towards achieving the liturgical aims of the Second Vatican Council and to work to continue the liturgical renewal promoted by Pope Benedict XVI, especially through the post-synodal apostolic exhortation *Sacramentum Caritatis* and the *motu proprio Summorum Pontificum* I ask you to be wise, like the householder who knows when to bring out of his treasure things both new and old (see: *Mtt 13:52*), so that the Sacred Liturgy as it is celebrated and lived today may lose nothing of the estimable riches of the Church's liturgical tradition, whilst always being open to legitimate development.' These words of Robert Cardinal Sarah, Prefect of the Congregation for Divine Worship, underline the liturgy's fundamental role in every aspect of the life and mission of the Church. Liturgy in the Twenty-First Century makes available the different perspectives on this from leading figures such as Raymond Leo Cardinal Burke, Archbishop Salvatore Cordileone, Abbot Philip Anderson, Father Thomas Kocik, Dom Alcuin Reid, and Dr Lauren Pristas. Considering questions of

liturgical catechetics, music, preaching, how young people relate to the liturgy, matters of formation and reform, etc., Liturgy in the Twenty-First Century is an essential resource for all clergy and religious and laity involved in liturgical ministry and formation. Bringing forth 'new treasures as well as old,' its contributors identify and address contemporary challenges and issues facing the task of realising the vision of Cardinal Sarah, Cardinal Ratzinger/Benedict XVI and the Second Vatican Council.

Living the Christian Year

Every day is a holiday in the Catholic Church. In their latest collaboration, Cardinal

Wuerl and Mike Aquilina examine the history and traditions behind both favorite and forgotten holidays, from Christmas to Easter, from the Solemnity of the Most Holy Trinity to the Feast of the Holy Angels. Catholic faith is festive, and the Catholic faithful count their days by celebrating the mysteries of Jesus' life. There is a message to be found in the passing of days, weeks, and seasons. Through the feasts, ordinary Christians learn the life of Christ, share it, and come to imitate it. This book continues the work the authors began in their books *The Mass and The Church*, exploring the meaning and purpose of the most basic and beloved aspects of Catholic life. Each chapter uncovers the biblical origins and development of one of the great feasts or fasts — Advent, Epiphany, the Holy Angels, all the Marian feasts, and even this very day. The calendar can be a catechism for Catholics who know how to live it. "The feasts form us," write the authors, "They help to make us and remake us according to the pattern of the life of Jesus Christ. We number our days as we walk in his footsteps, from his birth to his baptism, from his passion to his resurrection, from his Ascension to his sending of the Spirit to make us saints. We do this faithfully every year, and it defines us as who we are." "Cardinal Wuerl and Aquilina show us the transformative spiritual power in the Church's original and most ancient feasts. This is a book to be prayed with and meditated on. Because when we understand the meaning of the Church's liturgical feasts, we know better the great dignity and destiny we have as children of God." - Most Reverend José Gomez, Archbishop of Los Angeles

The result is a cohesive view of the meaning, purpose, and celebration of Christian worship. Anscar J. Our Sunday Visitor's 1996 Catholic Almanac

Chene Heady was a believing Catholic whose daily concerns were shaped primarily by forces other than his faith--career demands, financial decisions, scheduling conflicts, etc. He worked long hours and had limited regular interaction with his wife, also a busy professional, and his young daughter. He was the typical overextended and anonymous modern Catholic man. Then he tried an experiment that dramatically rearranged his life. After reading about the importance of the Church's liturgical year, Heady took up the challenge to live as though the Church's calendar, not the secular one, stood at the center of his life. Every day for a year, he observed the Church's seasons and feasts, and meditated on the Church's daily readings. As he did so, he found that his life, and his relationships, became more meaningful and fruitful. *Numbering My Days* tells the story of one man's renewal, and it offers an authentic model of spiritual development for anyone.

The New Jerusalem Bible

This book is the essential pastoral resource to help you prepare the liturgy each day of the liturgical year! If you are a priest or deacon, liturgist, music director, worship team member, religious educator, or simply interested in more information about Catholic liturgy, this publication will be an invaluable tool

Liturgy in the Twenty-First Century

This introductory book for students and general readers sheds fresh light on the study of liturgy and worship, reflecting important new directions in contemporary research. The contributors, who are at the forefront of teaching and research in the United Kingdom, United States, and Ireland and who represent a variety of denominations, offer multiple insights into a range of topics neglected by traditional approaches. The book is divided into themed sections, influenced by developments in scholarly methodologies in the social sciences, anthropology, philosophy, and linguistics, building on previous textual and historical foundations. Significantly, *The Study of Liturgy and Worship* has also taken inspiration from the growth of ecumenical dialogue and exchange in recent years. Academics have praised the book for “its accessibility and clarity”; “the personal tone and examples given by the authors”; “its easy adaptability to both an advanced undergraduate and master’s level usage”; “‘inspired’ organization”; and how “it addresses the themes [of] my introductory course . . . [and my] advanced seminars with PhD students.”

The Study of Liturgy and Worship

Various Christian traditions mark their calendars to reflect the biblical and ecclesial

narrative and enhance public worship. Such efforts safeguard against secularization's encroachment in the church's life. Setting the Spiritual Clock serves as a guide and traveling companion for the liturgical year, which circles the glorious Son as he breaks through the secular eclipse.

A Risen Christ in Eastertime

The first edition of Lesser Feasts and Fasts was authorized more than 40 years ago to meet a liturgical and pastoral need for the commemoration of various saints and occasions not included as major Holy Days on the calendar of the Book of Common Prayer. Subsequent editions have been updated regularly to include biographical and liturgical material for new commemorations authorized for permanent or trial observance by the General Convention of the Episcopal Church. This newest edition will contain material approved for trial use by the 2006 General Convention. Among the names presented are Oscar Romero, Roman Catholic Bishop of El Salvador and martyr; James Theodore Holly, first African-American bishop in the Episcopal Church; and Vida Scudder, educator and reformer.

General Instruction of the Roman Missal

From the age of fourteen until his death at the age of eighty-two, Pope John XXIII kept what he called his 'Journal of a Soul' - the record of his growth in holiness. Elected Pope at the age of seventy-eight he impressed the world with the breadth of his mind but also with his simplicity and his will to be at the service of others. This book covers the full span of his long career from the seminary at Bergamo to his brief but transformative papacy. His journal is a rare and intimate record of the spiritual life of a much-loved figure. As he wrote, 'my soul is in these pages.'

Setting the Spiritual Clock

Catholic Marriage: A Pastoral and Liturgical Commentary is a collection of essays by scholars and practitioners on the rites, spirituality, history, theology, and pastoral practice surrounding the Sacrament of Matrimony in the Roman Catholic Church. Those who minister to engaged couples and teach the sacrament will appreciate the accessible approach to the meaning of Christian marriage and how that is and has been expressed in the rites of the Church and cultural customs.

Divine Worship Missal

In this book Anscar Chupungco carries forward the work begun in 'Cultural Adaptation of the Liturgy'. Now, more than forty years after the Council, the first stage of the liturgical renewal is complete: the Roman liturgy has been restored to its classical shape. But the challenge of the second stage lies before us: the adaptation of the liturgy to various cultures and traditions. This, the unfinished agenda of the Council, is the task of local churches. Chupungco here calls them to take up that task, to be faithful to sound tradition and to foster legitimate progress at the same time . . . an art requiring expertise in the science of liturgy, the virtue of flexibility, and often a great faith in the wisdom of the Church. After reviewing the mandate of the Council, the author examines the future of the liturgy

in three chapters: the future shape of the eucharistic celebration, the future shape of sacramental celebrations, and the future shape of the liturgical year. This hopeful and stimulating book will be of great assistance not only to teachers and students of the liturgy, but also to those who daily confront the challenges of the future on a pastoral level.

Moments & Days

The Spiritual Exercises of St. Ignatius

The Catholic Gentleman

What it means to be a man or a woman is questioned today like never before. While traditional gender roles have been eroding for decades, now the very categories of male and female are being discarded with reckless abandon. How does one act like a gentleman in such confusing times? The Catholic Gentleman is a solid and practical guide to virtuous manhood. It turns to the timeless wisdom of the Catholic Church to answer the important questions men are currently asking. In short, easy- to-read chapters, the author offers pithy insights on a variety of topics, including • How to know you are an authentic man • Why our bodies matter • The value of tradition • The purpose of courtesy • What real holiness is and how to achieve it • How to deal with failure in the spiritual life

Liturgies of the Future

This book traces the development of exorcism in Catholic Christianity from the fourth century to the present day, and seeks to explain why exorcism is still so much in demand. This is the first work in English to trace the development of the liturgy, practice and authorisation of exorcisms in Latin Christianity. The rite of exorcism, and the claim by Roman Catholic priests to be able to drive demons from the possessed, remains an enduring source of popular fascination, but the origins

and history of this controversial rite have been little explored. Arguing that belief in the need for exorcism typically re-emerges at periods of crisis for the church, Francis Young explores the shifting boundaries between authorised exorcisms and unauthorised magic throughout Christian history, from Augustine of Hippo to Pope Francis. This book offers the historical background to – and suggests reasons for – the current resurgence of exorcism in the global Catholic Church.

Lesser Feasts and Fasts

The Feasts

Systematic theology seeks to understand and render more intelligible the central doctrines of faith and to show how they are related to each other. It tries to demonstrate how these doctrines are rooted in Scripture and develop in the history of the church; most important, it strives to more adequately express and sometimes reinterpret the church's doctrinal tradition, always in the interest of better communicating the mystery of salvation and bringing it into a dialogue with culture. The present text is intended to be concise and accessible, an introduction that explores basic themes in Catholic systematic theology from a biblical, historical, and contemporary perspective, always aware of today's theological pluralism.

Butler's Lives of the Saints

Michelle Van Loon helps us treasure our time as a gift and a spiritual responsibility, and God as faithfully present in all our moments and days. People rarely slow down

to experience their days, and so they feel rushed through life even as they begin to suspect that life lacks significance. By introducing (and reintroducing) us to the feasts and festivals of the Bible, as well as the special celebrations of the Christian calendar, Moments and Days restores a sacred sense of time throughout our year, enriching our experience of each “holy day” and enlivening our experience of even the most “ordinary time.”

My Book of the Church's Year

"[A]n outstanding resource for the ongoing discussion on the post-conciliar liturgical reform Matthew Hazell is to be congratulated for creating a comparative tool to facilitate such a debate" -- Fr Uwe Michael Lang, C.O., in *Antiphon: A Journal for Liturgical Renewal* The Index Lectionum is a tool that makes the comparison of the lectionaries of the Ordinary and Extraordinary Forms easier than it has been up until now. All the readings at Mass in both forms of the Roman Rite have been arranged side-by-side in biblical order, with their use in each form documented. This book thus makes it possible to look up a biblical reference and quickly find out if it is used on the same day or celebration in the OF and EF, or where a reading in the EF has been transferred to in the OF, and so on. For all those who love the

Church's liturgy, the Index Lectionum is a vital comparative tool for further study of and research into the lectionaries of the Ordinary and Extraordinary Forms: their relationship to one another, their similarities and differences, and their respective pastoral advantages and disadvantages.

Celebrating the Lectionary® for Intermediate Grades 2016-2017: Supplemental Lectionary-Based Resource

The annual Lenten pilgrimage to dozens of Rome's most striking churches is a sacred tradition dating back almost two millennia, to the earliest days of Christianity. Along this historic spiritual pathway, today's pilgrims confront the mysteries of the Christian faith through a program of biblical and early Christian readings amplified by some of the greatest art and architecture of western civilization. In *Roman Pilgrimage*, bestselling theologian and papal biographer George Weigel, art historian Elizabeth Lev, and photographer Stephen Weigel lead readers through this unique religious and aesthetic journey with magnificent photographs and revealing commentaries on the pilgrimage's liturgies, art, and architecture. Through reflections on each day's readings about faith and doubt, heroism and weakness, self-examination and conversion, sin and grace, Rome's familiar sites take on a new resonance. And along that same historical path, typically unexplored treasures—artifacts of ancient history and hidden artistic

wonders—appear in their original luster, revealing new dimensions of one of the world’s most intriguing and multi-layered cities. A compelling guide to the Eternal City, the Lenten Season, and the itinerary of conversion that is Christian life throughout the year, Roman Pilgrimage reminds readers that the imitation of Christ through faith, hope, and love is the template of all true discipleship, as the exquisite beauty of the Roman station churches invites reflection on the deepest truths of Christianity.
