Red Hot Chili Peppers: Fandemonium

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

[Drum Score]Scar Tissue-Red Hot Chili Peppers

“Total F*cking Godhead brings Chris Cornell, the voice of a generation, alive on the page. Impressively researched and compulsively readable, Godhead pulls no punches in recounting Cornell’s remarkable life and prolific career. It’s an inspired chronicle of an impassioned soul. Read it!” —Greg Renoff, author of Van Halen Rising With input from those who knew and worked with him—together with his own words—Total F*cking Godhead recounts the rise of Chris Cornell and his immortal band Soundgarden as they emerged from the 1980s post-punk underground to dominate popular culture in the ’90s alongside Pearl Jam, Alice In Chains, and Nirvana. “From his days as a struggling Seattle musician at the forefront of the grunge scene to becoming a global icon, Total F*cking Godhead thoroughly chronicles the life story and prolific output of one of the greatest and most influential singers of all time. You will discover the man and his music all over again.” —David de Sola, author of Alice in Chains: The Untold Story Seattle resident and rock writer Corbin Reiff also examines Cornell’s dynamic solo career as well as his time in Audioslave. He delves into his hard-fought battle with addiction, and the supercharged reunion with the band that made him famous before everything came to a shocking end. “For those of us still trying to sort out the tragedy of Chris Cornell's death comes this loving look back at the man's life and music. I wrote my own book about grunge, and I still learned a lot from this excellent biography.” —Mark Yarm, author of Everybody Loves Our Town: An Oral History of Grunge

Lords of the Sunset Strip

David Carr was an addict for more than twenty years -- first dope, then coke, then finally crack -- before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack-dealer mother. Once recovered, he found that his recollection of his 'lost' years differed -- sometimes radically -- from that of his family and friends. The night, for example, his best friend pulled a gun on him. 'No,' said the friend (to David's horror, as a lifelong pacifist), 'It was you that had the gun.' Using all his skills as an investigative reporter, he set out to research his own life, interviewing everyone from his parents and his ex-partners to the policemen who arrested him, the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids. Unflinchingly honest and beautifully written, the result is both a shocking account of the depths of addiction and a fascinating examination of how -- and why -- our memories deceive us. As David says, we remember the stories we can live with, not the ones that happened.

Tell Me Baby * Under the Bridge.

Scar Tissue

This Christmas, lawyer Andy Carpenter and his golden retriever, Tara, can't say no to helping young Danny and his dachshund, Murphy. Lawyer Andy Carpenter and his wife, Laurie, have started a new Christmas tradition. Their local pet store has a Christmas tree, where instead of ornaments there are wishes from those in need. One poignant wish leads Andy to a child named Danny, whose selfless plea strikes a chord. Danny asked Santa for a coat for his mother, a sweater for his dachshund, Murphy, and for the safe return of his missing father. It turns out Danny's father doesn't want to be found, he's on the run after just being arrested for a murder that took place fourteen years ago – a murder that Danny's mother swears he didn't commit. With his trademark humor and larger-than-life characters – including a police officer and his K-9 partner, Simon – Rosenfelt never fails to deliver as Andy and his eccentric crew dash to reunite a family in time for Christmas.

Behind the Sun

UK photographer Tony Woolliscroft has toured with the Red Hot Chili Peppers since 1990, photographing the band on-stage and off. *Me and My Friends - The Red Hot Chili Peppers* is a photographic memoir of those extraordinary times.

101 Amazing Red Hot Chili Peppers Facts

The Chili Peppers' groundbreaking rock/funk/pop fusion has gained them a huge and loyal fan base over the years, but the worldwide success of their 2002 album *By The Way* has now pushed them into the top league of alternative rock crossover success. The product of several years of detailed research, Dave Thompson's in-depth, fully updated account of the band's private lives and public highs and lows is not just a must-read for any serious fan of the Chili Peppers, but a perfect way for their legions of fans to discover their remarkable story.

Me and My Friends

Serious about jamming, understanding, and creating guitar-driven music? Easy. With an approachable and engaging style, *Guitar Theory For Dummies* goes beyond guitar basics, presenting the guidance intermediate to advanced players need to improve their improvisational and compositional skills. Plus, with access to audio tracks and video instruction online you can master the concepts and techniques covered in the book. Key content coverage includes: pentatonic and major scale patterns; the CAGED chord system, chord progressions, and playing by numbers; roots, keys, and applying scales, plus modes and modal scales; intervals and chord extensions; popular song references and theory applications that help you understand how to play popular music and contemporary guitar styles, and create music of your own. This title also features companion audio tracks and video content hosted online at Dummies.com The expert instruction and easy-to-digest information provides comprehensive guidance on how to apply music theory concepts to fretted instruments If you already have a handle on the basics and want to know more about the building blocks and theory behind guitar music, *Guitar Theory For Dummies* has you covered.

Red Hot Rhythm Method

At the age of thirteen, Danny Sugerman- the already wayward product of Beverley Hills wealth and privilege- went to his first Doors concert. He never looked back. He became Jim Morrison's protégé and- still in his teens- manager of the Doors and then Iggy Pop. He also plunged gleefully into the glamorous underworld of the rock 'n' roll scene, diving headfirst into booze, sex and drugs: every conceivable kind of drug, ever day, in every possible permutation. By the age of twenty-one he had an idyllic home, a beautiful girlfriend, the best car in the world, two kinds of hepatitis, a diseased heart, a \$500 a day heroin habit and only a week to live. He lived. This is his tale. Excessive, scandalous, comic, cautionary and horrifying, it chronicles the 60s dream gone to rot and the early life of a Hollywood Wild Child who was just brilliant at being bad.

Red Hot Chili Peppers: Fandemonium

New York Times BestsellerA #1 LA Times BestsellerA USA Today BestsellerOne of NPR's "Favorite Books of 2019" The iconic bassist and co-founder of the Red Hot Chili Peppers tells his fascinating origin story, complete with all the dizzying highs and the gutter lows you'd want from an LA street rat turned world famous rock star. In *Acid for the Children*, Flea takes readers on a deeply personal and revealing tour of his formative years, spanning from Australia to the New York City suburbs to, finally, Los Angeles. Through hilarious anecdotes, poetical meditations, and occasional flights of fantasy, Flea deftly chronicles the experiences that forged him as an artist, a musician, and a young man. His dreamy, jazz-inflected prose makes the Los Angeles of the 1970s and 80s come to gritty, glorious life, including the potential for fun, danger, mayhem, or inspiration that lurked around every corner. It is here that young Flea, looking to escape a turbulent home, found family in a community of musicians, artists, and junkies who also lived on the fringe. He spent most of his time

partying and committing petty crimes. But it was in music where he found a higher meaning, a place to channel his frustration, loneliness, and love. This left him open to the life-changing moment when he and his best friends, soul brothers, and partners-in-mischief came up with the idea to start their own band, which became the Red Hot Chili Peppers. Acid for the Children is the debut of a stunning new literary voice, whose prose is as witty, entertaining, and wildly unpredictable as the author himself. It's a tenderly evocative coming-of-age story and a raucous love letter to the power of music and creativity from one of the most renowned musicians of our time.

Scar Tissue

One of the most beloved popular musicians of our time tells the story of his extraordinary life. This is Willie Nelson's complete, unvarnished story, told in his voice and leaving no significant moment or experience untold, from Texas, Nashville, Hawaii, and beyond. Having recently turned 80, Nelson is ready to shine a light on all aspects of his life, including his drive to write music, the women in his life, his collaborations, and his biggest lows and highs--from his bankruptcy to the founding of Farm Aid. An American icon who still tours constantly and headlines music festivals, Willie Nelson and his music have found their way into the hearts and minds of fans the world over, winning ten Grammys and receiving Kennedy Center Honors. Now it's time to hear the last word about his life -- from the man himself. "Every page radiates authenticity."
--Washington Post

Wonderland Avenue

Anthony Kiedis, charismatic and highly articulate frontman of the Red Hot Chili Peppers, recounts his remarkable life story, and the history of the band itself. After a brief child-acting career, Kiedis dropped out of U.C.L.A. and plunged headfirst into the demimonde of the L.A. underground music scene. He formed the band with three schoolfriends - and found his life's purpose. Crisscrossing the country, the Chili Peppers were musical innovators and influenced a whole generation of musicians. But there's a price to pay for both success and excess and in Scar Tissue, Kiedis writes candidly of the overdose death of his soul mate and band mate, Hillel Slovak, and his own ongoing struggle with an addiction to drugs.

Pursuit of Happyness LP

Make your music come alive with this indispensable guitar guide There's no denying that guitar players have cachet. The guitar is an ever-present part of our collective musical heritage, and the sound can be sensual, aggressive, or a million things in between. Forge the sound of rock, blues, classical, and more Understand the music theory behind guitar mastery Express yourself through your own compositions Perform practice exercises for muscle memory and dexterity Guitar All-In-One For Dummies, 2nd Edition, includes access to audio tracks and instructional videos to guide you through the lessons and inspire you to play often, which is the number-one key to success. You get advice and instruction from some of the most respected guitar teachers in the business, plus online resources, for less than the cost of a single lesson. Guitar All-In-One For Dummies, 2nd Edition, is the key to bringing your music to life.

Miss America

Hailed as “the War and Peace of rock and roll” by Bob Dylan himself, this is the ultimate backstage pass to Dylan’s legendary 1975 tour across America—by a former Rolling Stone reporter prominently featured in Martin Scorsese’s Netflix

documentary Rolling Thunder Revue: A Bob Dylan Story. In 1975, as Bob Dylan emerged from eight years of seclusion, he dreamed of putting together a traveling music show that would trek across the country like a psychedelic carnival. The dream became reality, and *On the Road with Bob Dylan* is the behind-the-scenes look at what happened when Dylan and the Rolling Thunder Revue took to the streets of America. With the intimate detail of a diary, Larry “Ratso” Sloman’s mesmerizing account both transports us to a celebrated period in rock history and provides us with a vivid snapshot of Dylan during this extraordinary time. This reissue of the 1978 classic resonates more than ever as it chronicles one of the most glittering rock circuses ever assembled, with a cast that includes Joan Baez, Robbie Robertson, Joni Mitchell, Allen Ginsberg, Ramblin’ Jack Elliott, and a wild entourage of groupies, misfits, sinners, and saints who trailed along for the ride. Sloman candidly captures the all-night revelry and musical prowess—from the backstage antics to impromptu jams—that made the tour a nearly mystical experience. Complete with vintage photos and a new introduction by renowned Texas musician, mystery writer, and Revue member Kinky Friedman, this is an unparalleled treat for Dylan fans old and new. Without question, *On the Road with Bob Dylan* is a remarkable, revealing piece of writing and a rare up-close and personal view of Dylan on tour.

Scar Tissue

The author presents his provocative and controversial views on life, love, politics, celebrities, sexual obsessions, and other topics

Red Hot Chili Peppers FAQ

Step into the booth. Check your judgments at the curtain. Close your eyes. Listen: you can hear the voices of the visitors who sat here before you: some of the most twisted, drug-addled, deviant, lonely, lost, brilliant characters ever to be caught on film. What do you have to offer the booth?

Running with Monsters

'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie

Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Scar Tissue

E-BOOK COM FOTOS EXTRAS (QUE NÃO ESTÃO NO LIVRO IMPRESSO) REGISTRADAS POR ALTAIR PEREIRA, DO PORTAL RHCP BRASIL, COM UM DEPOIMENTO SOBRE COMO FOI FOTOGRAFAR A BANDA. ELEITO PELA REVISTA ROLLING STONE COMO UMA DAS MELHORES AUTOBIOGRAFIAS DE ROCK DE TODOS OS TEMPOS As cicatrizes reais de uma lenda da música. Considerada pela Rolling Stone como uma das melhores autobiografias de roqueiros de todos os tempos, Scar Tissue expõe a alma de Anthony Kiedis, vocalista do Red Hot Chili Peppers. Kiedis oferece uma história de dedicação e devastação, de intriga e integridade, de imprudência e redenção - uma história que só poderia ter saído do mundo do rock.

Red Hot Chili Peppers (Songbook)

Celebrity Rehab star and Thelonious Monster frontman Bob Forrest's memoir about his drug-fueled life in the L.A. indie rock scene of the '80s and '90s and his life-changing decision to become a drug counselor who specializes in reaching the unreachable. Life has been one strange trip for Bob Forrest. He started out as a suburban teenage drunkard from the

Southern California suburbs and went on to become a member of a hip Hollywood crowd that included the Red Hot Chili Peppers, Johnny Depp, and River Phoenix. Los Angeles was their playground, and they hung out in such infamous haunts as the Viper Room and the Whisky a Go Go. Always one to push things to their limit, Bob partied the hardest and could usually be found at the center of the drama. Drugs weren't Bob's only passion. He was also a talented musician who commanded the stage as the wild and unpredictable lead singer of Thelonyious Monster. They traveled the world, and their future seemed bright and wide open. But Bob's demons grew stronger as he achieved more success and he sank deeper into his chemical dependency, which included alcohol, crack, and heroin habits. No matter how many times he went to rehab, sobriety just wouldn't stick for him. Soon he saw his once-promising music career slip away entirely. Eventually Bob found a way to defeat his addiction, and once he did, he saw the opportunity to help other hopeless cases by becoming a certified drug counselor. He's helped addicts from all walks of life, often employing methods that are very much at odds with the traditional rehab approach. *Running with Monsters* is an electrifying chronicle of the LA rock scene of the 1980s and '90s, the story of a man who survived and triumphed over his demons, and a controversial perspective on the rehab industry and what it really takes to beat addiction. Bob tells his story with unflinching honesty and hard-won perspective, making this a reading experience that shocks, entertains, and ultimately inspires. From the Hardcover edition.

This Is a Call

From their humble beginnings as friends in high school, to playing strip clubs in nothing but well-placed socks, through a struggle to find the right guitarist, to the present day, *Red Hot Chili Peppers FAQ* chronicles the adventures of the best-selling alternative rock band of all time. No other book goes through each era of the band's history. Unlike other band biographies, *Red Hot Chili Peppers FAQ* digs into the trivia that hardcore fans obsess over: every recorded (and unreleased) song and their origins, the story behind each band member's every tattoo, and every piece of gear each band member past and present has ever used. Ever wonder why current drummer Chad Smith switched drum companies? Or how Flea and Dave Navarro ended up recording with Alanis Morissette on "You Oughta Know"? Just when did Anthony Kiedis meet current guitarist Josh Klinghoffer for the first time? When did Kiedis first try harder drugs? How did Cher end up as a babysitter for young Kiedis? When did Buckethead try out for the band? Who currently owns the mansion where they recorded *Blood Sugar Sex Magik*? All the answers lay in the pages of *Red Hot Chili Peppers FAQ*.

Scar Tissue - Vida Alucinada

One-of-a-kind tribute from one of the best-selling bands in the world direct to their legions of fans. The Red Hot Chili Peppers' performances have become legendary as much for the music and antics on stage as the generous, loving community of people who stand side by side, screaming their approval. This is a fan appreciation book from the band that

puts the emphasis where it should be—on the fans. A vivid montage of words from the band members to their fans, it includes hundreds of photos taken at concerts worldwide, and interviews with fifty of the most devoted RHCP fans around the globe. The stories that emerge range from fantastic to tragic, but always inspirational and life-affirming. Lead singer Anthony Kiedis—New York Times best-selling author of his memoir, *Scar Tissue*—writes about the making of this book, and tells the story of the band's connection with their fans from day one in 1983 and how that relationship has evolved over three decades. Designed with a DIY/fanzine feel, this book is more than a fan tribute; it's a cultural exchange that captures the unique connection of an iconic band as devoted to their fans as the fans are to them.

On the Road with Bob Dylan

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. *Scar Tissue* is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

Scar Tissue

O líder da banda de rock Red Hot Chili Peppers procura abrir sua vida para os leitores. Anthony Kiedis viveu e vive sempre no limite, e ele não esconde nada de sua jornada de drogas, sexo e rock and roll, nem sempre tão glamourosa quanto a imprensa musical vende. Ao escrever, Kiedis busca ser honesto e direto.

Scar tissue

Dr. Seuss presents three modern fables in the rhyming favorite *Yertle the Turtle and Other Stories*. The collection features tales about greed ("Yertle the Turtle"), vanity ("Gertrude McFuzz"), and pride ("The Big Brag"). In no other book does a

small burp have such political importance! Yet again, Dr. Seuss proves that he and classic picture books go hand in hand.

Private Parts

This Is a Call, the first in-depth, definitive biography of Dave Grohl, tells the epic story of a singular career that includes Nirvana, Foo Fighters, Queens of the Stone Age, and Them Crooked Vultures. Based on ten years of original, exclusive interviews with the man himself and conversations with a legion of musical associates like Queens of the Stone Age frontman Josh Homme, DC punk legend Ian MacKaye, and Nevermind producer Butch Vig, this is Grohl's story. He speaks candidly and honestly about Kurt Cobain, the arguments that almost tore Nirvana apart, the feuds that threatened to derail the Foo Fighters's global success, and the dark days that almost caused him to quit music for good. Dave Grohl has emerged as one of the most recognizable and respected musicians in the world. He is the last true hero to emerge from the American underground. This Is a Call vividly recounts this incredible rock 'n' roll journey.

Slash

In SCAR TISSUE Anthony Kiedis, charismatic and highly articulate frontman of the Red Hot Chili Peppers, recounts his remarkable life story, and the history of the band itself. Raised in the Midwest, he moved to LA aged eleven to live with his father Blackie, purveyor of pills, pot, and cocaine to the Hollywood elite. After a brief child-acting career, Kiedis dropped out of U.C.L.A. and plunged headfirst into the demimonde of the L.A. underground music scene. He formed the band with three schoolfriends - and found his life's purpose. Crisscrossing the country, the Chili Peppers were musical innovators and influenced a whole generation of musicians. But there's a price to pay for both success and excess and in SCAR TISSUE, Kiedis writes candidly of the overdose death of his soul mate and band mate, Hillel Slovak, and his own ongoing struggle with an addiction to drugs. SCAR TISSUE far transcends the typical rock biography, because Anthony Kiedis is anything but a typical rock star. It is instead a compelling story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption.

Test yourself and your friends with these handily-packaged facts easily organised into categories for maximum enjoyment. Sections include the members of the band, how they formed, awards they have won and some crazy facts about their antics over the years. Show everyone that you are the master of RHCP knowledge!

Tommyland

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In Scar Tissue, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. Scar Tissue is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

The Night of the Gun

Anthony Kiedis is in zijn leven altijd tot het uiterste gegaan. Tot nu toe konden we alleen door zijn songteksten een glimp opvangen van de man achter de zanger en tekstschrijver van de Red Hot Chili Peppers. Nu legt hij in Scar Tissue zijn ziel bloot en geeft hij een eerlijk en onthullend verslag van het boeiende leven dat hij leidt. Al op zeer jonge leeftijd komt Kiedis, mede door zijn drugsdealende vader, in aanraking met drugs. Zijn leven lijkt helemaal de verkeerde kant op te gaan totdat de band die hij met zijn schoolvrienden Michael 'Flea' Balzary en Hillel Slovak opricht, succesvol wordt. In 1991 verschijnt het album Blood Sugar Sex Magik dat de grote doorbraak betekent voor de Red Hot Chili Peppers. De band groeit uit tot een van de meest geliefde bands ter wereld, die een miljoenenpubliek aan zich weet te binden. Het succes brengt echter geen rust in het leven van Kiedis. Zijn drugsverslaving en de gruwelen van het afkicken, liefde en seks, de spanningen binnen de band, de dood van Hillel Slovak: Kiedis vertelt er in alle eerlijkheid over. Hij is verliefd op het leven en daar horen alle goede en slechte ervaringen bij. Als hij kon kiezen, zou hij het niet anders doen.
