Srpski jezik : srednji tečaj za strance ; više od reči

"Three official languages have emerged: Croatian in Croatia, Serbian in Serbia, and both these languages plus Bosnian in Bosnia-Herzegovina. Bosnian, Croatian, Serbian, a Textbook introduces the student to all three. Dialogues and exercises appear in each language, presented side by side for easy comparison; in addition, Serbian is rendered in both its Latin and its Cyrillic spellings. Teachers may choose a single language to use in the classroom, or they may want to familiarize students with all three"--Book jacket.

Serbian Literary Magazine

The Serbian Nation and the Eastern Question

Describes the history, culture, and religion of the Serbian Americans; factors encouraging their emigration; and their acceptance as an ethnic group in North America.

Surveying the expanding conflict in Europe during one of his famous fireside chats in 1940, President Franklin Roosevelt ominously warned that "we know of other methods, new methods of attack. The Trojan horse. The fifth column that betrays a nation unprepared for treachery. Spies, saboteurs, and traitors are the actors in this new strategy." Having identified a new type of war -- a shadow war -- being perpetrated by Hitler's Germany, FDR decided to fight fire with fire, authorizing the formation of the Office of Strategic Services (OSS) to organize and oversee covert operations. Based on an extensive analysis of OSS records, including the vast trove of records released by the CIA in the 1980s and '90s, as well as a new set of interviews with OSS veterans conducted by the author and a team of American scholars from 1995 to 1997, *The Shadow War Against Hitler* is the full story of America's far-flung secret intelligence apparatus during World War II. In addition to

its responsibilities generating, processing, and interpreting intelligence information, the OSS orchestrated all manner of dark operations, including extending feelers to anti-Hitler elements, infiltrating spies and sabotage agents behind enemy lines, and implementing propaganda programs. Planned and directed from Washington, the anti-Hitler campaign was largely conducted in Europe, especially through the OSS's foreign outposts in Bern and London. A fascinating cast of characters made the OSS run: William J. Donovan, one of the most decorated individuals in the American military who became the driving force behind the OSS's genesis; Allen Dulles, the future CIA chief who ran the Bern office, which he called "the big window onto the fascist world"; a veritable pantheon of Ivy League academics who were recruited to work for the intelligence services; and, not least, Roosevelt himself. A major contribution of the book is the story of how FDR employed Hitler's former propaganda chief, Ernst "Putzi" Hanfstaengl, as a private spy. More than a record of dramatic incidents and daring personalities, this book adds significantly to our understanding of how the United States fought World War II. It demonstrates that the extent, and limitations, of secret intelligence information shaped not only the conduct of the war but also the face of the world that emerged from the shadows.

Serbian and Greek Art Music is the first ever book in the English language to examine the assimilation and development of western art music in Serbia and Greece during the nineteenth and twentieth centuries. Music education, music life and the creation of the two neighbouring nations since they gained freedom from the Ottomans in the nineteenth century are themes that reverberate through the volume. The book relates the efforts of local musicians to synchronize their musical environment with the West and achieve the inclusion of Serbian and Greek music in western music history, an aim that see.

It Doesn't Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs, Nick Vujicic created a "ridiculously good life." But after dating disappointments and a failed relationship, he reached his mid-twenties worried that he would never find a woman to love him and share his life. Then Nick met Kanae and everything changed. But even with undeniable chemistry, they would have to navigate twists and turns worthy of a romantic comedy before becoming "one" in marriage. In Love Without Limits Nick and Kanae tell how they improbably found each other, fell in love, and then fought to overcome skepticism from others about their relationship. Filled with practical insights that will benefit any couple, this inspiring book describes a godly courtship and the early years of the Vujicics' marriage and parenting journey. Above all, Love Without Limits is an inspiring reminder that when Christ is at the center of a relationship--even with serious challenges--true love will triumph. *** "Despite my optimism about other parts of

life, I decided that love in this world had limits after all. I'd become convinced that no woman would want to marry such an obviously imperfect man as me...." As a boy growing up in Australia, Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life. On the other side of the world, Kanae Miyahara—a girl growing up in Mexico--saw dysfunction sadly separate her family. She wondered if a loving, lasting marriage was even possible. Later, when Nick realized that God had a purpose for him, his life took on new meaning. But after a long-term relationship ended in heartache, would he ever find someone to marry? Kanae experienced relationships based on superficial attraction, but she longed to find a mate with strong character and faith—a man who would be a godly husband and father. When Nick and Kanae met in the most amazing way, they realized that God—the ultimate Matchmaker-- had used even their discouraging and painful experiences to prepare them for each other...for the love of their life.

Explores the impact of immigration in a global context All over the world families migrate, and with them so do their children. Probing the question of what being an immigrant' means, this publication brings together theory and empirical findings to

highlight the impact of immigration on child development in a global context. Discussed is the impact of these processes on children and adolescents in a variety of different countries and social contexts to determine both universal and culturally specific aspects of the experience of immigration as it becomes a pervasive reality of the modern world. This publication is appropriate for anyone who is interested in the process of migration/immigration and how it affects human development. Both students and scholars as well as real-world practitioners and policy makers in education, psychology, sociology, anthropology, ethnic and cultural studies, immigration studies, government and public policy will find this book a valuable source of information about the present and the way in which the next generation develops in response to the immigrant experience.

War and Society in East Central Europe: The first Serbian uprising 1804-1813

Serbian Studies

'The foreign devils will be entranced by our performance and line our path back to Shandong with gold and cherry blossoms' 1917. Shandong Province, Northern China. Times are tough in Horse Shoe Village. Old Six and Second Moon struggle to earn enough to feed their young child. Big Dog struggles to overcome opium addiction and for Eunuch Lin, the fall of the Imperial Dynasty couldn't have come at a worse time. Could a fierce war far away in Europe present an opportunity to put both themselves and their struggling nation on its feet? 遗忘 means 'Forgotten'. 'Left behind'. 'Erased'. Forgotten 遗忘 is inspired by the little-known story of the 340,000 Chinese Labour Corps who left everything and travelled halfway around the world to work for Britain and the Allies behind the front lines during World War One.
