## **Composition Notebook**

As featured on National Geographic, The Today Show, Upworthy, Mental Floss, The Huffington Post, Flavorwire, Lonely Planet and many others Wildlife conservationist and photographer Sam Trull's world changed forever when she gave up her comfortable life in the United States for the wilds of Costa Rica. After almost twenty years of working with animals, one creature in particular had captured her

heart: the sloth. In her stunning photo series, Slothlove, Sam shares intimate portraits of these captivating and endearing animals from her unique perspective as their protector, mother, and friend. Sam not only found her life's work among her beloved sloths; she also found comfort, friendship, and inspiration after having suffered a devastating loss. Woven in with these images are unforgettable stories of heartbreak and survival, as well as interesting facts about these intelligent and beautiful creatures. Slothlove is an unforgettable journey into the trees of the Costa Rican rainforest and a moving portrait of the profound connection between humans and animals.

## **Slothlove**

WHY ARE SLOTHS ALWAYS SMILING? Perhaps it's because they've mastered the art of taking it slow in a world whose frenzied pace is driving the rest of us crazy. Here, in a mindfulness book like no other, heart-tuggingly cute photographs of these always-chill creatures are paired with words of wisdom, all to inspire us to slow down, stop to enjoy the little things, and come up relaxed, centered, and smiling.
