The Ascendancy of the Scientific Dictatorship

Deep in the heart of old London town, spirits are drawn to the tempting lure of a lie. As Jess Ballard is struggling to adjust to her new life in London without Finn Carey to watch over her, she has thrown herself into her role as a Tracker, using her gift to communicate with and help as many spirits as she can. But just as she begins to settle into a new city, the city reveals a mystery too intriguing-and dangerous-to ignore. Something sinister is drawing restless spirits to a tiny old museum, luring them with a promise of salvation it cannot deliver upon. Meanwhile, Durupinen are being brutally attacked, and their gifts are being twisted with a Casting too terrible to comprehend. Can Jess discover the connection between the two mysteries before she-or someone she loves-becomes the next victim? Portraits of the Forsaken is the much anticipated fourth installment in E.E. Holmes' paranormal series The Gateway Trackers.

Craven Manor

Richard Bandler, co-creator of NLP and the man who inspired Paul McKenna to greatness, collaborates with Alessio Roberti and Owen Fitzpatrick to reveal how to unleash your true potential and transform your life.

Spirit Ascendancy

Storm Runner

"Daniel is desperate for a fresh start at life, so when someone slides a note under his door offering him the groundskeeper's position at an old estate, it seems too good to be true. Alarm bells start ringing when he arrives at Craven Manor. The mansion's front door hangs open, and leaves and cobwebs coat the marble foyer. It's clear no one has lived there in a long time but he has nowhere else to go. Against his better judgment, he moves into the groundskeeper's cottage behind the crypt. But when a candle flickers to life in the abandoned tower window, Daniel realizes Craven Manor is hiding a terrible secret one that threatens to bury him with it"--

Into the Wild

It began with a dream . . . well, not exactly. Dream or vision, the old man didn't know for sure, but he was certain that the Old Testament prophecy in the book of Joel was the key. So begins an epic story of an ordinary young man, a small group of unlikely heroes, and their preparations to join the army of God to wage war against the enemy and save the lost in the end times. In "The Harvester Chronicles," Author Beth Y. Lambert provides an enlightening and motivating account appropriate for those who believe and those who wonder.

Heart of the Rebellion

A prophecy condemns him, a goddess binds him, but what will set Odysseus free? A thrilling tale of a legendary Greek adventure, perfect for fans of Madeline Miller and David Gemmell. Young Prince Odysseus is about to have his world torn apart. He has travelled to the oracle at Pytho to be anointed as heir to his island kingdom, but instead a terrible secret is revealed, one that tears down every pillar of his life and marks him out for death. Outcast by his family and on the run, Odysseus is offered sanctuary by Athena, goddess of wisdom, and thrust headfirst into the secret war between the gods. But can his wits, and his skill as a warrior, keep him ahead of their power games – and alive? Gods and mortals collide in this spellbinding retelling of a legend from classic Greek mythology, the first in the epic Olympus Trilogy. Praise for Athena's Champion 'I'm always a sucker for some greek mythos retellings but this took the legendary tale to a another level. Legends, heroes, deceit, politics, sexism, fantasy, it has everything I love in a book and more' NetGalley Reviewer – Jun Ong

The Harvester Chronicles: JP Knights

The awakening begins in an ascending consciousness with an unspecified dissatisfaction regarding the established rules and assumptions. You cannot identify the irritation, but it feels as if there should be something more. Because of this, you begin to look for answers outside of the normal channels and your awakening commences. The messages for awakening are as diverse as their sources because they are designed to reach different levels of consciousness—yet the truth is always the truth, though the form it takes may vary. Expansion for Ascending Consciousness is a cooperative effort to provide a basis for understanding consciousness and the energy construct we exist within. The intent is to remove the mysticism surrounding consciousness and embodied experience. While complex and miraculous in its design, consciousness is scientifically explainable and the foundation upon which the universe has been created. As an ascending collective, you have reached a time in your development where mysticism has outlived its usefulness. Truth comes in many forms, and thus the information you gravitate to at any given moment is dependent upon what resonates with your current level of awakening. At a point in this process you will look back upon the information you have accumulated and see that each one was a step that incrementally raised your awareness. Expansion for Ascending Consciousness contains the next step along this path of ascension.

The Fire Keeper

A mysterious mark, an ancient spirit, and a message from beyond the Aether After uncovering and destroying a Necromancer plot to take over Skye Príosún, Jess and Finn are united at last and longing to move on with their life together. But the Durupinen world has other plans. An enigmatic rune keeps revealing itself to Jess-

in artwork, in dreams, and even scrawled upon the ancient stones of the Geatgrima at Fairhaven. No one can identify it, but its warning is clear: something dangerous is coming, a revelation that could end the Gateway system forever. Jess must follow the clues where they lead-forming unlikely alliances along the way. When her journey takes her at last to an ancient creature deep in the heart of the príosún, the truth she learns presents her with the most troubling question of all: what if her Durupinen gift was never really a gift at all, but something altogether darker? Soul of the Sentinel is the much-anticipated sixth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

Tales from the Gateway

She can already see the deadbut is she starting to see the future? Spurred by the injustices that nearly destroyed their family, Jess and Hannah Ballard are preparing to win back a seat on the powerful Durupinen Council. The odds are stacked against them, but that's never stopped them before. But as Hannah faces the harsh realities of political intrigue, Jess must face a frightening new reality of her own. Jess made a promise months before, a promise to help the trapped and tortured Walker, Irina. With Irina's trial looming, Jess has her chance to make good on her word, but the spirit world may have other plans. Jess's gift as a Muse is shifting. Her talent as an artist is now offering her terrifying glimpses into a future she may be powerless to change. Unspeakable tragedy looms ever closer. Will Jess be forced to stand helplessly by, or will she interpret the signs before it's too late? Awakening of the Seer is the page-turning third installment in E.E. Holmes' paranormal series The Gateway Trackers.

The Millennial Kingdom

Once every five years, the Northern Clans of the Durupinen gather at Fairhaven Hall. There at the ancient castle, surrounded by the very spirits they are bound to protect and serve, the clans settle disputes and shape the laws that govern the Gateways to the spirit world. For the first time, Jess and Hannah Ballard have to represent their clan. It is an awesome responsibility-a great honor and they are sure it's going to be the most boring week of their lives. Oh, how very wrong they are. For something dangerous is stalking the halls of Fairhaven. It lies in wait, striking down victim after victim, undetectable and inescapable. No one knows what it is, or what it wants, but one thing is clear: no one is safe until it is captured. As their fellow Durupinen fall victim one by one, it will be up to Jess and Hannah, the newest members of the Trackers, to solve the mystery before the entirety of the castle is possessed. Plague of the Shattered is the page-turning second installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

The Ultimate Introduction to NLP: How to build a successful life

We are children of the stars. This is our legacy and our heritage. In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on

this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious, and in *Legacy from the Stars* hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments -- inhabitants of other planets. After reading her latest book, you may agree that "we are all extraterrestrials," and Earth is merely a stop-over in our long adventure.

Awakening of the Seer

Trace Their Shadows

Zane Obispo's new life on a beautiful secluded tropical island, complete with his family and closest friends, should be perfect. But he can't control his newfound fire skills yet (inherited from his father, the Maya god Hurakan); there's a painful rift between him and his dog ever since she became a hell hound; and he doesn't know what to do with his feelings for Brooks. One day he discovers that by writing the book about his misadventures with the Maya gods, he unintentionally put other godborn children at risk. Unless Zane can find the godborns before the gods do, they will be killed. To make matters worse, Zane learns that Hurakan is scheduled to be executed. Zane knows he must rescue him, no matter the cost. Can he accomplish both tasks without the gods detecting him, or will he end up a permanent resident of the underworld? In this cleverly plotted sequel to *The Storm Runner*, the gang is back together again with spirited new characters, sneaky gods, Aztec royalty, unlikely alliances, and secrets darker than Zane could ever have imagined. Secrets that will change him forever.

Promise of the Wolves

Rumors of a ghost lure beginning reporter Brandy O'Bannon to a mansion on an isolated Florida lake and into an investigation that leads to a forty-five year old skeleton, a concealed murder, and an unexpected romance. As Brandy searches for answers, she questions eccentric suspects and tries to help an intriguing young architect save the century-old home from developers. Hidden emotions boil to the surface when she unravels events at the house during a fatal, long-ago celebration. As she closes in on the truth, she becomes a target for the killer. After escaping threats and attacks with the help of the conflicted architect, who opposes her investigation, and her golden retriever, she devises a daring plan to trap the murderer. It almost costs Brandy her life, but her scheme solves the mysteries of both murder and ghost by exposing the secret of the house.

Athena's Champion

Aided by Tia, her neurotic roommate, and Dr. David Pierce, a ghost-hunting professor, Jess must unravel the mystery behind her hauntings. But the closer she gets to the truth, the more danger shadows her every move. An ancient secret, long-buried, is about to claw its way to the surface, and nothing can prepare Jess for one terrifying truth her encounters with the world of the dead are only just beginning

Night in the Lonesome October

A warning from the past, an uncertain future, an impossible choice For hundreds of years, the Durupinen have carried the power of the Gateway in their bloodlines. Now, a dire warning from the past might mean that power must come to an end. Jess Ballard has often considered her gift a curse - but now it may truly become one, unless she can convince the leaders of the Durupinen world to restore the power of the Gateways where it rightly belongs. The Durupinen have always considered themselves a force for what is good in the world, but has the intoxication of power left them unable to distinguish between what is right and wrong? Jess, Hannah, Milo, and their allies are in a race against time as they gather together the most influential Durupinen from around the world to join the fight. As the Necromancer threat looms, and the Durupinen leaders battle over which course to take, Jess must travel her own path, look within herself and ask: How far will she go to right an ancient wrong, and will her connection to the spirit world survive it? Gift of the Darkness is the highly-anticipated final installment in The Gateway Trackers series by E.E. Holmes.

The Book of Sin

Mars invites scientists to participate in terraforming experiments which brings the Mavrek team all the way from Terra. But minutes after landing on the space station, Dr. Mark Warren is accused of murder. The warm welcome continues with an attack on his spaceship, then three Terrans are found dead, and killer cyborgs are spotted. Authorities immediately conduct a massive hunt throughout Martian space and terrible new enemies surface with a direct link to Warren's old nemesis. On the planet, the same fugitives hunting Warren also threaten the downfall of Mars itself. The high-octane x-military Mavrek crew battles arms dealers, mercenaries, an infamous hacker, clone trafficking, and an insidious female enemy who will kill to avoid capture. Perhaps they'll save Mars if they don't die first.

Kojiki

The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, Promise of the Wolves is a historical adventure story in the tradition of Clan of the Cave Bear and Watership Down. Set 14,000 years ago in what is now Southern Europe,

Promise of the Wolves is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Spirit Prophecy

Every civilization has its myths. Only one is true. When eighteen year old Keiko Yamada's father dies unexpectedly, he leaves behind a one way ticket to Japan, an unintelligible death poem about powerful Japanese spirits and their gigantic, beast-like Guardians, and the cryptic words: "Go to Japan in my place. Find the Gate. My camera will show you the way." Alone and afraid, Keiko travels to Tokyo, determined to fulfil her father's dying wish. There, beneath glittering neon signs, her father's death poem comes to life. Ancient spirits spring from the shadows. Chaos envelops the city, and as Keiko flees its burning streets, her guide, the beautiful Yui Akiko, makes a stunning confession - that she, Yui, is one of a handful of spirits left behind to defend the world against the most powerful among them: a once noble spirit now insane. Keiko must decide if she will honour her father's heritage and take her rightful place among the gods. File Under: Fantasy

Expansion for Ascending Consciousness

The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillennialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

Devils Glen

"Seek the gates and save the boy." Welcome to Bettendorf. At first glance, it seems like a typical Midwestern town, but take a closer look and you might be surprised. High schooler Jack Davies sees the darkness coming; he lives with it. Cold voices call out from the closet door; dead hands reach up from under his bed. Although he doesn't know it, Jack wields a great power. Now, a smooth-talking

preacher has come to town promising freedom and redemption for all who follow his words. But like Jack, this preacher has a secret. Those who heed his call find themselves pawns in his plan to awaken an ancient evil, long ago imprisoned in the dank caves of Devils Glen Park. With the help of a widowed police officer, a babysitter, and a mysterious spirit called Ava, Jack must find the truth about his hidden power in time to battle the dark forces that have descended upon his town. If he fails, our world will be cast into darkness forever.

Voices

A POWER TOO TERRIBLE TO CONTROL IN THE WAKE of their terrifying escape from Fairhaven Hall, sisters Jess and Hannah Ballard find themselves on the run, pursued by the two most powerful groups in the history of the spirit world. On one side, the Durupinen, determined to capture the girls and prevent their role in an ancient prophecy that promises to destroy them and unleash the spirit hordes on the earth. On the other side, the Necromancers, ancient enemies of the Durupinen, hellbent on bringing the same prophecy to fruition. When the girls are betrayed and one of them falls into the Necromancers' hands, both face decisions with cataclysmic consequences. Will the lure of power prove too great to resist, or will the bond between the sisters survive this last, most crucial of tests? "Spirit Ascendancy" is the much anticipated third and final installment of E.E. Holmes' award-winning Gateway Trilogy.

Balance Point

Long before the time of man, in a realm ruled by magic, a destiny was born. Dane Watts-Callan knows all about secrets. She is a witch living in a modern world, a family legacy that must remain hidden from mortals. On the eve of her thirty-first birthday something changes, leading her to discover a fateful destiny—an ancient birthright born from a magical universe. Guided by a vague prophecy, Dane begins a journey for answers, travelling through dimensions to the magical realm of her ancestors, where both knowledge and sacrifice await. In a world, forever scarred by evil, she encounters someone immersed in its haunting past. An ancient immortal warrior whose destiny is intertwined with her own, igniting an attraction that neither can control nor escape. As the prophecy begins to unravel, Dane must use all the power and knowledge from both worlds to find those whose blood and destinies are linked to the ancient realms, before the evil of the past is unleashed and the ancient magic, forever consumed. A dark destiny is rising.

Gift of the Darkness

A. In the past, the elite manipulated the population through a more mystical belief system. In particular, there was the institution of Sun worship (typified by deities such as Osiris and Set). However, as antiquity gave way to modern history, this system of control began to lose its effectiveness. During the sixteenth century, the ruling class managed to co-opt a relatively new methodology of truth discernmentscience. Over the years, they would contaminate this institution with their own virulent strains of thoughtmetaphysical naturalism, radical empiricism, Malthusianism, Darwinism, behaviorism, radical environmentalism, etc. Many of

these paradigms were derivative of their own occult doctrines, thinly veiled to appear as objective science. All of these concepts correlate in some way and, at some point, coalesce. Together, they are gradually paving the way for the re-introduction of the hidden god of the Ancient Mysteries.

Spirit Legacy

"What's it to you, P? What is it you want?" Tinkerbelle snarled. "Me?" Pike laughed quietly. "Battles and brimstone, fire and ash, fight evil and win, die a hero and return, marry the sprite princess, raise little Eleanors, bring up foals and" He leant into her a little then. "I don't flipping know - to somehow matter, I guess." With his girlfriend away travelling and a solitary autumn ahead of him, Pike, former dressage protégé and heir to two very different family traditions, finds himself alone with the question of what he wants to do with his life. In the meantime, there is a young stallion to train, a new friend to tame, some old ones to rescue and a mystery to solve. Set in the grounds of Hawthorne Cottage, *The Boy with the Amber Eyes* is a stand alone follow up to Eleanor McGraw, a pony named Mouse and a boy called Fire .

The Golden Wolf

Brave young dragon Firedrake and his orphan friend Ben start a perilous journey to the legendary Rim of Heaven. But close behind is a heartless monster who aches to destroy the very last dragons on earth

City of Stone and Silence

Something whispers in the shadows From E.E. Holmes, author of the award-winning Gateway Trilogy, comes the first in the highly anticipated companion series *The Gateway Trackers*. It's been several years since Jess and Hannah Ballard foiled a cataclysmic prophecy that could have destroyed their fellow Durupinen, an ancient clan of women who allow spirits to cross between the worlds of the living and the dead. The girls swore, after the devastation and chaos they endured, they would never get caught up in the inner workings of the Durupinen again. They were wrong. After breaking the code of secrecy and facing the judgement of the High Council, Jess and Hannah have no choice but to become Trackers, working to take down those who would exploit the spirit world for profit or power. Their first assignment takes them into the deep South, where Jeremiah Campbell, a self-proclaimed spiritual guru, lures wealthy and desperate devotees with promises of a deeper connection with the dead. As the girls go undercover, it soon becomes clear that Campbell is not merely the con artist they suspected him to be, and that they, and the spirit world they are sworn to protect, are once again in unimaginable danger. *Whispers of the Walker* is the first spine-tingling installment in "*The Gateway Trackers*" series by E.E. Holmes.

Fire Bringer

A BATTLE LOOMS, AND SHE COULD LOSE EVERYTHING Again and again, the same dreadful predictiona remote prison fortress, a fierce battle, an unthinkable

outcome. For Jess Ballard, the signs could not be clearer; if the Durupinen want to maintain their control over the Gateways to the spirit world, they will have to battle for them at the ancient Skye Príosún, where even now a rebellion is brewing, ready to burst the barriers of the ancient stronghold. It is a near-impossible proposition. The very ranks of their protectors have been breached, and it is only a matter of time before the trust between Caomhnóir and Durupinen has all but disintegrated. The only chance the Durupinen have is to infiltrate the príosún from within—with nothing left to lose, Jess volunteers herself for the job. But the dangers are very real. The Caomhnóir of the príosún have been compromised. Jess does not know who she can trust inside—even her once unshakable bond with Finn Carey is being tested. If she chooses wrongly—forms the wrong alliance or makes the wrong gamble—the fate of the spirit world could hang in the balance. The challenges are formidable but so is the young woman facing them. Heart of the Rebellion is the much-anticipated fifth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

The Harper Hall Trilogy

Ansul was once a peaceful town filled with libraries, schools, and temples. But that was long ago, and the conquerors of this coastal city consider reading and writing to be acts punishable by death. And they believe the Oracle House, where the last few undestroyed books are hidden, is seething with demons. But to seventeen-year-old Memer, the house is the only place where she feels truly safe. Then an Uplands poet named Orrec and his wife, Gry, arrive, and everything in Memer's life begins to change. Will she and the people of Ansul at last be brave enough to rebel against their oppressors?

Legacy from the Stars

One of Open Letter's Best Books of 2019 The fates of Ragnvald and his sister Svanhild unfold to their stunning conclusion in this riveting final volume in The Golden Wolf Saga, a trilogy that conjures the ancient world with the gripping detail, thrilling action, and vivid historical elements of "Game of Thrones" and "Outlander." Ragnvald has long held to his vision of King Harald as a golden wolf who will bring peace to Norway as its conqueror—even though he knows that Harald's success will eventually mean his own doom. He is grateful to have his beloved sister, the fierce and independent Svanhild, once more at his side to help keep their kingdom secure. Free from the evil husband who used her, she is now one of Harald's many wives. While Svanhold is happy to be reunited with her beloved brother, and enjoys more freedom than ever before, she is restless and lonely. When an old enemy of Ragnvald's kidnaps his niece, Freydis, his sister follows the daughter she has neglected to Iceland, where an old love awaits. This strange new land offers a life far different from what each has left behind, as well as unexpected challenges and choices. Ragnvald, too, must contend with change. His sons—the gifted Einar, the princely Ivar, and the adventurous Rolli—are no longer children. Harald's heirs have also grown up. Stepping back from his duties as king, he watches as his sons pursue their own ambitions. But Norway may no longer be large enough for so many would-be kings. Now in their twilight years, these venerable men whose lives have been shaped by war must face another battle that awaits. A growing rebellion pits Ragnvald and his sons against enemies

old and new, and a looming tragedy threatens to divide the hardened warrior from Harald and all who care for him. Across the sea, Svanhild, too, wrestles with a painful decision, risking the dissolution of her fragile new family as she desperately tries to save it. Yet as old heroes fall, new heroes arise. For years, Ragnvald and Svanhild pursued the destinies bestowed by their ancient gods. Though the journey has cost them much, their sacrifices and dreams will be honored by the generations that follow, beginning with Freydis and Einar. Emerging from their parents' long shadows, they have begun to carry on the family's legacy while pursuing their own glorious fates. This compelling conclusion to the Golden Wolf trilogy recreates Viking-age Scandinavia in all its danger, passion, power, and glory—a world of brutality and myth, loyalty and betrayal, where shifting alliances and vengeance can build kingdoms . . . and can tear them down.

Edge of the Stars

Django Wexler's *City of Stone and Silence* is the second book in the cinematic fantasy *Wells of Sorcery Trilogy* featuring a fierce young woman skilled in the art of combat magic on an epic mission to steal a ghost ship. After surviving the Vile Rot, Isoka, Meroe, and the rest of Soliton's crew finally arrive at Soliton's mysterious destination, the Harbor—a city of great stone ziggurats, enshrouded in a ghostly veil of Eddica magic. And they're not alone. Royalty, monks, and madmen live in a precarious balance, and by night take shelter from monstrous living corpses. None know how to leave the Harbor, but if Isoka can't find a way to capture Soliton and return it to the Emperor's spymaster before a year is up, her sister's Tori's life will be forfeit. But there's more to Tori's life back in Kahnzoka than the comfortable luxury Isoka intended for her. By night, she visits the lower wards, risking danger to help run a sanctuary for mage-bloods fleeing the Emperor's iron fist. When she discovers that Isoka is missing, her search takes her deep in the mires of intrigue and revolution. And she has her own secret—the power of Kindre, the Well of Mind, which can bend others to its will. Though she's spent her life denying this brutal magic, Tori will use whatever means she has to with Isoka's fate on the line. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Whispers of the Walker

On January 1st 2016, author Jerry Hyde - 'the most dangerous therapist in the world' - set out on a year-long adventure into the murky underworld of Sin with one objective in mind...to save the world. Join Hyde on an exhilarating journey through hope, despair, love and loss made all the more twisted by daily microdoses of psilocybin mushrooms. Listen in on conversations with such disparate and at times desperate characters as national treasure Grayson Perry, tantric chieftain Shivam O'Brien, Mem the Mad Sufi and LSD blotter designer Kevin Barron. *The Book of Sin* is not a self-help book. It's a do-it-yourself-help book. Read on if you want a better understanding of how to live life by your own rules, and how to make the world a better, safer, richer and more peaceful place.

Dark Son

Two sisters, haunted by more than their past just weeks after discovering each other's existence, Jess and Hannah Ballard arrive at Fairhaven Hall, where they will learn the clandestine ways of the Durupinen, an ancient sect of women who control the Gateways between the worlds of the living and the dead. Though they are considered outcasts by most of their classmates, Jess and Hannah are determined to learn what they can to fulfill their responsibility to the many ghosts that haunt them. But danger, it seems, has followed them as closely as a shadow to their new home, and they have more questions than ever. Who is the desperate child spirit pursuing Jess, and what do her terrifying visions mean? What has happened to Dr. David Pierce, Jess' friend and mentor, who has suddenly and mysteriously vanished? And just what is it about Hannah's unique abilities that has the other Durupinen frightened of her? The Ballard sisters are about to find out, and the answers could destroy their newfound life before it has even begun. Spirit Prophecy is the second thrilling installment in E.E. Holmes' award-winning Gateway Trilogy.

The Boy with the Amber Eyes

As prophesized, a young house cat becomes an apprentice warrior in a clan of wild cats, where he faces many dangers and treachery both within and outside of his new clan.

Dragon Rider

A contemporary adventure based on Maya mythology from Rick Riordan Presents! Zane has always enjoyed exploring the dormant volcano near his home in New Mexico, even though hiking it is challenging. He'd much rather hang out there with his dog, Rosie, than go to middle school, where kids call him Sir Limps a Lot, McGimpster, or Uno--for his one good leg. What Zane doesn't know is that the volcano is a gateway to another world and he is at the center of a powerful prophecy. A new girl at school, Brooks, informs him that he's destined to release an evil god from the ancient Maya relic he is imprisoned in--unless she can find and remove it first. Together they return to the volcano, where all kinds of crazy happens. Brooks turns into a hawk, a demon attacks them in a cave, and Rosie gives her all while trying to protect Zane. When Zane decides to save his dog no matter the cost, he is thrust into an adventure full of surprising discoveries, dangerous secrets, and an all-out war between the gods, one of whom happens to be his father. To survive, Zane will have to become the Storm Runner. But how can he run when he can't even walk well without a cane?
