That Boy

A travel romance that will take you on the adventure of a lifetime. NYC fashion blogger, Camille Caldwell, gets offered a dream job by her favorite magazine. They're going to send her on an all-expenses paid eco-trip to Costa Rica. She doesn't know what that means, but she assumes she'll wear fabulous clothes, sip Pi a Coladas on the beach, and have her photo taken "out in nature." Really, the hardest part of the assignment will be giving up social media while she's gone. Going off social media is no big deal for London-based wildlife photographer, Adam Lloyd. The only reason he even has an account is to share his photos with the world. He's thrilled when an international publication wants to hire him, until he finds out it's a fashion magazine. He decides to take the job anyway--after all, it will be great for his portfolio. But the minute he sees Camille, he knows it was a mistake. She has too much luggage, is too high maintenance, and way too pretty. When they meet, their feelings are mutual--they hate each other. Can these two stop fighting long enough to complete their assignment? Will Camille give up and go home when she discovers there's nowhere to plug in her hair straightener? Or will they both realize that sometimes you have to go off the grid to find yourself?

Fight with Me

From New York Times Bestselling author Corinne Michaels comes the final poignant love story in the Arrowood Brothers Series. Hollywood taught me everything I know about relationships—except how to be in one. As an actor, I became an expert at faking it. Faking that I wasn't affected by my childhood. Faking that I was okay. Faking that I knew how to save the day, the girl, the whole damn world. But I've always known the truth—I'm no one's hero. Until I'm forced to move back to Sugarloaf for six months, and Brenna Allen offers me a chance to prove otherwise.

She's everything I never knew I wanted, but can't have. Her broken heart, perfect face, and adorable children turn my world upside down. Instead of preparing for my next leading role, I'm directing a middle school play. All to make her smile. The more time I spend here, the more I want to stay. Build a life in this town that I swore I'd leave—for her. But when the world comes crashing down around us, I'm forced to decide if staying for her is the right choice or if leaving is better for the woman I love.

That Boy - Special Full Color Edition

A memoir by the woman who knew Bob Marley best--his wife, Rita. Rita Marley grew up in the slums of Trench Town, Jamaica. Abandoned by her mother at a very young age, she was raised by her aunt. Music ran in Rita's family, and even as a child her talent for singing was pronounced. By the age of 18, Rita was an unwed mother, and it was then that she met Bob Marley at a recording studio in Trench Town. Bob and Rita became close friends, fell in love, and soon, she and her girlfriends were singing backup for the Wailers. At the ages of 21 and 19, Bob and Rita were married. The rest is history: Bob Marley and the Wailers set Jamaica and the world on fire. But while Rita displayed blazing courage, joy, and an indisputable devotion to her husband, life with Bob was not easy. There were his liaisons with other women--some of which produced children and were conducted under Rita's roof. The press repeatedly reported that Bob was unmarried to preserve his "image." But Rita kept her self-respect, and when Bob succumbed to cancer in 1981, she was at his side. In the years that followed, she became a force in her own right--as the Bob Marley Foundation's spokesperson and a performer in her reggae group, the I-Three. Written with author Hettie Jones, *No Woman No Cry* is a no-holds-barred account of life with one of the most famous musicians of all time. In *No Woman No Cry*, readers will learn about the never-before-told details of Bob Marley's life, including: How Rita practiced subsistence farming when first married to Bob to have food for her family.
