The Great Gatsby

"Prepare your high school students for AP, IB, and other standardized tests that demand an understanding of the subtle elements that comprise an author's unique voice. Each of the 100 sharply focused, historically and culturally diverse passages from world literature targets a specific component of voice, presenting the elements in short, manageable exercises that function well as class openers. Includes teacher notes and discussion suggestions."

F. Scott Fitzgerald's Fiction

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

The Great Gatsby Vocabulary Activities

The Freshest Boy by F. Scott Fitzgerald The story centers around a boy and his discouragement while attending a preparatory school. The boy, Basil Duke Lee, is characterized as naive and dreamy. He is thus treated as an outcast among his peers as well as by the school's administrators. Lee's naivete is contrasted with the experienced perspective of an upperclassman, Lewis Crum. Crum resents Lee's carefree nature and his lack of commitment to tradition. The two boys develop a competitive relationship, and it becomes clear that Lee is internally adjusted to the environment while outwardly aloof and unhappy. Unlike Lee, however, Crum comes from wealth, which gives him a palpable advantage at the school.

The Great Gatsby

Students analyze The Great Gatsby using key skills from the Common Core. Close reading of the text is required to answer text-dependent questions. Included are student pages with the text-dependent questions as well as suggested answers.

The Satyricon

Students will enjoy studying the story elements of The Great Gatsby. Through these engaging activities, students create products to share their understanding of the characters, plots, and settings of the novel.

F. Scott Fitzgerald's The Great Gatsby

A riveting debut that combines the relentless immediacy of Thirteen Reasons Why with the can't-look-away drama of TV shows like Biggest Loser. A lonely obese boy everyone calls "Butter" is about to make history. He is going to eat himself to death-live on the Internet-and everyone is invited to watch. When he first makes the announcement online to his classmates, Butter expects pity, insults, and possibly sheer indifference. What he gets are morbid cheerleaders rallying around his deadly plan. Yet as their dark encouragement grows, it begins to feel a lot like popularity. And that feels good. But what happens when Butter reaches his suicide deadline? Can he live with the fallout if he doesn't go through with his plans? With a deft hand, Erin Jade Lange allows readers to identify with both the bullies and the bullied in this all-consuming look at one teen's battle with himself. Winter Dreams Illustrated

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

The Great Gatsby Leveled Comprehension Questions

These vocabulary activities for *The Great Gatsby* incorporate key skills from the Common Core. The activities integrate vocabulary with a study of the text. Includes text-dependent questions, definitions, and text-based sentences.

Using Informational Text to Teach The Great Gatsby

REA's MAXnotes for Toni Morrison's *The Bluest Eye*, A Novel MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

The Cambridge Companion to F. Scott Fitzgerald

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

The Great Gatsby

With half a million copies in print, *How to Read a Book* is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: "Explains not just why we should read books, but how we should read them. It's masterfully done." -Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to "judge a book by its cover," and also how to X-ray it, read critically, and extract the author's message from the text. Also included is instruction in the different techniques that work best for reading particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally, the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

Critical Essays on F. Scott Fitzgerald's The Great Gatsby

The Common Core State Standards initiated major changes for language arts teachers, particularly the emphasis on "informational text." Language arts teachers were asked to shift attention toward informational texts without taking away from the teaching of literature. Teachers, however, need to incorporate nonfiction in ways that enhance rather than take away from their teaching of literature. The Using Informational Text series is designed to help. In this fourth volume (Volume 1: Using Informational Text to Teach To Kill a Mockingbird; Volume 2: Using Informational Text to Teach A Raisin in the Sun; Volume 3: Connecting Across Disciplines: Collaborating with Informational Text), we offer challenging and engaging readings to enhance your teaching of *Gatsby*. Texts from a wide range of genres (a TED Talk, federal legislation, economic policy material, newspaper articles, and 1920s political writing) and on a variety of topics (income inequality, nativism and immigration, anti-Semitism, the relationship between wealth and cheating, the Black Sox scandal and newspaper coverage, and prohibition) help students answer essential questions about F. Scott Fitzgerald's novel. Each informational text is part of a student-friendly unit, with media links, reading strategies, vocabulary, discussion, and writing activities, and out-of-the-box class activities.

Study Guide to The Great Gatsby by F. Scott Fitzgerald

The *Satyricon* is a Latin work of fiction in a mixture of prose and poetry. It is believed to have been written by Gaius Petronius Arbiter, though the manuscript tradition identifies the author as a certain Titus Petronius. As with the *Metamorphoses* of Apuleius, classical scholars often describe it as a "Roman

novel", without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton. Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character. Of the many masterpieces which classical antiquity has bequeathed to modern times, few have attained, at intervals, to such popularity; few have so gripped the interest of scholars and men of letters, as has this scintillating miscellany known as the Satyricon, ascribed by tradition to that Petronius who, at the court of Nero, acted as arbiter of elegance and dictator of fashion. The flashing, wit, the masterly touches which bring out the characters with all the detail of a fine old copper etching; the marvelous use of realism by this, its first prophet; the sure knowledge of the perspective and background best adapted to each episode; the racy style, so smooth, so elegant, so simple when the educated are speaking, beguile the reader and blind him, at first, to the many discrepancies and incoherences with which the text, as we have it, is marred. The more one concentrates upon this author, the more apparent these faults become and the more one regrets the lacunae in the text. Notwithstanding numerous articles which deal with this work, some from the pens of the most profound scholars, its author is still shrouded in the mists of uncertainty and conjecture. He is as impersonal as Shakespeare, as aloof as Flaubert, in the opinion of Charles Whibley, and, it may be added, as genial as Rabelais; an enigmatic genius whose secret will never be laid bare with the resources at our present command.

The Freshest Boy

This research monograph argues that Scott Fitzgerald consciously used a variety of Joycean devices in *The Great Gatsby* and these devices were the result of close readings of Joyce's *Dubliners* and *Ulysses*. The monograph breaks new ground in Fitzgerald scholarship and has implications for Joyceans as well. This study sets out to prove that Fitzgerald modeled numerous elements of *GATSBY* on elements found in Joyce's *ULYSSES*. FSF imitated Joyce's use of the first letter in each of the parts of *ULYSSES*. There Joyce alluded to two matters (1) the first names of his characters and (2) the logical steps of a syllogism. Fitzgerald enriched this device. He developed three parts in his novel (3-3-3) and used the first and last letters of each of his 9 chapters for two purposes : to repay in a bold and playful way his debt to Joyce and to honor Ernest Renan, famed for his *LIFE OF JESUS*, and a source of burlesque techniques employed in *Gatsby*. This is just one example of a number of research issues raised by Tanner, a number new to Fitzgerald scholarship. Other chapters deal with FSF imitation of Joyce's "Araby" in Fitzgerald's story "Absolution" (a precursor to *Gatsby*), sources for Christian allusions and direct allusions to *ULYSSES*, the shadowing and doubling of characters, patterns of imagery and numeracy in topics and theme. The work contains two appendices including a significant comparison of Trimalchio and *THE GREAT GATSBY*.

Go Set a Watchman

The Taming of the Shrew

One of a series of titles first published by Faber between 1930 and 1990, and in a style and format planned with a view to the appearance of the volumes on the bookshelf. Osborne's play changed the course of British theatre in the 1950s, and features the prototype angry young man, Jimmy Porter.

Everyday Use

"He talked a lot about the past and I gathered that he wanted to recover something, some idea of himself perhaps, that had gone into loving Daisy. His life had been confused and disordered since then, but if he could once return to a certain starting place and go over it all slowly, he could find out what that thing was . . ." *The Great Gatsby* (1925), F. Scott Fitzgerald's masterpiece, stands among the greatest of all American fiction. Jay Gatsby's lavish lifestyle in a mansion on Long Island's gold coast encapsulates the spirit, excitement, and violence of the era Fitzgerald named 'the Jazz Age'. Impelled by his love for Daisy Buchanan, Gatsby seeks nothing less than to recapture the moment five years earlier when his best and brightest dreams - his 'unutterable visions' - seemed to be incarnated in her kiss. A moving portrayal of the power of romantic imagination, as well as the pathos and courage entailed in the pursuit of an unattainable dream, *The Great Gatsby* is a classic fiction of hope and disillusion. This edition is fully annotated with a fine Introduction incorporating new interpretation and detailing Fitzgerald's struggle to write the novel, its critical reception and its significance for future generations. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Great Gatsby Close Reading and Text-Dependent Questions

We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—Pride and Prejudice, Washington Square, Daisy Miller and Lolita—their Lolita, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach The Great Gatsby, which he saw as an immoral work that preached falsehoods of "the Great Satan," she decided to let him put Gatsby on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. From the Hardcover edition.

The Answer Is . . .

A comprehensive study guide offering in-depth explanation, essay, and test prep for F. Scott Fitzgerald's *The Great Gatsby*, widely considered to be the highest achievement of Fitzgerald's career and a contender for the title of the "Great American Novel." As the quintessential novel of the Jazz Age, Fitzgerald's work serves as both an exquisite portrait of the Roaring Twenties in America and a cautionary tale regarding the American Dream. Acclaimed by generations of readers, the novel continues to embody the American spirit and the nation's enduring admiration for self-made success stories. This Bright Notes Study Guide explores the context and history of Fitzgerald's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

So We Read On

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord*

of the Flies. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

How to Read a Book

"Winter Dreams" is a short story by F. Scott Fitzgerald that first appeared in Metropolitan Magazine in December 1922, and was collected in All the Sad Young Men in 1926. It is considered one of Fitzgerald's finest stories and is frequently anthologized. In the Fitzgerald canon, it is considered to be in the "Gatsby-cluster," as many of its themes were later expanded upon in his famous novel The Great Gatsby in 1925.

Before Gatsby

The Scarlet Letter

The Great Gatsby

These leveled discussion questions about The Great Gatsby require students to read closely, make connections, and share their analyses. Included are leveled comprehension questions and suggested answers.

Simon Called Peter

This work is a troubling story of crime, sin, guilt, punishment and expiation, set in the rigid moral climate of 17th-century New England. The young mother of an illegitimate child confronts her Puritan judges, as she suffers a harsh sentence and the guilt as her lover is revealed.

Look Back in Anger

"Fitzgerald's work has always deeply moved me," writes John T. Irwin. "And this is as true now as it was fifty years ago when I first picked up The Great Gatsby. I can still remember the occasions when I first read each of his novels; remember the time, place, and mood of those early readings, as well as the way each work seemed to speak to something going on in my life at that moment. Because the things that interested Fitzgerald were the things that interested me and because there seemed to be so many similarities in our backgrounds, his work always possessed for me a special, personal authority; it became a form of wisdom, a way of knowing the world, its types, its classes, its individuals." In his personal tribute to Fitzgerald's novels and short stories, Irwin offers an intricate vision of one of the most important writers in the American canon. The third in Irwin's trilogy of works

on American writers, F. Scott Fitzgerald's Fiction resonates back through all of his previous writings, both scholarly and poetic, returning to Fitzgerald's ongoing theme of the twentieth-century American protagonist's conflict between his work and his personal life. This conflict is played out against the typically American imaginative activity of self-creation, an activity that involves a degree of theatrical ability on the protagonist's part as he must first enact the role imagined for himself, which is to say, the self he means to invent. The work is suffused with elements of both Fitzgerald's and Irwin's biographies, and Irwin's immense erudition is on display throughout. Irwin seamlessly ties together details from Fitzgerald's life with elements from his entire body of work and considers central themes connected to wealth, class, work, love, jazz, acceptance, family, disillusionment, and life as theatrical performance.

The Great Gatsby by F. Scott Fitzgerald

Reading Lolita in Tehran

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover.

The Great Gatsby

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great--and utterly unusual--*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of *Gatsby* and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

The great Gatsby

Originally published: London: Virago, 2013

Careless People

"The finest work of fiction by any American writer No American novel comes closer than *Gatsby* to surpassing literary artistry, and none tells us more about ourselves"

THE WASHINGTON POST "A curious book, a mystical, glamorous story that's both boisterous and tragic" THE NEW YORK TIMES "Fantastic proof that chivalry, of a sort, is not dead" LIFE MAGAZINE It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as 'A Great American novel'.

Joycean Elements in F. Scott Fitzgerald's The Great Gatsby

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

This Side of Paradise Illustrated

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, *To Kill a Mockingbird*. Originally written in the mid-1950s, *Go Set a Watchman* was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed to have been lost, the manuscript was discovered in late 2014. *Go Set a Watchman* features many of the characters from *To Kill a Mockingbird* some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.
