40 Days Through Revelation

PARADIGM

Psychics, mediums, and ghosts have become a sensation in our culture today. As a result, there are many confusing and deceptive beliefs presented. Ron Rhodes, respected and popular biblical scholar, tackles the truth about ghosts and those who say they communicate with them and answers the questions: Do ghosts in any shape or form exist? Why is there a rise in psychic phenomena today? What do psychics believe about God, Jesus, and salvation? What is Satan's role with the paranormal? How can parents protect their family from the psychic trend? This reader-friendly presentation of intriguing facts and biblical insights will help Christians know how to respond to this fascination with the ultimate truth.

Revelation

God's War on Terror

"The Harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet. The Prophet has given him nine seals, each containing a message about America's future. As the story unfolds, each revelation becomes a piece in a greater puzzle -- the ramifications of which will even alter the course of world history."--Publisher's website.

The Harbinger

This book precisely maps a unique journey that turns the problems and conflicts that inevitably arise in relationships into opportunities for deeper connection. Illuminating case studies, guided self-inquiries, and challenging exercises help you discover how to engage your partner in a deeper dialogue and find ways of

expressing the most profound and untamed aspects of your nature.

Ancient Book of Daniel

Bill Belichick is one of the titans of today's game of football. Now, sports commentator and bestselling author Michael Holley follows three NFL teams—the New England Patriots, Kansas City Chiefs, and Atlanta Falcons—from training camp 2010 through the Super Bowl and into the April draft, opening a new window into Belichick's influence on the game. This one-of-a-kind exploration takes football fans behind the scenes of the most popular sport in America, with unprecedented insider access to the head coaches, scouts, trainers, and players who make the game what it is—including new insights from Bill Parcells, Todd and Dick Haley, and Belichick himself. For true fans of the game, and for readers of *Badasses*, *Patriot Reign*, and *Boys Will Be Boys*, Holley's *War Room* is not to be missed.

The Witness of the Stars

Are you prepared for what is about to happen? Giants, Fallen Angels and the Return of the Nephilim will discuss Biblical prophecies of giants on the earth, the Last Days demonic plot of engineering genetic hybrids, and what all of it has to do with Israel and the Middle East. In this book, you will receive answers to these questions and more... Have tribes of giants ever walked this Earth? Why are there massive and precise "prehistoric" megalithic structures throughout the world? Was early man a Neolithic Stone Age caveman or did he receive knowledge from other sources? Are aliens actually fallen angels? Who are the Nephilim, and are they returning to Earth? Discover how important these questions are, from both a personal and global perspective. Read this book and open your eyes to the dangers that await mankind, and humanity's only hope.

The Skills Training Manual for Radically Open Dialectical Behavior Therapy

God's Word Leads Us to God's Heart Hebrew Word Study: Revealing the Heart of God is a devotional book unlike any you've ever read. Most Hebrew word study books read like a dictionary, not really explaining the Hebrew words in light of specific Bible passages. Hebrew Word Study by Chaim Bentorah combines an in-depth look at the meanings of a variety of scriptural words and phrases in the original Hebrew with a down-to-earth application for our daily Christian experience. Guided by Chaim's expertise in biblical languages, you will examine not just word definitions, but also the origins of words, their place in the culture and idioms of the day, and even their emotional context. With the author's anecdotes and stories from the Bible and ancient Jewish literature, the meanings of these words and passages become even more vivid. Each of the ninety word studies in this book will encourage and strengthen you in your relationship with God. As you search the depths of God's Word, you will see just how beautiful the Scriptures are, and most of all, you will see the beauty of God Himself and come to love Him all the more.

The Book of Mysteries

Isralestine is a new neologism, which is used in multiple ways in this book to define, past, present and future geopolitical concepts pertaining to the Middle East conflict between the Arabs and the Israelis. Set to explode in the not so distant future, is a devastating war in the Middle East. The Jews will fight off Arab aggression and end terrorism once and for all! ISRALESTI≠ The Ancient Blueprints of the Future Middle East, boldly unveils significant Bible prophecy that has eluded the discernment of today's great scholars. Once upon a foretold time the Jewish people were to meet with a holocaust type condition, out from which they would return back to their ancient homeland of Israel. They would begin as refugees, but promptly emerge into an exceedingly great army. As per Psalm 83, destiny's design for this great army is a head to head confrontation with a formidable Arab confederacy consisting of Palestinians, Lebanese, Syrians, Jordanians, Saudi Arabians and Egyptians. This Arab coalition has been developing in its fledgling

stages since 1948 and will climax and officially confederate in the very near future. The Israeli Defense Force will decisively defeat this offensive and prove to be the “exceedingly great army” of Ezekiel 37:10. They will expand their territory, become regionally superior, take prisoners of war and exploit the resources of these conquered Arab nations. In that condition they will become one of, if not the wealthiest nations on earth. It is from that position of empowerment that the Jews will dwell securely in the Middle East. Subsequently the world stage is set for the Russian – Iranian led coalition of nations, which will form against Israel as prophesied in the book of Ezekiel, chapters 38 and 39. This non-fiction thriller is carefully designed to cautiously navigate the reader through the end time’s calendar.

Because the Time is Near

Proposes that the Middle East and the Islamic faith--rather than Europe and Christianity--will initiate the End of Times, discussing the connections between the Bible, current world events, the Koran, and the Antichrist.

The Truth about The Harbinger

Harbinger of the Storm

Based on over twenty years of research, radically open dialectical behavior therapy (RO DBT) is a breakthrough, transdiagnostic approach for helping people suffering from extremely difficult-to-treat emotional overcontrol (OC) disorders, such as anorexia nervosa, obsessive-compulsive disorder (OCD), and treatment-resistant depression. Written by the founder of RO DBT, Thomas Lynch, this comprehensive volume outlines the core theories of RO DBT, and provides a framework for implementing RO DBT in individual therapy. While traditional dialectical behavioral therapy (DBT) has shown tremendous success in treating people with emotion dysregulation, there have been few resources available for treating those with overcontrol disorders. OC has been linked to social isolation, aloof and distant relationships, cognitive rigidity, risk aversion, a strong need for structure, inhibited emotional expression, and hyper-perfectionism. And yet—perhaps due to the high value our society places on the capacity to delay gratification and inhibit public displays of destructive emotions and impulses—problems linked with OC have received little attention or been misunderstood. Indeed, people with OC are often considered highly successful by others, even as they suffer silently and alone. RO DBT is based on the premise that psychological well-being involves the confluence of three factors: receptivity, flexibility, and social-connectedness. RO DBT addresses each of these important factors, and is the first treatment in the world to prioritize social-signaling as the primary mechanism of change based on a transdiagnostic, neuroregulatory model linking the communicative function of human emotions to the establishment of social connectedness and well-being. As such, RO DBT is an invaluable resource for treating an array of disorders that center around overcontrol and a lack of social connectedness—such as anorexia nervosa, chronic depression, postpartum depression, treatment-resistant anxiety disorders, autism spectrum disorders, as well as personality disorders such as

avoidant, dependent, obsessive-compulsive, and paranoid personality disorder. Written for mental health professionals, professors, or simply those interested in behavioral health, this seminal book—along with its companion, *The Skills Training Manual for Radically Open Dialectical Behavior Therapy* (available separately)—provides everything you need to understand and implement this exciting new treatment in individual therapy—including theory, history, research, ongoing studies, clinical examples, and future directions.

The Truth Behind Ghosts, Mediums, and Psychic Phenomena

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

Unleashing the Beast

New York Times Bestseller An exciting--and encouraging--exploration of creativity from the author of *When: The Scientific Secrets of Perfect Timing* The future belongs to a different kind of person with a different kind of mind: artists, inventors, storytellers--creative and holistic "right-brain" thinkers whose abilities mark the fault line between who gets ahead and who doesn't. Drawing on research from around the world, Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*) outlines the six fundamentally human abilities that are absolute essentials for professional success and personal fulfillment--and reveals how to master them. *A Whole New Mind* takes readers to a daring new place, and a provocative and necessary new way of thinking about a future that's already here.

Hebrew Word Study

From the Wall Street Journal bestselling author of the *Kingfountain Series* comes the first novel in a bold and richly imagined world. There is a world of opposites. The privileged live in sky manors held aloft by a secretive magic known only as the *Mysteries*. Below, the earthbound poor are forced into factory work to maintain the engine of commerce. Only the wealthy can afford to learn the *Mysteries*, and they use their knowledge to further lock their hold on society. Cettie Pratt is a waif

doomed to the world below, until an admiral attempts to adopt her. But in her new home in the clouds, not everyone treats her as one of the family. Sera Fitzempress is a princess born into power. She yearns to meet the orphan girl she has heard so much about, but her father deems the girl unworthy of his daughter's curiosity. Neither girl feels that she belongs. Each seeks to break free of imposed rules. Now, as Cettie dreams of living above and as Sera is drawn to the world below, they will follow the paths of their own choosing. But both girls will be needed for the coming storm that threatens to overturn both their worlds.

Agents of Babylon

A companion to "The Harbinger" answers questions raised by the text and delves into the mysteries it reveals, in a work that can be used for individual study, Bible studies and small groups, and congregational teaching.

The Harbinger II

Ethan is a story of choices, love, redemption and forgiveness. It begins one night when Ethan , a vampire; sees Katrina Childers coming out of a coffee shop. It was a sighting that would change their lives forever. Please be warned!! The story deals with a subject matter that is both very adult and sensitive in nature. This is not a book for young children or young teenagers.

Chance

In The Harbinger: Fact or Fiction? author David James exhaustively documents and responds to the serious flaws found throughout the New York Times best-seller from Charisma Media, The Harbinger. Messianic rabbi Jonathan Cahn believes he has discovered an "ancient mystery" in Isaiah 9:10 that "explains everything from 9/11 to the collapse of the global economy." As Cahn states at the beginning of his book "What you are about to read is presented in the form of a story, but what is contained within the story is real." Many have accepted Cahn's message as being genuinely from God. However, David James has clearly demonstrated that The Harbinger falls far short of meeting the biblical requirements for such a message from God, being based on the mishandling of Scripture, faulty theology, misleading statements, the selective use of historical facts, and unsupported speculation.

New York Times Best Seller! 1500 5-Star Reviews! From the author that brought you NEW YORK TIMES best selling books The Harbinger, The Mystery of the Shemitah, and The Paradigm selling over 3 MILLION copies Imagine if you discovered a treasure chest in which were hidden ancient mysteries, revelations from heaven, secrets of the ages, the answers to man's most enduring, age-old questions, and the hidden keys that can transform your life to joy, success, and blessing...This is The Book of Mysteries.

It's Supernatural

In his #1 New York Times bestseller *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much-anticipated follow-up, *Agents of Babylon*, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams apply to our lives today. Written in the same highly engaging half dramatization, half Bible teaching format as *Agents of the Apocalypse*, *Agents of Babylon* is not only an in-depth exploration of the characters and prophecies contained in the book of Daniel but also a dramatic retelling of Scripture that is sure to bring ancient prophecy to light like never before.

Radically Open Dialectical Behavior Therapy

There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news. We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. How do we explain so much chaos? How do we live with such turmoil? And is there any hope for peace in our time? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. And in *Escape the Coming Night*, Dr. Jeremiah walks through the perfect Scripture for these uncertain times: The Book of Revelation. In Dr. Jeremiah's hands, this exploration of Revelation is shocking and eye-opening, but also consistently uplifting—and a vital message for our time.

The Day Approaching

God and Hamilton explores the spiritual nature of Alexander Hamilton's story. The creative intersection of Hamilton's story, the story of Scripture, and the story of our lives will spur imagination and give birth to hope. Ultimately, readers will be challenged to transform their lives as a response to this deeply spiritual story.

A Whole New Mind

Overcomer Bible Study Book includes content for five sessions, personal study between group sessions, applicable Scripture, "How to Use This Study," and tips for leading a group. Many people feel they are less than who God says they are. We get our identity from our careers, our political positions, our roles in the family, and a number of other lesser things. However, what is most true about us is that we are made by a God who loves us, and the gospel can bring us into a relationship with Him. When we understand who God is, we more fully understand who we are. This small group study uses clips from the film *Overcomer* to examine how we determine our identity and how we can find our true identity in Christ. Session topics: 1. Who Are You? 2. You Are Broken 3. You Are Chosen 4. You Surrender 5. You Declare Features: - Five small-group sessions - Personal-study opportunities for ongoing spiritual growth Benefits: - Learn to define yourself as the Creator defines you. - Understand that false identity comes from your brokenness. - Trust what Christ accomplished to make you new. - Find certainty and purpose in the Lord. - Recognize ways you are finding your identity in something other than Christ. - Reclaim the good purpose God has for your life. - Learn what it means to be broken

by sin. - Study the lives of Moses, Gideon, Jonah, Jeremiah, Elisha, Paul, and other biblical figures to learn how their relationships with God defined their identities.

War Room

Are you ready to be the person you want to be? If you have adult attention deficit/hyperactivity disorder (ADHD), accomplishing everyday tasks like paying bills, getting to a meeting on time, or simply buying groceries can be extremely difficult. At the end of the day, you may feel frustrated and unfocused, and life may seem unmanageable. So, how can you move past the constant forgetfulness, recurring mistakes, disorganization, distractibility, and restlessness that keep you from being your very best? Transforming ADHD offers a breakthrough, scientifically-grounded approach to attention and action regulation skills and strategies. Looking at ADHD through the latest research and the broad perspective of interpersonal neurobiology (IPNB)--a model that views one's mind, brain, body, and relationships as intimately connected--you'll discover how to work with your brain instead of against it, and transform the way you live your life. Using the practical exercises, tools, and techniques presented, you'll learn how to effectively direct your attention and motivate yourself to action so you can move toward the life you want.

The Wormwood Prophecy

Some years ago it was my privilege to enjoy the acquaintance of Miss Frances Rolleston, of Keswick, and to carry on a correspondence with her with respect to her work, Mazzaroth: or, the Constellations. She was the first to create an interest in this important subject. Since then Dr. Seiss, of Philadelphia, has endeavoured to popularize her work on the other side of the Atlantic; and brief references have been made to the subject in such books as Moses and Geology, by Dr. Kinns, and in Primeval Man; but it was felt, for many reasons, that it was desirable to make another effort to set forth, in a more complete form, the witness of the stars to prophetic truth, so necessary in these last days. To the late Miss Rolleston, however, belongs the honour of collecting a mass of information bearing on this subject; but, published as it was, chiefly in the form of notes, unarranged and unindexed, it was suited only for, but was most valuable to, the student. She it was who performed the drudgery of collecting the facts presented by Albumazer, the Arab astronomer to the Caliphs of Grenada, 850 a.d.; and the Tables drawn up by Ulugh Beigh, the Tartar prince and astronomer, about 1650 a.d., who gives the Arabian Astronomy as it had come down from the earliest times. Modern astronomers have preserved, and still have in common use, the ancient names of over a hundred of the principal stars which have been handed down; but now these names are used merely as a convenience, and without any reference to their significance. This work is an attempt to popularize this ancient information, and to use it in the interests of truth. For the ancient astronomical facts and the names, with their signification, I am, from the very nature of the case, indebted, of course, to all who have preserved, collected, and handed them down; but for their interpretation I am alone responsible. It is for the readers to judge how far my conclusions are borne out by the evidence; and how far the foundation of our hopes of coming glory are strengthened by the prophecies which have been written in the stars of heaven, as well as in the Scriptures of truth.

Giants, Fallen Angels, and the Return of the Nephilim

New York Times and USA Today Best Seller! Discover the amazing secret of the ages and the mystery of your life! The Oracle will reveal the mystery behind everything the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers The Harbinger, The Mystery of the Shemitah, The Book of Mysteries, and The Paradigm, now unveils The Oracle, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of The Stranger, The Lost City, The Man With the Measuring Line, The Land of Seven Wells, The Birds, The Number of the End, The Man in the Black Robe, The Prophet's Song, The Matrix of Years, The Day of the Lions, The Awakening of the Dragon, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with The Harbinger and The Book of Mysteries, Cahn reveals the mysteries through a narrative. A traveler is

given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors-the ancient secrets that lie behind the world-changing events of modern times-and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, The Oracle will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. The Harbinger

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Answers to the questions that people are asking about The Harbinger From its initial release, The Harbinger by Jonathan Cahn has become a national phenomenon, hailed by readers, pastors, and American leaders alike and described as "amazing," "stunning," and "mind-blowing." The Harbinger reveals an ancient biblical mystery and the danger of judgment America faces as it departs ever further from God. But with such popularity comes inevitable questions and discussion. In The Truth About "The Harbinger," Jose Bernal investigates the facts behind this New York Times best-selling book to reveal:

- The biblical foundation and truth behind The Harbinger's message
- Common misperceptions about what The Harbinger is and is not saying
- How some critics have sought to redefine its narrative
- How the prophetic patterns described are actually coming to pass

With a strong biblical foundation, in-depth analysis of each point and issue, and a look at the book's phenomenon and impact, including the lives changed by its message, The Truth About "The Harbinger" will encourage you to pray for America and stand for the truth.

The Untethered Soul (EasyRead Super Large 24pt Edition)

The study of law and politics is one of the foundation stones of the discipline of political science, and it has been one of the most productive areas of cross-fertilization between the various subfields of political science and between political science and other cognate disciplines. This Handbook provides a comprehensive survey of the field of law and politics in all its diversity, ranging from such traditional subjects as theories of jurisprudence, constitutionalism, judicial politics and law-and-society to such re-emerging subjects as comparative judicial politics, international law, and democratization. The Oxford Handbook of Law and Politics gathers together leading scholars in the field to assess key literatures shaping the discipline today and to help set the direction of research in the decade ahead.

Does the Bible predict an asteroid or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it. But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. **FEATURES AND BENEFITS:** Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense. Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts.

Escape the Coming Night

Are You Noticing the Signs of the Times? In the Bible, Jesus spoke about the signs that would make it clear His return is near. What are those signs? And are they evident today? As a Jewish native Israeli who is a Christian, Amir Tsarfati has a distinct perspective that weaves biblical history, current events, and Bible prophecy together to shine light on the mysteries about the end times. From his vantage point in the Middle East and through careful Bible study, Amir points to evidence that informs us the return of the Lord is imminent. In *The Day Approaching*, you will learn... God's plans for the world, Israel, the church, and you that the signs of Christ's return are visible all around us about the smoke screen of deception that will lure people away from truth how even now God is revealing Himself to people and changing their hearts of the wonders that await us in Jesus' future millennial kingdom. As you seek hope and clarity about earth's final days, let the Bible alone be the resource you turn to for answers.

The Harbinger Companion with Study Guide

The ancient Hebrew prophet Daniel lived in the fifth century BC and accurately predicted the history of the nation of Israel from 536 BC to AD 1948. He also predicted the date of the death of the Messiah to occur in AD 32, the date of the rebirth of the nation of Israel to occur in AD 1948, and the Israeli capture of the Temple Mount to take place in AD 1967! Commentary from the ancient rabbis and the first century church reveals how the messianic rabbis and the disciples of the apostles interpreted his prophecies. Daniel also indicated where the Antichrist would come from, where he would place his international headquarters, and identified the three rebel nations that will attack him during the first three-and-a-

half years of the Tribulation. Brought to you by Biblefacts Ministries, Biblefacts.org

The Anatomy of Peace

What in the World Is Going On? There is an unsettling mood hanging like storm clouds over North America. Why is there so much upheaval on so many levels? Where is America moving, and where is the world heading? Who will emerge from among the sea of nations as the survivor and the leader? In times of uncertainty, you want to know that things are under control and happening as planned. In *Unleashing the Beast*, Perry Stone demonstrates how biblical prophecies are playing out on the world stage today. In this informative and prophetically stirring book, you will discover That biblical prophecies and Islamic traditions both point to the rise of a coming kingdom and a global dictator who will seize the world The role that current global concerns have in setting the stage for these End Time events to unfold That God is, and always has been, in control in the midst of it all

Israelestine

In this sequel to *The harbinger*, the reader witnesses the return of Nouriel, Ana Goren, and the mysterious figure known as 'the prophet.'

Radically open dialectical behavior therapy (RO DBT) is a groundbreaking, transdiagnostic treatment model for clients with difficult-to-treat overcontrol (OC) disorders, such as anorexia nervosa, chronic depression, and obsessive-compulsive disorder (OCD). Written by the founder of RO DBT, Thomas Lynch, this is the first and only session-by-session training manual to help you implement this evidence-based therapy in your practice. As a clinician, you're familiar with dialectical behavioral therapy (DBT) and its success in treating clients with emotion dysregulation disorders. But what about clients with overcontrol disorders? OC has been linked to social isolation, aloof and distant relationships, cognitive rigidity, risk aversion, a strong need for structure, inhibited emotional expression, and hyper-perfectionism. And yet—perhaps due to the high value our society places on the capacity to delay gratification and inhibit public displays of destructive emotions and impulses—problems linked with OC have received little attention or been misunderstood. Indeed, people with OC are often considered highly successful by others, even as they suffer silently and alone. RO DBT is based on the premise that psychological well-being involves the confluence of three factors: receptivity, flexibility, and social-connectedness. RO DBT addresses each of these important factors, and is the first treatment in the world to prioritize social-signaling as the primary mechanism of change based on a transdiagnostic, neuroregulatory model linking the communicative function of human emotions to the establishment of social connectedness and well-being. As such, RO DBT is an invaluable resource for treating an array of disorders that center around overcontrol and a lack of social connectedness—such as anorexia nervosa, chronic depression, postpartum depression, treatment-resistant anxiety disorders, autism spectrum disorders, as well as personality disorders such as avoidant, dependent, obsessive-compulsive, and paranoid personality disorder. In this training manual,

you'll find an outline of RO DBT, including history, research, and how it differs from traditional DBT. You'll also find a session-by-session RO DBT outpatient treatment protocol, with sections that outline the weekly, one-hour individual therapy sessions and weekly two-and-a-half hour skills training classes that occur over a period of approximately thirty weeks. This includes instructor guidelines and user-friendly worksheets. The feasibility, acceptability, and efficacy of RO DBT is evidence-based and informed by over twenty years of translational treatment development research. This important manual—along with its companion book, *Radically Open Dialectical Behavior Therapy* (available separately), distills the essential components of RO DBT into a workable program you can start using right away to improve treatment outcomes for clients suffering with OC.

The Mystery of the Shemithah Updated Edition

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

The Oracle

The second book in the critically acclaimed *Obsidian and Blood* trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons--and to the return of their creator, a malevolent goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. **REVIEWS:** 'Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most

powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.' —Publishers Weekly 'Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can't fault this book at all and recommend it to one and all but if you haven't yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won't be disappointed.' —SF Book Reviews 'Bodard's writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds beautiful, grimy, breathtaking, and morbid. 5*' —Examiner 'Aliette de Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.' —Cybermage
