I have sixty days to make this maverick billionaire fall in love... with somebody else! Jack Callahan has the hottest smile in tech. And as for his ass...ets - well, there's a reason he's the biggest playboy in town. But thanks to douche-bro investors and my snake of a college nemesis (don't ask), he's also my last shot to take my new dating app from kick-ass idea to world-conquering, million-dollar reality. There's just one problem: he doesn't believe you can make a program for love. With my future on the line, I set him a challenge: if I can use the app to find his soulmate, he'll invest in my company. Simple, right? Wrong. It turns out, Jack's cocky attitude pushes my buttons - in all the sexiest, most infuriating ways. My research tells me he's the absolute worst guy in the world for me... so why can't I keep my hands off him? And with my deadline approaching fast, how will I choose between my big break - or a broken heart? Find out in the latest laugh-out-loud romantic comedy from Lila Monroe! Lucky in Love series: 1. Get Lucky 2. Bet Me 3. Lovestruck 4. Mr Right Now 5. Perfect Match 6. Christmas with the Billionaire "I laughed my ass off. Let me know if you find it. The Last Laugh

Gordon is a poor black man in America. While he doesn't exactly have a clean slate, he isn't bad enough to be chased down and arrested by the police- but it still happens. Two hours later, he dies in the police car, driven by two white officers, one of who has an immense hatred for black people. Gordon's death is ruled an accident. Police officer Anthony supports white supremacy. He believes black people should be slaves to the white man, so he feels no guilt when Gordon dies, even though he knows it wasn't an accident. Gordon was murdered. His death is questioned all over the United States, but there is no justice since the police department suppresses the truth. Instead of receiving hate, Anthony is greeted with love and called a hero. It appears he has gotten away with his crime. He concealed the truth from society but will he be able to conceal the truth from his own conscience? Due to his actions, Anthony's soul is irrevocably bruised.

Hitchcock's Romantic Irony

A new, laugh out loud romantic comedy series from USA Today bestselling author Christine Zolendz. Breaking up is hard to do Still reeling from grief, Jane Nash is hellbent on forgetting her losses and moving on. But right now, yearning for Dex is the last of her worries. Karma has a new plan for Jane, and she can't

She's played by the rules and never stepped outside her box, and now she will finally be rewarded with everything she always dreamed of: a job promotion, a fiance, and a future she can count on. But when her perfectly planned world falls apart, Emily is plunged into the wildest year of her life. From the beaches of California to Jamaica, New York, and Europe, Emily finds herself on a madcap race against time, running from an unscrupulous organ broker who wants her dead, all the while checking items off her unusual bucket list. On top of it all, she's falling in love with the most unlikely person, a man who can never return her feelings . . . but will his friendship be enough? Confronting one hilarious misadventure after another, Emily finally learns who she really is and how to seize the day . . .

The Slings & Arrows Comic Guide

The rollicking and often poignant adventures of a family, hell-bent on discovering what lies just over the horizon and willing to walk, ride, paddle, and crawl to get there. From the Outer Banks to the wild Pacific Rim, from the Canadian Rockies to the Gulf of Mexico—few areas of the continent have been spared the footprints, tent stakes, and occasional trespasses of these intrepid travelers. Blizzards, bears, angry moose, and tippy canoes were their lifetime companions, and they stared them all down with the appropriate degree of terror and ineptitude. These adventures take the reader on a journey across

country as well as a journey through time. As the miles and years slip by, the travelers were reduced to three—the author and his wife and their loyal dog, Sophie. Now it was time to travel more slowly, to paddle quietly through canoe country and ponder the meaning of life, death and the unknown, destinations still beckoning beyond the horizon.

Few books have made so great an impact, political or literary, as Erich Maria Remarque's *All Quiet on the Western Front*, the most famous of all anti-war novels. Startling in its realism, intensely moving in its humanity, banned and burned in Germany by the Nazis, it was an international publishing sensation that has never been equalled and has remained a worldwide bestseller for more than seventy years. But who was Remarque? While the title of his masterpiece has entered the language as a catchphrase, the name of the author is virtually unknown. In this first British biography, Hilton Tims peels away the veil of

File Type PDF The Last Laugh A Romantic Comedy That Will Make You Laugh And Cry

anonymity Remarque wove to protect his privacy, to reveal a man whose life was one of the most romantic and anguished of the twentieth century. Remarque was a self made-man - born into a poor family, he moulded himself into a connoisseur of art whose collection became one of the finest in Europe, and an author whose novels brought him wealth, fame and vast readership. He was also the lover of some of the world's most desirable women. At the core of his life was a long-lasting affair with Marlene Dietrich who helped him to flee from the Nazis as Europe went to war. Arch of Triumph, the bestseller he wrote while a stateless émigré in Hollywood, was inspired by the ecstasy and torment Dietrich caused him. Other lovers included Greta Garbo, Dolores del Rio, Maureen O'Sullivan (the 'Jane' of the Tarzan films), the tragic Lupe Velez, the double Oscar winner Luise Rainer, and Paulette Goddard, who became his second wife. Behind the glamour he was a troubled man, haunted by the political fall-out from his famous book, an embittered exile from the Germany he loved, tortured by the infidelities of his first wife, and by the fate of his favourite sister who paid a terrible price in his name at the hands of the Nazis. In Germany, the country that reviled him for most of his life, Remarque is today acclaimed as a literary giant. The rest of the world has forgotten him. Hilton Tims has succeeded in creating a potent and fascinating reminder.

A magician's assistant must trick her heart if she is ever to find true magic. Natalie Trucco has put the past behind her—way behind. For the last nine years she's flown under the Wiccan radar, doing the only thing she knows: using her power as a magician's assistant. She and her aging partner have criss-crossed the country, careful never to linger too long or step too far into the limelight. But as her friend and mentor approaches the end of his life, he has one final wish: to return to the Las Vegas Strip. Magus Corps officer Matteo Monti has been searching for the one true love of his life since the fateful day she disappeared. Even amidst the horrific circumstances of her departure, their whirlwind romance still shines. But he couldn't be more stunned when she returns to the very place it all began. Her Warlock Protector books are standalone novels (with an HEA) that can be read in any order.

for her daughter, In May 1819 Lady Forthingdale writes to an old friend, the Countess of Sheldon in London and asks if she will have her Godchild Anthea to stay for the rest of the London Season. The Countess is delighted to have Anthea as her guest because otherwise her husband wishes her to leave for the country. How Anthea meets the handsome Duke of Axminster in her Godmother's house, how he appears bored and contemptuous with her when they dance at Almack's, how Anthea caricatures the Duke with far-reaching and dramatic results and how she learns never to laugh at love, is told in this 182nd book by Barbara Cartland.

The papers in this book examine the thematic, structural and aesthetic relationship between medieval English literature and a wide variety of more recent modern texts. Some of the contributors re-examine the concepts of authority and representation in Chrétien and Malory and of medieval romance and the modern novel, while Caxton's *Morte Darthur* is interpreted from the point of view of Norbert Elias; other focuses of interest are the love-death motif in nineteenth-century novels, the comic in contemporary British fiction, the literary representations of Arthurian characters (Galahad, Tristan, Gawain), and recent *Beowulf* translations. In addition, there are socio-historic and generic readings of Chaucer's *Sir Thopas* and of *Troilus and Criseyde*, of *Ipomadon* and Malory's *Morte Darthur*. Aspects of medieval heritage are uncovered in Horace Walpole, Fürst Pückler-Muskau,

Georg Kaiser, A. S. Byatt, David Lodge, Fay Weldon, Iris Murdoch, the Irish novelist Eamonn Sweeney and the Polish writer Andrzej Sapkowski, in William Gibson's cyberpunk novel *Neuromancer* and Peter Ackroyd's recent *Clerkenwell Tales*. In addition, there is a translation of Karl Heinz Göller's former essay on Chancer's *Troilus and Criseyde*.

'A charming story' Lucy Coleman, bestselling author of *Summer in Provence* 'Full of warmth' Maggie Conway Sometimes the best holidays are the ones you least expect After a long and turbulent year, Sarah is dreaming of the five-star getaway her sister has booked them on. White sands, cocktails, massages, the Caribbean is calling to them. But the sisters turn up to tatty beaches, basic wooden shacks, a compost toilet and outdoor cold water showers. It turns out that at the last minute Amy decided a conservation project would be much more fun than a luxury resort. So now Sarah's battling mosquitos, trying to stomach fish soup and praying for a swift escape. Life on a desert island though isn't all doom and gloom. They're at one with nature, learning about each other and making new friends. And Sarah is distracted by the dishy, yet incredibly moody, island leader she's sure is hiding a secret. Is Hitchcock a superficial, though brilliant, entertainer or a moralist? Do his films celebrate the ideal of romantic love or subvert it? In a new interpretation of the director's work, Richard Allen argues that Hitchcock orchestrates the narrative and stylistic idioms of popular cinema to at once celebrate and subvert the ideal of romance and to forge a distinctive worldview—the amoral outlook of the romantic ironist or aesthete. He describes in detail how Hitchcock's characteristic tone is achieved through a titillating combination of suspense and black humor that subverts the moral framework of the romantic thriller, and a meticulous approach to visual style that articulates the lure of human perversity even as the ideal of romance is being deliriously affirmed. Discussing more than thirty films from the director's English and American periods, Allen explores the filmmaker's adoption of the idioms of late romanticism, his orchestration of narrative point of view and suspense, and his distinctive visual strategies of aestheticism and expressionism and

William Carlos Williams and Romantic Idealism

It was the toothpaste smeared around the sink that broke my marriage. As I rubbed it away AGAIN, I was reminded of everything else I've put up with these twenty-five years. My husband's obsession with his pension, his ability to charm me into every single one of his ideas, never being taken on a romantic date, let alone ravished on the patio (like the woman who lives next door)... small things, but the realisation was huge. Just when Lucy Jones thinks her marriage is about to screech to a halt over toothpaste, her husband, Leo, announces he wants to move to

tumbledown (clapped-out) Rose Cottage, and Lucy knows she'll be the one managing the renovations. Then along comes gorgeous builder Will, ten years younger and the only person actually listening to Lucy. His twinkly eyes and blowtorch smile are causing Lucy to break out in a hot sweat - but is it love, lust or simply dodgy hormones that are causing her heart to flutter? Lucy loves her husband, but everyone knows that little things build up. And then they explode. Can Lucy keep it together, or will there be one last straw she might not be able to get over? A laugh-out-loud romp with an ending that will make you gasp! Perfect for fans of Tracy Bloom, Sophie Kinsella and Dawn French. What readers are saying about Lucy's Last Straw: 'My favourite book this year... had me literally LAUGHING OUT LOUD... This book had me laughing, crying and rooting for Lucy on all the way. Jane Austen's worldwide popularity is not least due to the remaking of her novels for the visual media. Of the fifty-odd Austen related productions since 1938, forty-three of them adapt her novels to the various screens of cinema, television, computer and tablet. However, her attraction for film-makers is undoubtedly promoted by her own qualities. As a novelist, Jane Austen has been particularly recognized for her ironic voice, which dominates all her stories and gives the readers a peculiar perspective on her world. Do film-makers want this, and if so, how do they transmit her attitude of amused distance? In the present book, Marie N. Sørbo investigates the function and targets of irony in two novels and seven films. *Irony and Idyll* is the first book-length study of Austen's irony since 1952, and the only comparative analysis of all the available screen adaptations of

Pride and Prejudice and Mansfield Park. On the bicentenary of their publication, these novels continue to influence modern culture. Marie Nedregotten Sørnbø has taught English literature at Volda University College, Norway, for many years, including courses on film and fiction. For her doctoral degree she wrote a dissertation on the reception of Jane Austen on screen. Sørnbø has contributed the Norwegian chapters to the volumes on The Reception of Jane Austen in Europe (2007) and The Reception of George Eliot in Europe (forthcoming, 2015). She was part of the leadership of the European COST Action “Women Writers in History” (2009-13), and is a Principal Investigator in the HERA funded project “Travelling Texts 1790-1914: The Transnational Reception of Women’s Writing at the Fringes of Europe” (2013-16).

"From Richard Zacks, bestselling author of *The Pirate Hunter* and *Island of Vice*, a rich and lively account of Mark Twain's late-life adventures abroad. In 1895, at age sixty, Mark Twain was dead broke and miserable--his recent novels had been critical and commercial failures, and he was bankrupted by his inexplicable decision to run a publishing company. His wife made him promise to pay every debt back in full, so Twain embarked on an around-the-world comedy lecture tour that would take him from the dusty small towns of the American West to the faraway lands of India, South Africa, Australia, and beyond. Richard Zacks' rich and entertaining narrative provides a portrait of Twain as complicated, vibrant individual, and showcases the biting wit and skeptical observation that made him one of the greatest of all American writers. Twain remained abroad for five years, a time of struggle and wild experiences -- and ultimately redemption, as he rediscovered his voice as a writer and humorist, and returned, wiser and celebrated. As he said in his famous reply to an article about his demise, "the report of my death is an exaggeration." Weaving together a trove of sources, including newspaper accounts, correspondence, and unpublished material from Berkeley's ongoing Twain Project, Zacks chronicles a chapter of Twain's life as complex as the author himself, full of foolishness and bad choices, but also humor, self-discovery, and triumph"--
