### Tunneling to the Center of the Earth

#### Unearthing Atlantis:

Lost Books of the Bible For Dummies is your one-stop guide to once-hidden works that add a new dimension to Biblical teachings. Most people have heard about the discovery of strange ancient religious writings that are not part the Hebrew Bible or the New Testament, such as the Gnostic Gospels. Now, you will find new insights and a fresh perspective on long-lost works that may have once been in the running for Biblical inclusion, but didn't make the final cut. This easy-to-understand guide examines the sometimes weird, provocative, and profoundly moving texts that have been "lost" as well as those hotly debated works that are in some Bibles and not others. You will come away with a clearer understanding of the Judeo-Christian religion and the development of the Biblical canon. You'll learn about the origins of the Bible, explore early scriptures, and understand why translations affect the meanings of texts. You'll even learn how the Greek influenced early Biblical writing. Find out how to: Explain what the term "lost books" means Understand the definition of "canon" Take translation differences into consideration Divide early writings into style categories Take another look at scripture with the Dead Sea Scrolls See how the Greeks influenced early scripture Decode apocalyptic visions Complete with a list of ten of the weirdest Jewish lost books, ten of the weirdest Christian lost books, ten sayings of Jesus NOT in the Bible, and ten "lost books that every student of the Bible should read, Lost Books of the Bible For Dummies is your one-stop guide to understanding and reading the Biblical lost books.

#### Lost Odyssey

To save the world and our future, Sigma Force must embark on a dangerous odyssey into an ancient past whose horrors are all too present in this page-turning thriller from #1 New York Times bestselling author James Rollins that combines cutting-edge science, historical mystery, mythology, and pulse-pounding action. For eons, the city of Troy—whose legendary fall was detailed in Homer’s Iliad—was believed to be myth, until archaeologists in the nineteenth century uncovered its ancient walls buried beneath the sands. If Troy was real, how much of Homer’s twin tales of gods and monsters, curses and miracles—The Iliad and The Odyssey—could also be true and awaiting discovery? In the frozen tundra of Greenland, a group of modern-day researchers stumble on a shocking find: a medieval ship buried a half-mile below the ice. The ship’s hold contains a collection of even older artifacts—tools of war—dating back to the Bronze Age. Inside the captain’s cabin is a magnificent treasure that is as priceless as it is miraculous: a clockwork gold map imbedded with an intricate silver astrolabe. The mechanism was crafted by a group of Muslim inventors—the Banū Mūsā brothers—considered by many to be the Da Vincis of the Arab world—brilliant scientists who inspired Leonardo’s own work. Once activated, the moving map traces the path of Odysseus’s famous ship as it sailed away from Troy. But the route detours as the map opens to reveal a fiery river leading to a hidden realm underneath the Mediterranean Sea. It is the subterranean world of Tartarus, the Greek name for Hell. In mythology, Tartarus was where the wicked were punished and the monstrous Titans of old, imprisoned. When word of Tartarus spreads—and of the cache of miraculous weapons said to be hidden there—tensions explode in this volatile region where Turks battle Kurds, terrorists wage war, and civilians suffer untold horrors. The phantasmagoric horrors found in Homer’s tales are all too real—and could be unleashed upon the world. Whoever possesses them can use their awesome power to control the future of humanity. Now, Sigma Force must go where humans fear to tread. To prevent a tyrant from igniting a global war, they must cross the very gates of Hell.

### **The Lost Books of the Odyssey**

A facsimile edition of the tattered notebooks of the Unknown Adventurer, this love letter to the wild details everything you need to know about how to live and thrive in nature, from the principles of treehouse building to wilderness first aid. If you are reading this, it means my notebooks have been found. I am leaving them here at camp for safekeeping along with a few other belongings that I won’t be taking with me. The notebooks are a lifetime’s worth of knowledge, which I’m passing on to you. So reads an excerpt from the weatherworn letter discovered by nature enthusiast Teddy Keen on a recent trip to the Amazon, along with sketchbooks filled with details of extraordinary adventures and escapades, expedition advice, and survival methods, annotated with captivating colored-pencil drawings. It is thought that the sketchbooks were created for two young relatives of the author. Drawing on Teddy’s knowledge of the outdoors, the pages of the sketchbooks have been carefully transcribed for young readers, as they were originally intended. You’ll be transported by riveting adventure tales from around the globe, like being dragged off by a hyena in Botswana, surviving a Saharan dust storm, being woken by an intrepid emperor penguin in Antarctica, and coming face-to-face with a venomous bushmaster (one of the most dangerous

snakes on the planet)—all told in lyrical prose and illustrations that wonder at the mysterious beauty of the wild. Having inspired the adventurous spirit in you, the Unknown Adventurer encourages you to set out on your own adventure with information on wild camping, rafting, exploration, and shelters and dens, plus tips on first aid and tying knots. Expert instructions on wilderness basics, like building a fire, what to do if you get lost, and how to build various types of shelters are accompanied by more specific skills culled from many years of experience, like baking campfire bread, creating a toothbrush from a twig, making a suture from soldier ants, and even how to pan for gold. Find your way back to your primal self with the immersive text and glorious color artwork of this one-of-a-kind adventure book. REMEMBER: be good, be adventurous...and look after your parents.

### **Infinite Jest**

The Trojan War is over, but now Odysseus has to find his way home to Ithaca . . . and in typical fashion, he's angered Poseidon enough that the sea-god has decided to make his journey miserable (if not impossible). But Hades has a soft spot for the long-gone warrior, so even if he's sworn to Poseidon he won't help Odysseus directly, he might be able to pull a few strings . . .

### **An Odyssey**

### **Ulysses**

A timeless and inspiring gift for Father's Day. Named a Best Book of 2017 by NPR, Library Journal, The Christian Science Monitor, and Newsday A Kirkus Best Memoir of 2017 Shortlisted for the 2017 Baillie Gifford Prize From award-winning memoirist and critic, and bestselling author of *The Lost*: a deeply moving tale of a father and son's transformative journey in reading--and reliving--Homer's epic masterpiece. When eighty-one-year-old Jay Mendelsohn decides to enroll in the undergraduate Odyssey seminar his son teaches at Bard College, the two find themselves on an adventure as profoundly emotional as it is intellectual. For Jay, a retired research scientist who sees the world through a mathematician's unforgiving eyes, this return to the classroom is his "one last chance" to learn the great literature he'd neglected in his youth--and, even more, a final opportunity to more fully understand his son, a writer and classicist. But through the sometimes uncomfortable months that the two men explore Homer's great work together--first in the classroom, where Jay persistently challenges his son's interpretations, and then during a surprise-filled Mediterranean journey retracing Odysseus's famous voyages--it becomes clear that Daniel has much to learn, too: Jay's responses to both the text and the travels gradually uncover long-buried secrets that allow the son to understand his difficult father at last. As this intricately woven memoir

builds to its wrenching climax, Mendelsohn's narrative comes to echo the Odyssey itself, with its timeless themes of deception and recognition, marriage and children, the pleasures of travel and the meaning of home. Rich with literary and emotional insight, An Odyssey is a renowned author-scholar's most triumphant entwining yet of personal narrative and literary exploration.

## **Get Lost, Odysseus**

A graphic recounting of explorer Ernest Shackleton's ambitious journey to Antarctica dramatically illuminates the unprecedented expedition that cost many of his companions their lives. By the best-selling illustrator of Houdini: The Handcuff King. Original.

## **The Lost Worlds of 2001**

Memoirs of a Jew born in 1929 in Jánoshalma, Hungary, to a hasidic family. Pt. 1 (pp. 17-126) relates his experiences in the Holocaust. In May 1944 he, his parents, and most of his ten siblings were sent to the Bácsalmás ghetto and then to Auschwitz. In August he and his father were transferred to the nearby Golleschau labor camp. His father was sent back to Auschwitz, where he perished. In January 1945 Klein was taken on a death transport. He and two car-loads of prisoners were saved by Oskar Schindler, who redirected the cars to Brünnlitz. Of his entire family, only he and two sisters survived. After the war he settled in the USA.

## **Lost Books of the Bible For Dummies**

In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times

## **Lost Children Archive**

A riveting, beautifully written, fugue-like novel of AIs, memory, violence, and mortality. Not far in the future the seas have risen and the central latitudes are emptying, but it's still a good time to be rich in San Francisco, where weapons drones patrol the skies to keep out the multitudinous poor. Irina isn't rich, not quite, but she does have an artificial memory that gives her perfect recall and lets her act as a medium between her various employers and their AIs, which are complex to the point of opacity. It's a good gig, paying enough for the annual visits to the Mayo Clinic that keep her from aging. Kern has no such access; he's one of the many refugees in the sprawling drone-built favelas on the city's periphery, where he lives like a monk, training relentlessly in martial arts, scraping by as a thief and an enforcer. Thales is from a different world entirely—the mathematically inclined scion of a Brazilian political clan, he's fled to L.A. after the attack that left him crippled and his father dead. A ragged stranger accosts Thales and demands to know how much he can remember. Kern flees for his life after robbing the wrong mark. Irina finds a secret in the reflection of a laptop's screen in her employer's eyeglasses. None are safe as they're pushed together by subtle forces that stay just out of sight. Vivid, tumultuous, and propulsive, *Void Star* is Zachary Mason's mind-bending follow-up to his bestselling debut, *The Lost Books of the Odyssey*.

### **Black Horse Odyssey**

FINALIST FOR THE 2019 KIRKUS PRIZE FOR FICTION FINALIST FOR THE 2020 ANDREW CARNEGIE MEDAL LONGLISTED FOR THE 2019 BOOKER PRIZE LONGLISTED FOR THE 2020 ASPEN WORDS LITERARY PRIZE ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR ONE OF THE BEST BOOKS OF THE YEAR: THE WASHINGTON POST \* TIME MAGAZINE \* NPR \* CHICAGO TRIBUNE \* GQ \* O, THE OPRAH MAGAZINE \* THE GUARDIAN \* THE DALLAS MORNING NEWS \* LIT HUB \* KIRKUS REVIEWS \* THE NEW YORK PUBLIC LIBRARY In Valeria Luiselli's fiercely imaginative novel, a mother and father set out with their two children, a boy and a girl, driving from New York to Arizona in the heat of summer. As the family travels west, through Virginia to Tennessee, across Oklahoma and Texas, the bonds between them begin to fray: a fissure is growing between the parents, one the children can almost feel beneath their feet. Through songs and maps and a Polaroid camera's lens, the children try to make sense of both their family's crisis and the larger one engulfing the news: the stories of thousands of kids trying to cross the southwestern border into the United States but getting detained--or lost in the desert along the way. A breath-taking feat of literary virtuosity, *Lost Children Archive* is timely, compassionate, subtly hilarious, and formally inventive--a powerful, urgent story about what it is to be human in an inhuman world.

### **Lost in the Wild**

"It's outrageous that an educated man and a gifted writer like Mr. Mathews could make such a public confession of such shameful activities." Q. Kuhlmann, author of *The Eye of Anguish: Subversive Activity in the German Democratic Republic*

## **Metamorphica**

Homer is known to have authored the first known literature of Europe. Homer's epic chronicle of the Greek hero Odysseus' journey home from the Trojan War has inspired writers from Virgil to James Joyce. Odysseus survives storm and shipwreck, the cave of the Cyclops and the isle of Circe, the lure of the Sirens' song and a trip to the Underworld, only to find his most difficult challenge at home, where treacherous suitors seek to steal his kingdom and his loyal wife. With real poetic power... his book is one no lover of living poetry should miss. —The New York Times

## **Void Star**

"When a toy is bestowed with the title of "favorite," it takes on a coveted rank among the world of household things. But when a vengeful toy conspires to destroy these favorites, he must be defeated by a stuffed toy rabbit."--

## **Ottoman Odyssey**

Dave Stewart has survived the inferno of Kansas City and come out the other side. To the rest of the world his fate is uncertain, and by now even Agent Keyes knows better than to assume he's dead. As Keyes and his rogue DHS agents continue their search for him, Dave knows that Plan A, as usual, won't work. His only chance is to keep moving until he can find a safe way to make contact with Nate Reid and figure out his next move. As Dave's odyssey across a zombie infested America continues, he encounters the best and the worst in his fellow survivors. He will find new allies, learn more about the true nature of the Asura virus, and his role in even bigger designs than he ever imagined. But, in a land filled with enemies both living and dead, is all the skill, wit and courage in the world enough to help him survive? Or will this be Dave Stewart's last journey?

## **The Lost Books of the Odyssey**

Alex and Conner Bailey's world is about to change. When the twins' grandmother gives them a treasured fairy-tale book, they have no idea they're about to enter a land beyond all imagining: the Land of Stories, where fairy tales are real. But as Alex and Conner soon discover, the stories they know so well haven't ended in this magical land - Goldilocks is now a wanted fugitive, Red Riding Hood has her own kingdom, and Queen Cinderella is about to become a mother! The twins know they must get back home somehow. But with the legendary Evil Queen hot on their trail, will they ever find the way? The Land of Stories: The Wishing Spell brings readers on a thrilling quest filled with magic spells, laugh-out-loud humour and page-turning adventure.

## **The Lost Books of the Odyssey**

Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly melded. By the author of *The Black Angel*. 75,000 first printing.

## **The Land of Stories: The Wishing Spell**

NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a new historical novel: the dramatic story of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. *Louisiana, 1875*: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. *Louisiana, 1987*: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

## **The Lost Gutenberg**

completely master Lost Odyssey and earn every Achievement on the way. • Complete the Thousand Years of Dreams: Solve Kaim's mystery by finding each of his hidden dreams.

### **Childhood's End**

"An addictive and engaging look at the 'competitive, catty and slightly angst-ridden' heart of the world of book collecting." - The Houston Chronicle The never-before-told story of one extremely rare copy of the Gutenberg Bible, and its impact on the lives of the fanatical few who were lucky enough to own it. For rare-book collectors, an original copy of the Gutenberg Bible--of which there are fewer than 50 in existence--represents the ultimate prize. Here, Margaret Leslie Davis recounts five centuries in the life of one copy, from its creation by Johannes Gutenberg, through the hands of monks, an earl, the Worcestershire sauce king, and a nuclear physicist to its ultimate resting place, in a steel vault in Tokyo. Estelle Doheny, the first woman collector to add the book to her library and its last private owner, tipped the Bible onto a trajectory that forever changed our understanding of the first mechanically printed book. The Lost Gutenberg draws readers into this incredible saga, immersing them in the lust for beauty, prestige, and knowledge that this rarest of books sparked in its owners. Exploring books as objects of obsession across centuries, this is a must-read for history buffs, book collectors, seekers of hidden treasures, and anyone who has ever craved a remarkable book--and its untold stories.

### **The Last Book in the Universe**

"True survival odysseys of two wilderness adventurers who entered the woods in search of tranquility-- but found something else entirely"--Page 4 of cover.

### **The Lost Gettysburg Address**

A scholarly approach to the Atlantis myth attempts to uncover the truth about the "lost" civilization and examines excavations at Thera, in the present-day Mediterranean.

### **The Book of Lost Friends**

Rubi and Brenn knew that getting into Neville Youth Force Academy after their eleventh grade year would change them forever, but they had no idea the adventure would be a rollercoaster of secret missions, biotechnological weapons, and loves lost and found. Rubi, a headstrong team member, and Brenn, a part human part vampire-like creature, find themselves coping with the bionic side effects of a near-fatal accident. As if the trials and tribulations of being part of a teen

robot team weren't confusing enough, Rubi, Brenn and their friends have to catch a diabolical intruder dubbed the "Campus Creeper," who has a deeper and more dangerous plan in mind for these B-Listers.

### **The Odyssey of Homer**

"[An adaptation of] Ovid's epic poem of endless transformation. It reimagines the stories of Narcissus, Pygmalion and Galatea, Midas and Atalanta, and strings them together like the stars in constellations--even Ovid becomes a story"--Amazon.com.

### **Odyssey of the Soul, a Trilogy**

The incredible true story of a slave owner who risked everything to save the Union. The New York Times called Anderson's story "among the most moving and romantic episodes of the war."

### **An Odyssey**

After ten years' journeying Odysseus returns, again and again, to Ithaca. Each time he finds something different: his patient wife Penelope has betrayed him and married; his arrival accelerates time and he watches his family age and die in front of him; he walks into an empty house in ruins; he returns but is so bored he sets sail again to repeat his voyage; he comes back to find Penelope is dead. In these forty-four retellings of passages from Homer's Odyssey, Zachary Mason uses Homer's linear narrative and explodes it: presenting alternative and contradictory fragments of familiar stories - the Trojan Horse, the Cyclops, Circe, the Sirens - allowing us to see Homer's masterpiece afresh. Elegant, provocative and utterly fascinating, The Lost Books of the Odyssey seems destined to become a modern classic.

### **The Last Odyssey**

### **The Book of Lost Things**

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we

are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.

### **My Life in CIA**

After ten years' journeying Odysseus returns, again and again, to Ithaca. Each time he finds something different: his patient wife Penelope has betrayed him and married; his arrival accelerates time and he watches his family age and die in front of him; he walks into an empty house in ruins; he returns but is so bored he sets sail again to repeat his voyage; he comes back to find Penelope is dead. In these forty-four retellings of passages from Homer's *Odyssey*, Zachary Mason uses Homer's linear narrative and explodes it: presenting alternative and contradictory fragments of familiar stories - the Trojan Horse, the Cyclops, Circe, the Sirens - allowing us to see Homer's masterpiece afresh. Elegant, provocative and utterly fascinating, *The Lost Books of the Odyssey* seems destined to become a modern classic.

### **The Lost Book of Moses**

First in a trilogy, Book One presents extraordinary information gathered from the inner consciousness levels of the minds, bodies, and spirits of thousands of ordinary people. Knowledge gathered by the authors in their healing, motivational, and channeling work with and for others opens the mind and excites the spirit to the inherent abilities of the soul. Written simply, even complex subjects such as healing, hypnosis, re-incarnation, channeling, therapy, spirit possession, multiple personalities, inner children, astral matter, metaphysics, the soul, and Higher Self become clear and understandable. Personal stories add light, humor, motivation, and a sense all is possible and knowable. Presents a lighted path to self-mastery for the enlightenment of self and others, while succinctly outlining why the past is important to this path. Explains the dynamics of trauma, including childhood abuse, and how the mind stores, as well as buries, trauma. Explains why memories - whether "false" or "real" - are important to healing and achieving personal and professional goals. Delineates the levels of the mind and spirit in a way that is meaningful to every day reality. Lures and keeps the interest of both beginners and experts in metaphysical studies, even as it brings forward information that enhances both mainstream and alternative healing. Miracles are explained, as well as why medications, surgery, prayer, guided imagery, visualizations, affirmations, hypnosis, herbs, and other healing aids sometimes do not work and what needs to be done so they will. It is a book written by experts who explain why no expert knows more about a person's mind, body, or spirit than that person's own mind, body, and spirit. Explains how such information can be accessed both in and out of trance states. Channeling is introduced in a manner that eliminates fear, dread, and foolhardiness. Parts of the book and all of chapter eight are written by LIGHT, which says it is The Light, the creator energy of The Creator of All That Is. Light outlines a plan for healing the

earth, balancing nature, and enlightening humans. The plan is powerful and perfect for people of all religions and no religion. So ingenious is this plan, so simple, so positively focused, it could only have been written by a consciousness of light leading to the thought that if a consciousness of light does not lie, this must, indeed, be The Creator Light. Just knowing such a consciousness is present and active in the world lessens the rampart fear presently escalating naturally occurring earth changes. Most importantly, this book, as it makes clear how the mind creates, makes clear how prophecy works. It becomes understood prophecy is not for the ego of the prophet; it is for the good of the people. If one does not like a prophecy, one has the ability and the right to positively shift the mental focus and physical actions in the present, which alters the future, thus nullifying the prophecy. Being created in the image of the Creator means we are spirit with will and the ability to choose what we will. A great prophet does not care about being right. A great prophet cares about doing right. Doing right is to warn and when the warning is heeded, the great prophet rejoices, knowing the prophecy will be rendered untrue. Book One explains how the mind truly works so the soul of one and the souls of many may alter the future to bring greater good and joy.

### **Alaska Thunderfun and the Inner Space Odyssey**

A debut short story collection in the tradition of writers like Kelly Link, Aimee Bender, and George Saunders—strange, imaginative, and refreshingly original—now back in print as part of Ecco’s “Art of the Story” Series, and with a new introduction from the author Kevin Wilson’s characters inhabit a world that moves seamlessly between the real and the imagined, the mundane and the fantastic. “Grand Stand-In” is narrated by an employee of the Nuclear Family Supplemental Provider—a company that supplies “stand-ins” for families with deceased, ill, or just plain mean grandparents. And in “Blowing Up On the Spot,” a story singled out by Ann Patchett for Ploughshares, a young woman works sorting tiles at a Scrabble factory after her parents have spontaneously combusted. Southern gothic at its best, laced with humor and pathos, these wonderfully inventive stories explore the relationship between loss and death and the many ways we try to cope with both.

### **Shackleton**

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

## **Ollie's Odyssey**

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

## **The Lost Book of Adventure**

SHORTLISTED FOR THE BAILLIE GIFFORD PRIZE 2017 From the award-winning, best-selling writer: a deeply moving tale of a father and son's transformative journey in reading - and reliving - Homer's epic masterpiece. When eighty-one-year-old retired scientist Jay unexpectedly enrolls in his estranged classicist son Daniel's course on the Odyssey, the journey of a lifetime commences. Professor and student glean life lessons from the page over a semester and, that summer, son and father take to the sea to follow Odysseus's epic trail. Reading Homer becomes their chance to understand each other before it's too late. Theirs is a moving and erudite story of filial love and the importance of the classics. Rich with literary and emotional insight and weaving themes of deception and recognition, marriage and children, the pleasures of travel and the meaning of home, this is memoir writing at its finest.

## **All Day Permanent Red**

A BRILLIANT AND BEGUILING REIMAGINING OF ONE OF OUR GREATEST MYTHS BY A GIFTED YOUNG WRITER Zachary Mason's brilliant and beguiling debut novel, The Lost Books of the Odyssey, reimagines Homer's classic story of the hero Odysseus and his long journey home after the fall of Troy. With brilliant prose, terrific imagination, and dazzling literary skill, Mason creates alternative episodes, fragments, and revisions of Homer's original that taken together open up this

classic Greek myth to endless reverberating interpretations. The Lost Books of the Odyssey is punctuated with great wit, beauty, and playfulness; it is a daring literary page-turner that marks the emergence of an extraordinary new talent.

### **An Odyssey of Survival**

An exploration of the contemporary influence of the Ottoman Empire on the wider world, as the author uncovers the new Ottoman legacy across Europe and the Middle East. Alev Scott's odyssey began when she looked beyond Turkey's borders for contemporary traces of the Ottoman Empire. Their 800 years of rule ended a century ago—and yet, travelling through twelve countries from Kosovo to Greece to Palestine, she uncovers a legacy that's vital and relevant; where medieval ethnic diversity meets twenty-first century nationalism—and displaced people seek new identities. It's a story of surprises. An acolyte of Erdogan in Christian-majority Serbia confirms the wide-reaching appeal of his authoritarian leadership. A Druze warlord explains the secretive religious faction in the heart of the Middle East. The palimpsest-like streets of Jerusalem's Old Town hint at the Ottoman co-existence of Muslims and Jews. And in Turkish Cyprus, Alev Scott rediscovers a childhood home. In every community, history is present as a dynamic force. Faced by questions of exile, diaspora and collective memory, Alev Scott searches for answers from the cafes of Beirut to the refugee camps of Lesbos. She uncovers in Erdogan's nouveau-Ottoman Turkey a version of the nostalgic utopias sold to disillusioned voters in Europe and America. And yet—as she relates with compassion, insight, and humor—diversity is the enduring, endangered heart of this fascinating region.

### **The Odyssey**

One man's quest to find the oldest Bible scrolls in the world and uncover the story of the brilliant, doomed antiquarian accused of forging them. In the summer of 1883, Moses Wilhelm Shapira—archaeological treasure hunter and inveterate social climber—showed up unannounced in London claiming to have discovered the oldest copy of the Bible in the world. But before the museum could pony up his £1 million asking price for the scrolls—which discovery called into question the divine authorship of the scriptures—Shapira's nemesis, the French archaeologist Charles Clermont-Ganneau, denounced the manuscripts, turning the public against him. Distraught over this humiliating public rebuke, Shapira fled to the Netherlands and committed suicide. Then, in 1947 the Dead Sea Scrolls were discovered. Noting the similarities between these and Shapira's scrolls, scholars made efforts to re-examine Shapira's case, but it was too late: the primary piece of evidence, the parchment scrolls themselves had mysteriously vanished. Tigay, journalist and son of a renowned Biblical scholar, was galvanized by this peculiar story and this indecipherable man, and became determined to find the scrolls. He sets out on a quest that takes him to Australia, England, Holland, Germany where he meets Shapira's still aggrieved descendants and Jerusalem where Shapira is still referred to in the present tense as a "Naughty boy". He wades into museum storerooms,

musty English attics, and even the Jordanian gorge where the scrolls were said to have been found all in a tireless effort to uncover the truth about the scrolls and about Shapira, himself. At once historical drama and modern-day mystery, *The Lost Book of Moses* explores the nineteenth-century disappearance of Shapira's scrolls and Tigay's globetrotting hunt for the ancient manuscript. As it follows Tigay's trail to the truth, the book brings to light a flamboyant, romantic, devious, and ultimately tragic personality in a story that vibrates with the suspense of a classic detective tale.

### **Zompoc Survivor**

David Harris has discovered the remains of a Roman city in the heart of the Gobi desert. His interest was aroused by Horace's Odes, and by the papers of Professor Homer Hasenpflug Dubs, Professor of Chinese at Oxford University, relating to the city. Harris set out from Australia to search for Li-jien, a city built by the Romans in China 1300 years before Marco Polo entered Cathay. Harris was alone and an amateur; he neither spoke the language nor understood the Chinese way of doing things; furthermore, he had precious little money. The Chinese bureaucracy instinctively mistrusted him both as a western messenger claiming special knowledge of Chinese history and as one who wished to enter a closed military zone.

### **Genesis Day**

A new installment of the author's rewritten translation of Homer's Iliad covers the first clash of the armies, in which the doomed Hector achieves the height of his powers during the rise of the Greek army. Reprint.
