Poetry. Top Debut Collection of 2015, Poets and Writers. "This is a book of great beauty and of terrible suspicion regarding that beauty. This is a poet of intensifying linguistic gift and of terrible suspicion regarding that gift. Is there, yet, an Auto-Voyeuristic school of poetry? If not, then Jay Deshpande's troubling and gorgeous LOVE THE STRANGER—'watch yourself grow muscle in your failures / and hate it'—could be the founding document."—Josh Bell "Deshpande tracks those moments when we become strange to ourselves, when indecision and failure wrench us open. He writes with a kind of glowing, dreamlike clarity about desire, distraction, regret—the ways we rush past ourselves, the ways we hurt each other. This book is full of searching and light."—Joanna Klink "Elegant, dreamy, and hauntingly charismatic, Deshpande's poems captivate the way the recordings of their patron saint Chet Baker do, insisting time after time that exceptional artistry can spin even radical loneliness and excruciating sensitivity into music that radiates and affirms. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller Outliers, offers a powerful examination of our interactions with strangers -- and why they often go wrong. How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to each other that isn't true? While tackling these questions, Malcolm Gladwell was not solely writing a book for the page. He was also producing for the ear. In the audiobook version of Talking to Strangers, you'll hear the voices of people he interviewed--scientists, criminologists, military psychologists. Court transcripts are brought to life with re-

enactments. You actually hear the contentious arrest of Sandra Bland by the side of the road in Texas. As Gladwell revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, and the suicide of Sylvia Plath, you hear directly from many of the players in these real-life tragedies. There's even a theme song - Janelle Monae's "Hell You Talmbout." Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world.

Love of a Stranger

A moving and unsettling exploration of a young man's formative years in a country still struggling with its past As a Jew in postwar Germany, Yascha Mounk felt like a foreigner in his own country. When he mentioned that he is Jewish, some made anti-Semitic jokes or talked about the superiority of the Aryan race. Others, sincerely hoping to atone for the country's past, fawned over him with a forced friendliness he found just as alienating. Vivid and fascinating, Stranger in My Own Country traces the contours of Jewish life in a country still struggling with the legacy of the Third Reich and portrays those who, inevitably, continue to live in its shadow. Marshaling an extraordinary range of material into a lively narrative, Mounk surveys his countrymen's responses to "the Jewish question." Examining history, the story of his family, and his own childhood, he shows that anti-Semitism and far-right extremism have long coexisted with self-conscious philo-Semitism in postwar Germany. But of late a new kind of resentment against Jews has come out

in the open. Unnoticed by much of the outside world, the desire for a "finish line" that would spell a definitive end to the country's obsession with the past is feeding an emphasis on German victimhood. Mounk shows how, from the government's pursuit of a less "apologetic" foreign policy to the way the country's idea of the Volk makes life difficult for its immigrant communities, a troubled nationalism is shaping Germany's future.

Funeral for a Stranger

An urgent manifesto and a dramatic memoir of awakening, this is the story of revolutionary love. “In a world stricken with fear and turmoil, Valarie Kaur shows us how to summon our deepest wisdom.”—Elizabeth Gilbert, author of *Eat Pray Love*
How do we love in a time of rage? How do we fix a broken world while not breaking ourselves? Valarie Kaur—renowned Sikh activist, filmmaker, and civil rights lawyer—describes revolutionary love as the call of our time, a radical, joyful practice that extends in three directions: to others, to our opponents, and to ourselves. It enjoins us to see no stranger but instead look at others and say: You are part of me I do not yet know. Starting from that place of wonder, the world begins to change: It is a practice that can transform a relationship, a community, a culture, even a nation. Kaur takes readers through her own riveting journey—as a brown girl growing up in California farmland finding her place in the world; as a young adult galvanized by the murders of Sikhs after 9/11; as a law student fighting injustices in American prisons and on Guantánamo Bay; as an activist

working with communities recovering from xenophobic attacks; and as a woman trying to heal from her own experiences with police violence and sexual assault. Drawing from the wisdom of sages, scientists, and activists, Kaur reclaims love as an active, public, and revolutionary force that creates new possibilities for ourselves, our communities, and our world. See *No Stranger* helps us imagine new ways of being with each other—and with ourselves—so that together we can begin to build the world we want to see.

Love the Stranger

BLURB/DESCRIPTION: Having lived a life of privilege as an only son of a well-respected family, Gregory is devastated to suddenly find himself a social pariah when rumors of his misdeeds spread through his close knit social circle. However, he finds deliverance in the form of Alicia who agrees to marry him despite his reputation. Although Gregory is certain that one cannot find love in a marriage between two strangers, love begins to blossom as the pair find themselves drawn to each other. Sneak Preview:"Here we are," Alicia said softly. "Welcome to your new home." "Thank you." Gregory knew what was usually expected - that he and Alicia adjourn to their room and consummate their new union. Their situation was unusual; Jason, as the eldest son, was the one whose bedroom activities hold rather more importance to the estate and the family. Gregory was only here to provide funds."Gregory." Alicia stepped in closer, near enough that the heat of her body warms Gregory's chilled fingers. "Would you like to go to bed?" Gregory tried to answer and was unable to muster up more than, "If you like." "I can sleep in another room, if you wish." Alicia reached out. Her hand hovered over Gregory's

shoulder before resting, light as a feather, on the curve of Gregory's neck. "You've hardly said a word tonight." "You as well," Gregory said, leaning into Alicia's touch. Her thumb was just barely brushing Gregory's skin. It had been an age since anyone offered Gregory more than a handshake when before he had been free with expressions of affection. Alicia's hand was warm, even through Gregory's cravat and shirt. "You don't have to sleep in another room." "You would not prefer it?" "I hate being alone," Gregory said, surprising himself with the honesty of his reply. Alicia smiled very briefly and carefully leaned in to press her lips chastely to Gregory's. She was clearly unpracticed at kissing, hesitant and unsure. Gregory knew more than he ought of physical love, and kissing in particular was an area in which he excelled. He felt, suddenly, that he ought to show Alicia what to do, and so he hooked his hands into Alicia's vest to pull her in.

Chocolate Factory -- Gene Wilder writes about a side of his life the public hasn't seen on the screen. Kiss Me Like a Stranger is not an autobiography in the usual sense of the word, and it's certainly not another celebrity "tell-all." Instead, Wilder has chosen to write about resonant moments in his life, events that led him to an understanding of the art of acting, and -- more important -- to an understanding of how to give love to and receive love from a woman. Wilder writes compellingly about the creative process on stage and screen, and divulges moments from life on the sets of some of the most iconic movies of our time. In this book, he talks about everything from his experiences in psychoanalysis to why he got into acting and later comedy (his first goal was to be a Shakespearean actor), and how a Midwestern childhood with a sick mother changed him. Wilder explains why he became an actor and writer, and about the funny, wonderful movies he made with Mel Brooks, Woody Allen, Richard Pryor, and Harrison Ford, among many others. He candidly reveals his failures in love, and writes about the overwhelming experience of marrying comedienne Gilda Radner, as well as what finally had to happen for him to make a true and lasting commitment to another woman. A thoughtful, revealing, and winsome book about life, love, and the creative process, the New York Times bestseller Kiss Me Like A Stranger is one actor's life in his own words.

A twisted relationship between two couples reaches a terrible climax in this novel by the New York Times-bestselling author of *Machines Like Me*. Colin and Mary are lovers on holiday in Italy, their relationship becoming increasingly problematic as they become increasingly alienated from one another. They move from place to place in this foreign land but seemingly without aim or purpose, seemingly bored and without attachment. Then they meet a man named Robert and his disabled wife, Caroline. Colin and Mary seem happy for the diversion—happy to meet another couple that takes their focus off of each other for a while. But things become strange when they attempt to leave: Robert and Caroline insist that they stay with them for a while longer. While Mary and Colin do rediscover an erotic attraction to each other during this time, they also find that their relationship with Robert and Caroline is taking a dreadful and horrific turn, in this “fine novel” by the Booker Prize-winning author of *Saturday* and *On Chesil Beach* (New Statesman). “McEwan perfectly captures the thrill of travel when one is divorced from familiar surroundings and the chance of something unusual and out-of-character seems possible. Of course, this being a McEwan fiction, the possibility is a brutal truth about how people find love in extreme ways.”—The Daily Beast

meager beginnings as an orphan in New York's Hell's Kitchen. From that confused and belittling start, Frank works his way up, choosing the wrong side of the law to make a name for himself. At a young age, he becomes one of the city's most dangerous men, indulging in his passion for power, sex, and the best things in life—whether or not they can be purchased. First published in 1948, the novel began Robbins' prolific career after someone made him a \$100 bet that he couldn't write a bestseller. Twenty-six pot-boiling novels later, he proved the power of his words. *Never Love a Stranger* takes an unflinching look at a New York that's long gone by—exposing life during and after the Great Depression, when the syndicate ruled the city without mercy.
