E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

All couples argue, but how do some couples get to what seems like the point of no return? Licensed marriage and family therapist Dr. Tara Fields has spent more than twenty-eight years working with couples, and she has discovered that there are five common conflict loops that couples fall into—and three steps to getting past having the same fights over and over again and onward to building a relationship where each partner feels heard, understood, respected, and loved. These steps include: Recognizing the conflict loop at play Exploring past and present fears Creating opportunities to get in touch with the deepest needs of both partners in order to find new gratitude, respect, and trust Change comes with awareness. When you're present in the moment, conflict with your partner can become an opportunity to work through unresolved issues and to learn more about each other; it can even become a way to grow closer. In *The Love Fix*, Fields shares her tested and proven tools to help build stronger relationships, including: Insight from real couples who have repaired their relationships Self-assessment quizzes to get to the

root of the problem Practical 3-Minute Fixes you can start using immediately HEARTwork exercises to help you dig deeper in order to reconnect It's never too late to reignite your passion and to restore the love between you and your partner. Stop rehashing the same issues, figure out what you're really fighting about, and start enjoying a happier, stronger relationship today.

Dogeaters

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

The Odyssey of Homer

A heart-stirring novel of unrequited love and second chances by New York Times bestselling author Jennifer Probst. Young widow Bella Sunshine-Caldwell is focused only on raising her daughter and running the family business, Sunshine Bridal. There's no time for romance—especially with her fellow wedding planner, Gabe, whom she's growing increasingly attracted to. He's too enterprising to stay in Cape May for long, anyway. And too tall, dark, and handsome to be anything but a heartbreaker. Every woman in town has her sights on Gabe Garcia. The only woman he has eyes for doesn't seem interested. All he wants is to fall in love, be a father, and settle down. As he and Bella work together on a magical winter wedding, the distance between them closes, the nights grow warmer, and Bella might be seeing Gabe for who he really is: a man worth the effort. But all it takes is a single rumor for these two hearts' fragile love story to shatter. And now the happy ending Bella and Gabe hoped for is something they're going to have to fight for.

Travels Into Several Remote Nations of the World. By Lemuel Gulliver

Cherished

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: “Never again.” When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of

peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from *Shake Hands with the Devil* My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a *cri de coeur* for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

The Marriage Merger

Nobel prize-winning Luigi Pirandello's classic novel on the nature of identity brims with sly humor, compelling drama, and skillfully depicted, oddly modern characters—all capped with timeless insight into the fragile human psyche. Luigi Pirandello's extraordinary final novel begins when Vitangelo Moscarda's wife remarks that Vitangelo's nose tilts to the right. This commonplace interaction spurs the novel's unemployed, wealthy narrator to examine himself, the way he perceives others, and the ways that others perceive him. At first he only notices small differences in how he sees himself and how others do; but his self-examination quickly becomes relentless, dizzying, leading to often darkly comic results as Vitangelo decides that he must demolish that version of himself that others see.

Sum

At once funny, wistful and unsettling, *Sum* is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people's dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now. From the Trade Paperback edition.

The Feminine Mystique

Just when the clamor over "traditional" marriage couldn't get any louder, along comes this groundbreaking book to ask, "What tradition?" In *Marriage, a History*, historian and marriage expert Stephanie Coontz takes readers from the marital intrigues of ancient Babylon to the torments of Victorian lovers to demonstrate how recent the idea of marrying for love is—and how absurd it would have seemed to most of our ancestors. It was when marriage moved into the emotional sphere in the nineteenth century, she argues, that it suffered as an institution just as it began to thrive as a personal relationship. This enlightening and hugely entertaining book brings intelligence, perspective, and wit to today's marital debate.

The Marriage Trap

The exciting bestselling author who thrilled readers with *The Marriage Bargain* and *The Marriage Trap*, Jennifer Probst rounds out her sizzling trilogy with more "nonstop sexual tension" (Laura Kaye). Carina Conte has had a crush on her brother Michael's best friend, Max Gray, since she was a teenager. Now she's earned her MBA and come to work at Michael's new venture, America's fastest-growing bakery empire. But some things never change: her family still treats her like a child. With three drop-dead gorgeous siblings, she's still the ugly duckling of the bunch. And Max, the company's new CEO, still barely notices her. Max knows Carina Conte is strictly off limits. But hot-blooded lust wins out at a conference

when the two share a scorching one-night stand—and are busted by her mother! Now, forced by old-world Italian tradition into a marriage he's not ready for, Max is miserable—and Carina is furious. Her new husband is about to realize that hell hath no fury like a woman transformed....

The Cellist of Sarajevo

“Nonstop sexual tension crackles off the page” (Laura Kaye) in the sizzling final installment in the New York Times and USA TODAY bestselling Marriage to a Billionaire saga by Jennifer Probst. Her sisters have found wedded bliss with their wealthy, wonderful dream men, but not Julietta Conte. She's stayed on terra firma as top executive of the family's corporation, La Dolce Famiglia bakery. Work is her passion, and her trendy Milan apartment her sanctuary . . . until Sawyer Wells, a masculine masterpiece in a suit, lures her out of hiding with an irresistible offer: an exclusive partnership with his international chain of boutique hotels. Julietta's been burned before—and trusting her brother-in-law's friend, whose powerful gaze alone has her rethinking the best use of a conference room, is the riskiest proposition. But with a once-in-a-career chance to take the bakery global, will she mix stone-cold business with red-hot seduction?

How far is too far when it comes to protecting your marriage? Find out in this relentlessly paced novel of psychological suspense for anyone who loved The Couple Next Door. “Ranks with The Stepford Wives and Gone Girl as a terrifying look at what it really means to say ‘I do.’”—Joseph Finder, New York Times bestselling author of The Switch Newlyweds Alice and Jake are a picture-perfect couple. Alice, once a singer in a well-known rock band, is now a successful lawyer. Jake is a partner in an up-and-coming psychology practice. Their life together holds endless possibilities. After receiving an enticing wedding gift from one of Alice's prominent clients, they decide to join an exclusive and mysterious group known only as The Pact. The goal of The Pact seems simple: to keep marriages happy and intact. And most of its rules make sense. Always answer the phone when your spouse calls. Exchange thoughtful gifts monthly. Plan a trip together once per quarter. . . . Never mention The Pact to anyone. Alice and Jake are initially seduced by the glamorous parties, the sense of community, their widening social circle of like-minded couples. And then one of them breaks the rules. The young lovers are about to discover that for adherents to The Pact, membership, like marriage, is for life. And The Pact will go to any lengths to enforce that rule. For Jake and Alice, the marriage of their dreams is about to become their worst nightmare. Praise for The Marriage Pact “This fast-paced nail-biter goes in unpredictable directions. . . . It also raises thoughtful questions about individual agency and marital commitment. With strong writing, intriguing characters, and a compelling conceit, this psychological thriller seems destined for the top of summer reading lists. Recommended as a fresh voice for readers of Gillian Flynn or Ruth Ware.”—Library Journal (starred review) “Creepy and engrossing . . . [The Marriage Pact takes] readers deep into the heart of a marriage and exposes some of the darker drives, such as possession and control, that can lurk within even the most harmonious of unions.”—Booklist “Gripping, thought-provoking, and irresistible.”—Dean Koontz “Riveting psychological suspense! This book will keep you up all night, while

making you second-guess everything you know and everyone you've ever loved."—Lisa Gardner, #1 New York Times bestselling author of *Right Behind You*

The Marriage Bargain

In this delightful book on society's most debated institution, Shobhaa Dé writes about how and why marriages work-or don't. With her usual disregard for rules, she reinvents tradition and challenges old stereotypes, addressing all the issues that are central to most Indian marriages: the saas-bahu conundrum (how to escape the role-trap and enjoy each other), the need for honesty (aren't some secrets better left secret?), the importance of romance (no, expressions of love are not unmanly!), and not any less important, how to recognize the warning signs in a hopeless relationship and run before it's too late. Fun, savvy and, above all, pragmatic, this is the ultimate relationship book for all those who want to make the adventure of marriage last a lifetime.

Bond of Hatred

The cure for a willful wife . . . Drusilla Clare is full of opinions about why a woman shouldn't marry. But that doesn't stop the rush of desire she feels each time her best friend's brother, notorious rake Gabriel Marlinton, crosses her path. So imagine her dismay when she finds herself in the clutches of a scoundrel, only to be rescued by Gabriel himself. And when Gabriel's heartless—and heart-pounding—proposal comes, it's enough to make Dru's formidable resolve crumble is a smitten husband. She's sharp-tongued, exasperating—and due to one careless moment—about to become his wife. Still, something about Drusilla has Gabriel intrigued. First there's the delicious flush of her skin every time she delivers a barb—and then the surprisingly sensual feel of her in his arms. Gabriel even finds himself challenged by her unusual philosophies. And when he discovers a clandestine rival for Dru's affection, his temperature flares even hotter. But the real threat to their happiness is one neither of the newlyweds sees coming. If they're to save their future—and their very lives—they'll need to trust in each other and their growing love.

Barking Up the Wrong Tree

Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from a decade of work with hundreds of twentysomething clients and students, *THE DEFINING DECADE* weaves the latest science of the twentysomething years with behind-closed-doors stories from twentysomethings themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood—if we use the time wisely. *THE DEFINING DECADE* is a smart, compassionate and constructive book about the years we cannot afford to miss.

bestselling author of *Marry in Secret*. When a duke denied . . . The proud and arrogant Duke of Everingham is determined to secure a marriage of convenience with heiress, Lady Georgiana Rutherford. He's the biggest prize on the London marriage mart, pursued by young unmarried ladies and their match-making mamas, as well as married women with a wandering eye. He can have any woman he wants. Or so he thinks. . . Hunts an independent lady . . . Lady Georgiana Rutherford--irreverent and unconventional--has no plans to marry. Having grown up poor, Lady George has no intention of giving up her fortune to become dependent on the dubious and unreliable goodwill of a man. Especially a man as insufferable as the Duke of Everingham, whose kisses stirs unwelcome and unsettling emotions . . . Sparks are sure to fly The more she defies him, the more the duke wants her, until an argument at a ball spirals into a passionate embrace. Caught in a compromising position, the duke announces their betrothal. George is furious and when gossip claims she deliberately entrapped the duke--when she was the one who was trapped--she marches down the aisle in a scarlet wedding dress. But the unlikely bride and groom may have found love in the most improbable of places--a marriage of convenience.

The Marriage Pact

This brilliant novel with universal resonance tells the story of three people trying to survive in a city rife with the extreme fear of desperate times, and of the sorrowing cellist who plays undaunted in their midst. One day a shell lands in a bread line and kills twenty-two people as the cellist watches from a window in his flat. He vows to sit in the hollow where the mortar fell and play Albinoni's *Adagio* once a day for each of the twenty-two victims. The *Adagio* had been re-created from a fragment after the only extant score was firebombed in the Dresden Music Library, but the fact that it had been rebuilt by a different composer into something new and worthwhile gives the cellist hope. Meanwhile, Kenan steels himself for his weekly walk through the dangerous streets to collect water for his family on the other side of town, and Dragan, a man Kenan doesn't know, tries to make his way towards the source of the free meal he knows is waiting. Both men are almost paralyzed with fear, uncertain when the next shot will land on the bridges or streets they must cross, unwilling to talk to their old friends of what life was once like before divisions were unleashed on their city. Then there is "Arrow," the pseudonymous name of a gifted female sniper, who is asked to protect the cellist from a hidden shooter who is out to kill him as he plays his memorial to the victims. In this beautiful and unforgettable novel, Steven Galloway has taken an extraordinary, imaginative leap to create a story that speaks powerfully to the dignity and generosity of the human spirit under extraordinary duress. From the Hardcover edition.

My War Criminal

Miss Amity Doncaster, world traveler, is accustomed to adventure and risk. Benedict Stanbridge, a man of science and a spy for the Crown, has faced danger in the darker corners of foreign lands. But they are about to face a threat that is shockingly close to home . . . One does not expect to be kidnapped on a London street in broad daylight. But Amity Doncaster barely escapes with her life after she is trapped in a carriage with a blade-wielding man in a black silk mask who

whispers the most vile taunts and threats into her ear. Her quick thinking, and her secret weapon, save her . . . for now. But the monster known in the press as the Bridegroom, who has left a trail of female victims in his wake, has survived the wounds she inflicts and will soon be on his feet again. He is unwholesomely obsessed by her scandalous connection to Benedict Stanbridge—gossip about their hours alone in a ship's stateroom seems to have crossed the Atlantic faster than any sailing vessel could. Benedict refuses to let this resourceful, daring woman suffer for her romantic link to him—as tenuous as it may be. For a man and woman so skilled at disappearing, so at home in the exotic reaches of the globe, escape is always an option. But each intends to end the Bridegroom's reign of terror in London, and will join forces to do so. And as they prepare to confront an unbalanced criminal in the heart of the city they love, they must also face feelings that neither of them can run away from. . . .

Promise of Darkness

A Little History of the World

An investigation into the nature of violence, terror, and trauma through conversations with a notorious war criminal and hero to white nationalists Between October 2014 and November 2016, global terrorism expert Jessica Stern held a series of conversations in a prison cell in The Hague with Radovan Karadzic, a Bosnian Serb former politician who had been indicted for genocide and other war crimes during the Bosnian War and who became an inspiration for white nationalists. Though Stern was used to interviewing terrorists in the field in an effort to understand their hidden motives, the conversations she had with Karadzic would profoundly alter her understanding of the mechanics of fear, the motivations of violence, and the psychology of those who perpetrate mass atrocities at a state level and who—like the terrorists she had previously studied—target noncombatants, in violation of ethical norms and international law. How do leaders persuade ordinary people to kill their neighbors? What is the “ecosystem” that creates and nurtures genocidal leaders? Could anything about their personal histories, personalities, or exposure to historical trauma shed light on the formation of a war criminal's identity in opposition to a targeted Other? In *My War Criminal*, Jessica Stern brings to bear her incisive analysis and her own deeply considered reactions to her interactions with Karadzic, a brilliant and often shockingly charming psychiatrist and poet who spent twelve years in hiding, disguising himself as an energy healer, while also offering a deeply insightful and sometimes chilling account of the complex and even seductive powers of a magnetic leader—and what can happen when you spend many, many hours with that person.

The Marriage Mistake

The USA Today–bestselling author’s French Revolution trilogy reaches a stunning finale with “a glorious, wonderful book!” (Mary Balogh). At sixteen, high-born Lady Emily had been found alone with Leon Devereux and was summarily forced to wed the wild, notoriously seductive rake. But it had been a marriage in name only, and soon the handsome rogue left to seek his fortune. Now, the scoundrel has returned, demanding to consummate their union, but Emily has no intention of honoring her “husband,” no matter how irresistible his caresses. When he sought asylum from the horrors of the French Revolution in England, Leon Devereux’s unruly ways earned him the contempt of the haute ton. Yet his heart belonged only to Emily, whose reputation he was forced to protect by marrying her when she was barely more than a girl. But now, Emily has blossomed into a woman who makes Leon hunger for a love he’s never known—a love he’ll show her if only she’d let him. “I would recommend this book very highly to anyone looking for a romance with a good mystery and intriguing sub-plots.” —All About Romance

One, None and a Hundred Thousand

From #1 New York Times bestselling author Senator Elizabeth Warren and consultant Amelia Warren Tyagi, the classic book about America's middle class -- and why economic security remains out of reach for many. In this exposé, Elizabeth Warren and Amelia Warren Tyagi show that modern middle-class families are increasingly trapped by the grinding reality of flat wages and rising costs. Warren and Tyagi reveal how a ferocious bidding war for housing and education has silently engulfed America's suburbs, driving up the cost of keeping families in the middle class, and placing unprecedented pressure on hard-working families. Revolutionary when it was first published in 2003, *The Two-Income Trap* remains disturbingly relevant today. Now with a new introduction by the authors, *The Two Income Trap* shows why the usual remedies won't solve the problem and points toward the policy changes that would create better opportunities for both parents and children.

After Glow

Seventeen year old Marilla Eckert has been in love with Langdon Prescott, her family's hired hand, since she was fourteen years old. Determined to win him, she's blissfully unaware of the secret passion he feels for her older sister Delia. But when Delia weds a longtime beau, Lang settles for Marilla and marries her anyway, despite his continued longing and intent to someday win her sister away from her husband. It isn't long before Marilla realizes where Lang's devotion truly lies, yet she presses on, giving everything she has to offer, convinced she can still gain his love. Then America steps into the Great War. The men are sent a world away to fight, and Marilla's cares, coupled with the lack of her husband's favor, finally wear her thin. When heartache and disaster strike on every front, and Marilla's hour of need leads her elsewhere for comfort, will all of them wind up too broken to ever find their hearts' true homes?

The Marriage War

Wall Street Journal Bestseller Much of the advice we've been told about achievement is logical, earnest...and downright wrong. In *Barking Up the Wrong Tree*, Eric Barker reveals the extraordinary science behind what actually determines success and most importantly, how anyone can achieve it. You'll learn:

- Why valedictorians rarely become millionaires, and how your biggest weakness might actually be your greatest strength
- Whether nice guys finish last and why the best lessons about cooperation come from gang members, pirates, and serial killers
- Why trying to increase confidence fails and how Buddhist philosophy holds a superior solution
- The secret ingredient to "grit" that Navy SEALs and disaster survivors leverage to keep going
- How to find work-life balance using the strategy of Genghis Khan, the errors of Albert Einstein, and a little lesson from Spider-Man

By looking at what separates the extremely successful from the rest of us, we learn what we can do to be more like them—and find out in some cases why it's good that we aren't. *Barking Up the Wrong Tree* draws on startling statistics and surprising anecdotes to help you understand what works and what doesn't so you can stop guessing at success and start living the life you want.
