Now One Foot, Now the Other

On her wedding day, Veronica Sinclair thinks she has it all: the loving family, the Vera Wang dress, the hunky husband. But then a mysterious and beautiful woman shows up at the reception, suggesting Veronica's new hubby isn't exactly who he says he is. As if that weren't enough, Veronica and Richard must flee gunmen in the middle of their honeymoon, convincing Veronica she got more than she bargained for when she said, "I do." Thrown into a world of espionage, seduction, and human trafficking, Veronica must fight for the life and husband she thought she had - and she must discover whether they are the life and husband she truly wants.

Detective Bernie Gunther navigates two corrupt regimes in this "richly satisfying mystery that evokes the noir sensibilities of Raymond Chandler and Ross Macdonald while breaking new ground of its own" (Los Angeles Times). Berlin, 1934. Former policeman Bernie Gunther, now a hotel detective, finds himself caught between warring factions of the Nazi apparatus as Hitler and Avery Brundage, the head of the U.S. Olympic Committee, connive to soft-pedal Nazi anti-Semitism before the 1936 Olympiad Havana, 1954. Batista, aided by the CIA, has just seized power; Castro is in prison; and the American Mafia is gaining a stranglehold on Cuba's exploding gaming and prostitution industries. Bernie, after

Alexander and James Campbell, born and raised in Scotland, immigrated to the United States as teenagers in the 1850s and settled in vastly different regions of the country - Alexander in New York City and James in Charleston, South Carolina. When the American Civil War broke out in 1861, Alexander and James opted to fight for their adopted states and causes: Alexander enlisted in the 79th New York "Highlanders" and James in the 1st South Carolina ("Charleston") Battalion. "Him on the One Side and Me on the Other" tells the remarkable story of these two brothers divided by the Civil War. Through their wartime letters to family and to each other, the brothers expose the deep fractures in American society caused by the most destructive war in this country's history. In the most dramatic moment in this story of the brothers' wartime experiences, the letters reveal a near-reunion on the battlefield of Secessionville, South Carolina, on June 16, 1862. There Alexander was part of the Union force that assaulted Tower Battery, a fort inhabited by James and his Confederate comrades.

Other Realms: Volume One

Musaicum Books presents to you this carefully created volume of "Notes from the Underground & Other Tales - 7 Titles in One Edition". This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Fyodor Mikhailovich Dostoyevsky (1821 - 1881), sometimes transliterated Dostoevsky, was a Russian novelist, short story writer, and essayist. Dostoyevsky's literary works explore human psychology in the troubled political, social and spiritual context of 19th-century Russia. This translation by Constance Garnett from the original Russian is widely regarded as a reference. Garnett translated seventy volumes of Russian prose for publication, including all of Dostoyevsky's novels. Dostoyevsky's works of fiction include 17 short stories, in this edition we present 7 stories, including two of his 2 most famous works "White Nights" and "Notes From the Underground": WHITE NIGHTS, NOTES FROM UNDERGROUND, A FAINT HEART, A CHRISTMAS TREE AND A WEDDING, POLZUNKOV, A LITTLE HERO and MR. PROHARTCHIN.

The One from the Other

Good looks, a great job and a cool car--Jack Keeler has it all. He's even found the perfect girl, the soul mate he always dreamed of. But Jack's world is not what it seems, and the reality he thought he knew is only an illusion. He suddenly finds himself in a totally different world, one filled with deceit and death. As Jack realizes he is a man living in two worlds, his life begins to unravel. He struggles to separate the world of reality from the world of illusion, but is horrified to find the world in which he lived and the world in which he now finds himself offer only one choice--certain death! Set against the vibrant backdrop of present day Chicago, a small Indiana town, and the South Pacific in World War Two, *Delirium* is a haunting love story spanning time and continents. Its compelling and all too human characters jump off the page to join the reader in the mystery, action and romance.

Rainbow Valley

One of the most tragic stories of the 1990's rock world was that of singer Shannon Hoon, and his band, Blind Melon. Despite scoring one of the decade's most enduring singles and videos, "No Rain," and a quadruple platinum hit with their 1992 self-titled debut album (in addition to touring alongside rock's biggest names), Hoon could not overcome a dangerous drug addiction. Only two records into a promising career, Hoon was dead from an overdose at the age of 28. 'A Devil on One Shoulder and an Angel on the Other' is the first book to tell the group's story--culled from over 50 exclusive interviews (including the surviving band members and those closest to the band) and featuring many never-before-seen photos. "I am honored that Greg has painstakingly accounted for what the hell happened during those crazy times. He has summed up all the chaos, jubilation, and paranoia that is Blind Melon." -Brad Smith, Blind Melon bassist

"Winner, 2011 Gold Award, Historical Fiction, eLit Book Awards." In the greatest, foulest city in the world, love, mayhem and betrayal are waiting for the slave, Alexandros. Given as a gift to the richest man in Rome, he soon discovers that intrigue and murder stalk the house of his master. Alexandros can solve the crime, but if he does, the worst punishment may prove to be his own. Alexandros is astute, well-educated and brimming with caustic wit, but he can't seem to remember the golden rule of slavery: keep your head down and your mouth shut. No wonder more than one person in the house of Marcus Crassus wants to see this former Greek philosophy student dead. Through accident and intervention, Alexandros manages to survive, but is he willing to take the proffered hand of the one ally he wants desperately to despise - his owner? Every boon and advancement accepted from Crassus is an acknowledgment that his former life is gone. Yet how can he resist? Crassus is a good man, for a Roman. At last, Alexandros realizes that accepting his condition is the only way to recoup the little freedom left him. He willingly opens his eyes to his new life and immediately falls in love with Livia, a fellow servant he's never allowed himself to see. But romance for a slave is a fragile thing, especially when tragedy befalls the Crassus household

in the guise of Gaius Julius Caesar and his insatiable ambition. Alexandros has won the ear of Crassus, but can a slave keep a master of Rome from making a choice that could topple the foundations of an empire?

Him on the One Side and Me on the Other

Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the inspiration. When he started writing again, in 2004, after getting the medical problems under control, he began to read some on-line stories dealing with emergency preparedness, one of his other loves. The die was cast. Now with over a hundred of the vignettes and short stories about how to survive disasters written, along with his other novels, Jerry decided to go for broke, adding one of his previous works every few days to his list of stories now available, Jerry continues to write, both the Prep/PAW stories, as well as action adventure with a little romance type stories that first got him started.

When Thandi Dladla undertakes to coach a young soccer team in a rural school in South Africa she little realizes how it will change her life. When levelling the terrain to make a field she discovers two skeletons which reveal how ninety percent of people became right-handed. This leads Thandi on a journey of discovery which helps her not only to coach her team to success but also to find the murderer of her father, a university professor who fought the Apartheid regime. Because of an obstructive police investigation her brother decides to take the law into his own hands and revenge the killing of his father. As she unveils the clues to the identity of the murderers she learns about the involvement of the State Security Council, a sinister Apartheid body accountable to none that planned and executed the deaths of countless black activists. She also discovers the origins of handedness, the role of the left and right brain in human conduct and the genesis of evil in the world. Her coaching methods in soccer, including encouraging every player to become equal footed, challenge many existing practices and she discovers how to teach her team and students to surpass their previous achievements. Her struggle with the Catholic headmaster explores the influence of religion in society and its juxtaposition with science and witchcraft. In a thrilling series of twists the denouement reveals the dark underbelly of South African society.

The One From The Other

The New York Times bestselling author of the Bernie Gunther novels reimagines the end of World War 2 in this gripping standalone spy thriller. Autumn 1943. Since Stalingrad, Hitler has known that Germany cannot win the war. The upcoming Allied conference in Teheran will set the ground rules for their second front-and for the peace to come. Realizing that the unconditional surrender FDR has demanded will leave Germany in ruins, Hitler has put out peace feelers. (Unbeknownst to him, so has Himmler, who is ready to stage a coup in order to reach an accord.) FDR and Stalin are willing to negotiate. Only Churchill refuses to listen. At the center of this high-stakes game of deals and doubledealing is Willard Mayer, an OSS operative who has been chosen by FDR to serve as his envoy. A cool, self-absorbed, emotionally distant womanizer with a questionable past, Mayer has embraced the stylish philosophy of the day, in which no values are fixed. He is the

perfect foil for the steamy world of deception, betrayals, and assassinations that make up the moral universe of realpolitik. With his sure hand for pacing, his firm grasp of historical detail, and his explosively creative imagination about what might have been, Philip Kerr has fashioned a totally convincing thinking man's thriller in the great tradition of Eric Ambler and Graham Greene.

Being the Other One

I waited until the last two years of high school to take Spanish and am now one of only three seniors; Sam and Rob are the others. Every day we have to conjugate verbs and today, the teacher was in a rare mood. Amar: to love That's what I associated with Rob Holland, the newest student at Naylorville High who somehow has the power to make me blush, stammer and trip all at once. Molestar: to annoy That should be Sam Seeley's middle name. Since seventh grade he has annoyed me to the point where I should earn a gold medal for ignoring him. Matar: to kill This is what I want to do to the person putting black origami roses in my locker, writing hateful notes, rude emails and texts and throwing a rock at my bedroom window. Nadar: to swim My one talent. A college scholarship I desperately need. Something I never thought I wouldn't be able to do until an "accident" cuts my swim season short. Aprender: to learn I have a lot to learn. About Rob and how emotionally stunted a person can be. About Sam and how his life isn't better than anyone else's. About how one friend's mental illness can have lasting effects. About love. About myself Lane Meyers.

The voices in the dreams lead them on a journey through space and time, from world to world in a desperate struggle for truth, justice, life.

Hitler's Peace

The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. Two kids named Wes Moore were born blocks apart within a year of each other. Both grew up fatherless in similar Baltimore neighborhoods and had difficult childhoods; both hung out on street corners with their crews; both ran into trouble with the police. How, then, did one grow up to be a Rhodes Scholar, decorated veteran, White House Fellow, and business leader, while the other ended up a convicted murderer serving a life sentence? Wes Moore, the author of this fascinating book, sets out to answer this profound question. In alternating narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. BONUS: This edition contains a new afterword and a *The Other Wes Moore* discussion guide. Praise for *The Other Wes Moore* "Moving and inspiring, *The Other Wes Moore* is a story for our times."—Alex Kotlowitz, author of *There Are No Children Here* "A tense, compelling story and an inspirational guide for all who care about helping young people."—Juan Williams, author of *Enough* "This should be required reading for

anyone who is trying to understand what is happening to young men in our inner cities.”—Geoffrey Canada, author of *Fist Stick Knife Gun* “The Other Wes Moore gets to the heart of the matter on faith, education, respect, the hard facts of incarceration, and the choices and challenges we all face. It’s educational and inspiring.”—Ben Carson, M.D., author of *Gifted Hands* “Wes Moore is destined to become one of the most powerful and influential leaders of this century. You need only read this book to understand why.”—William S. Cohen, former U.S. senator and secretary of defense “This intriguing narrative is enlightening, encouraging, and empowering. Read these words, absorb their meanings, and create your own plan to act and leave a legacy.”—Tavis Smiley, from the Afterword

'One of the greatest anti-heroes ever written' LEE CHILD Bernie Gunther has learned the hard way that there's no way to distinguish 'the one from the other'. The cynical P.I. sees through the deceit and hypocrisy of both friend and foe - a lifesaving skill in postwar Germany. Munich, 1949 is home to all the backstabbing intrigue that prospers in the aftermath of war. A place where a private eye can find a lot of not-quite-reputable work: cleaning up the Nazi past of well-to-do locals, abetting fugitives in the flight abroad, sorting out rival claims to stolen goods. It's work that fills Bernie with disgust - but it also fills his sorely depleted wallet. Then a woman seeks him out. Her husband has disappeared. She's not looking to get him back - he's a wanted man who ran one of the most vicious concentration camps in Poland. She just wants confirmation that he's dead. It's a simple enough job. But in post-war Germany, nothing is simple

The Other Alexander

This carefully crafted ebook: "Rainbow Valley" is formatted for your eReader with a functional and detailed table of contents. Anne Shirley has now been married to Gilbert Blythe for 15 years, and the couple have six children. After a trip to London, Anne returns to the news that a new minister has arrived in Glen St. Mary. John Meredith is a widower with four young children. The children have not been properly brought up since the death of their mother, with only their father to parent them. The children are considered wild and mischievous by many of the families in the village, causing them to question Mr. Meredith's parenting skills and his suitability as a minister.

Two Treatises, the One of Repentance, the Other of Christ's Temptations

The one thing Rose Trent, Dowager Countess of Bentley, ever wanted was freedom. Now it's within her grasp. Or it was, until she was kidnapped on the very first holiday she'd ever taken. What should have been traumatic has turned into the most adventurous time in her life, aided by a most unlikely Scot. Unfortunately, she only has a fortnight to thoroughly enjoy herself before her stepson shows up to pay the ransom. Laird Aiden MacGregor usually thinks through everything before taking action. Order is necessary to the running of a successful business and home. But, one simple rash action throws everything into disorder. He hadn't been the one to kidnap the delightful and beautiful Lady Bentley, but he'd be the one to pay the price. As such, he decides to spend the last days on Earth making everything right with his family, securing their future, and spending every moment he can with Rose before he swings from the gallows. With a word from her, or perhaps promise, his neck might be saved, but at what cost and is Rose willing to save him?

Delirium

When there's a disabled child in the family, how are normally developing siblings affected? According to Kate Strohm, a counselor and health educator, siblings of the disabled face particular emotional challenges that are often overlooked. Able siblings commonly struggle with feelings of isolation, grief, anger, and anxiety—and these and other emotional issues can have lifelong effects. *Being the Other One* is based on the author's own experience (as a sibling of a sister with cerebral palsy) and on extensive interviews she conducted with siblings of all ages. In clear and compassionate terms, Strohm explores the often secret feelings of siblings and offers valuable strategies for coping with the challenges they face. *Being the Other One* reveals the difficulties faced by siblings at all stages of life, from early childhood through adulthood, when siblings must often assume responsibility for the care of their disabled brothers and sisters. Though the book looks honestly at the many challenges that siblings face, it is full of encouragement and practical strategies. Strohm emphasizes that when siblings are able to clearly identify and openly express their feelings and concerns—and when parents and health professionals offer the needed support—siblings can thrive. This book includes writing exercises for personal exploration and a substantial resources section listing helpful books, organizations, and websites.

The Other Side of the Ice

When the Civil War began, Northern soldiers and civilians alike sought a framework to help make sense of the chaos that confronted them. Many turned first to the classic European military texts from the Napoleonic era, especially Antoine Henri Jomini's *Summary of the Art of War*. As Carol Reardon shows, Jomini's work was only one voice in what ultimately became a lively and contentious national discourse about how the North should conduct war at a time when warfare itself was rapidly changing. She argues that the absence of a strong intellectual foundation for the conduct of war at its start--or, indeed, any consensus on the need for such a foundation--ultimately contributed to the length and cost of the conflict. Reardon examines the great profusion of new or newly translated military texts of the Civil War years, intended to fill that intellectual void, and draws as well on the views of the soldiers and civilians who turned to them in the search for a winning strategy. In examining how debates over principles of military thought entered into the question of qualifications of officers entrusted to command the armies of Northern citizen soldiers, she explores the limitations of nineteenth-century military thought in dealing with the human elements of combat.
