Patří Tibet Tibeťanům, nebo je už dávno multikulturní zemí? Jakou roli dnes hraje dalajláma? Co přinese Tibetu budoucnost? Nepokoje ve Lhase a celosvětové protesty proti čínské politice v Tibetu ukazují, že Tibet je pro mnohé fascinující a tajemnou zemí. "Střecha světa" dříve a dnes - Uli Franz přináší ve své knize důležitá a málo známá fakta.

novel known in Tibet also as a popular drama. Its composition goes back to Indian avadanas and jatakas. Its language differs from the "Classical" written Mongolian of the 18th-century Buddhist xylographs and shows a marked influence of the underlying Chakhar dialect. This publication offers a thorough literary-historical and linguistic analysis with the annotated transcription and facsimile of the manuscript kept in the Copenhagen Royal Library. It contributes to the knowledge of Mongolian literature and its Indo-Tibetan connections and to a better understanding of the language and style of the translator Caqar gebsi Lubsang cultim, a noted man of letters.

The Attractive Empire

Country Life

Because imperialism has had such an appalling ideological reputation, we've lost sight of its excitement, the breathless anticipation of adventures in far-off lands. *The Attractive Empire* is a tour de force of enthralling historical scholarship that puts the appeal, and seductions, of imperialism on display, without underestimating its ugly consequences. Like its chosen subject, the book covers an astonishing array of texts, events, people, and issues. The clarity and vividness of the writing make it work effortlessly. Baskett's organizational skills, narrative, and

rhetoric deftly orchestrate a complex subject. —Darrell William Davis, University of New South Wales "Michael Baskett removes imperial Japanese film from its solitary confinement and commandingly analyzes how it functioned internationally. He commits a depth of research rarely found in English-language studies of Japanese cinema, and his mastery of the primary and secondary sources from beyond Japan's borders distinctly set his book apart from previous scholarship on the subject. Not only is this a work that historians and film scholars will appreciate but also one that I look forward to assigning to undergraduates." —Barak Kushner, Cambridge University Japanese film crews were shooting feature-length movies in China nearly three decades before Akira Kurosawa's *Rashomon* (1950) reputedly put Japan on the international film map. Although few would readily associate Japan's film industry with either imperialism or the domination of world markets, the country's film culture developed in lock step with its empire, which, at its peak in 1943, included territories from the Aleutians to Australia and from Midway Island to India. With each military victory, Japanese film culture's sphere of influence expanded deeper into Asia, first clashing with and ultimately replacing Hollywood as the main source of news, education, and entertainment for millions. *The Attractive Empire* is the first comprehensive examination of the attitudes, ideals, and myths of Japanese imperialism as represented in its film culture. In this stimulating new study, Michael Baskett traces the development of Japanese film culture from its unapologetically colonial roots in Taiwan and Korea to less obvious manifestations of empire such as the semicolonial markets of Manchuria and

Shanghai and occupied territories in Southeast Asia. Drawing on a wide range of previously untapped primary sources from public and private archives across Asia, Europe, and the United States, Baskett provides close readings of individual films and trenchant analyses of Japanese assumptions about Asian ethnic and cultural differences. Finally, he highlights the place of empire in the struggle at legislative, distribution, and exhibition levels to wrest the "hearts and minds" of Asian film audiences from Hollywood in the 1930s as well as in Japan's attempts to maintain that hegemony during its alliance with Nazi Germany and Fascist Italy.

Books of the Month

Written by one of the world's most respected authorities on Tibetan breeds, Juliette Cunliffe, a British native living in Tibet, this introductory guide to the Tibetan Terrier offers a rare look into this mystical canine from Land of Snows. Unlike any other dog, the Tibetan Terrier, a member of the AKC Non-Sporting Group, is not a terrier, but rather a fun-loving companion dog prized for his snowshoed feet, his hardy constitution, and his profuse coat covering his deep brown eyes, giving him an expression that reveals his true exuberant personality. With years of experience as an international judge and owner of the Tibetan breeds, the author provides a complete historical overview of the breed in its native land, where it was regarded as a talisman of great value, as well as in the United Kingdom and the United States. The extensive coverage of the breed in America is accompanied by

historical photographs of the dogs that made the most lasting impact on the breed in this country. Filled with color photographs that capture the heart and spirit of this exceptional companion breed, this Comprehensive Owner's Guide provides up-to-date and informative chapters on the breed's characteristics, puppy selection, care, house-training and positive-motivational obedience training, healthcare, and much more.

The Publisher

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. “This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With The Wim Hof Method, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable

achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim’s Story**—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.
