Helix is a tortoise who was born with a physical challenge, he can't use his back legs, leaving him unable to walk. He was at a new school and his teacher, Mr. Terty, introduced him to his new classmates. Helix was very brave and explained to the class what his physical challenge was. Helix's new friends asked him to play games, but due to his physical challenge, he wasn't able to play them. Helix wasn't upset about not being able to play the games, in fact, he showed lots of perseverance by using words like "not yet". Then Herman came up with a creative idea to save the day. With lots of kindness, Herman gave Helix his skateboard wheels and helped attach them. Now that Helix has wheels, he can play all the games with his new friends. The story ends with Helix sitting at the dinner table with his parents, telling them all about his wonderful day of school. The last few pages of the book are character pages. Each student in Helix's class is a different species of tortoise, so the character pages include common name, scientific name, habitat, climate, and a fun fact. When Children read this book they will learn about being brave, acceptance, kindness, problem solving, physical challenges, perseverance and they will even get a little education on tortoises. Helix gets his wheels will be part a series of books dicussing Social emotional learning standards, taught in a fun way, through a cute tortoise, that really exists.

Croc & Turtle: Snow Fun!

Bestselling children's author Kay de Silva presents "Dolphins." The book uses captivating illustrations, and carefully chosen words to teach children about 'the acrobat of the sea'. This series is known for its beautiful full-color images. The description in large text is simple enough for early readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate its beauty. This book depicts the wonder of the world of Dolphins in all its glory. Children are given a well-rounded understanding of this beautiful mammal: its anatomy, feeding habits, and behavior. The following Dolphins are featured: * The fun-loving Atlantic Spotted Dolphin * The loveable Bottlenose Dolphin * The acrobatic Dusky Dolphin * The energetic Pacific White-sided Dolphin * The shy Risso's Dolphin * The endangered Amazon River Dolphin

Winner of the Kate Greenaway Medal When a young boy embarks on a journey alone . . . he trails a colony of penguins, undulates in a smack of jellyfish, clasps hands with a constellation of stars, naps for a night in a bed of clams, and follows a trail of shells, home to his tribe of friends. If Lane Smith's Caldecott Honor Book Grandpa Green was an homage to aging and the end of life, There Is a Tribe of Kids is a meditation on childhood and life's beginning. Smith's vibrant sponge-paint illustrations and use of unusual collective nouns such as smack and unkindness bring the book to life. Whimsical, expressive, and perfectly paced, this story plays with language as much as it embodies imagination, and was awarded the 2017 Kate Greenaway Medal. This title has Common Core connections.

Humans offer a helping hand. Sea turtles face many dangers as they grow, eat, travel, and breed. In this dramatization of one female turtle's challenges, acclaimed nature writer April Pulley Sayre highlights the role that humans have in helping this endangered species. Previously published, this story has been re-illustrated by Annie Patterson. Information on sea turtle conservation efforts and the seven species of sea turtles is included.

Turtle and Tortoise Are Not Friends

Who will help Mossy return home to Lilypad Pond? Mossy, an amazing turtle with a gorgeous garden growing on her shell, loses her freedom when Dr. Carolina, a biologist, takes her to live in her Edwardian museum. Visitors flock to see Mossy, but it is Dr. Carolina's niece, Tory, who notices how sad Mossy is living in a viewing pavilion. She misses the outdoors and her friend, Scoot. Dr. Carolina finds a way to keep the spirit of Mossy alive at the museum. She invites Flora and Fauna to paint Mossy's portrait. Then she and Tory take Mossy home, where Scoot is waiting for her. Jan Brett fans will pore over the colorful paintings of Lilypad Pond and lush borders displaying wildflowers, ferns, butterflies and birds in contrast to elegant spreads of the museum filled with visitors in stylish Edwardian dress and exquisite borders of shells, rocks, crystals and birds' eggs. MOSSY gives readers a fascinating look at nature in the wild and on display in a natural history museum.
