A Concise American History

This book tackles the messy details, reclaims disregarded heroes, and sets the record straight. It also explains why July 4th isn't really Independence Day.

History Lessons

Use hands-on projects to teach students about American History. The Fun Projects for U.S. History series has students using materials such as paint, clay, and poster board to create a wide array of displays, replicas, reproductions, artifacts, and adornments. The book has nine projects, extension activities for graphics, and a CD-ROM with the full text and all of the illustrations in full color. Projects: Patriotic Stationery, Faux-Leather Sewing Kit, Southern Cockades, Quilt Blocks, Union and Confederate Ironclads, and more.

Immigrants in American History: Arrival, Adaptation, and Integration [4 volumes]

Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Then, you can use it again as a refresher to prepare for the Regents exam by taking a full-length practicetest. Concise answer explanations immediately follow each question--so everything you need is right there at your fingertips. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll get an introduction and a short lesson on writing essays. You'll also find sequential, topic-specific test questions with fully explained answers for each of the following sections: U.S. and New York State History World History Geography Economics Civics, Citizenship, and Government A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam.

Jumpstarters for U.S. History, Grades 4 - 8

This Day in American History, 4th ed.

This book offers a detailed and comprehensive guide to contemporary sources for research into the history of individual nineteenth-century U.S. communities, large and small. The book is arranged topically (covering demography, ethnicity and race, land use and settlement, religion, education, politics and local government, industry, trade and transportation, and poverty, health, and crime) and thus will be of great use to those investigating particular historical themes at national, state, or regional level. As well as examining a wide variety of types of primary sources, published and unpublished, quantitative and qualitative, available for the study of many places, the book also provides information on certain specific sources and some individual collections, in particular those of the National Archives.

A People's History of the United States

In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

Sources for U.S. History

Document-based Assessment Activities for U.S. History Classes

Expertly steering readers through the often tumultuous and exhilarating history of the United States, from its early modern Native American roots to twenty-first-century neoliberalism and the shifting political climate of the past decade, this highly readable textbook provides a compelling overview of American development over the last five centuries. This book avoids either celebratory or condemnatory rhetoric to present a critical examination of domestic America and its interaction with the rest of the world. Balancing coverage of political, social, cultural, and economic history, each chapter also includes a wealth of features to facilitate learning: Timelines situating key events in their wider chronology Lists of topics covered within each chapter for easy reference Concept boxes discussing selected issues in more detail Historiography boxes exploring key debates Chapter summaries offering condensed outlines of the main themes of each chapter Further reading lists guiding readers to additional resources Maps and images bringing to life important events and figures from America's history Clearly and engagingly written and positioning America's narrative within the wider global context, this textbook is particularly accessible for non-US students and is the perfect introduction for those new to US history. This textbook is also supported by a companion website offering interactive content including a timeline, multiple-choice quizzes, and links to selected web resources.

10 American History Plays for the Classroom

American History for Everyone: A Narrative History of the United States tells the story of the development of the United States, from the arrival of humans in Alaska more than 10,000 years ago to the opening of the twenty-first century. Focusing on the nation's successive waves of individuals that make up the story of American history the book offers a look at the individuals that created the United States of today. In the book vague recollections are clarified, myths are removed, and misconceptions are corrected. American History for Everyone: A Narrative History of the United States tells the story of the nation and the people who created it. Those individuals often in conflict with each other and always struggling fashioned the United States into the wealthiest and most powerful nation in the world. It also has become one of the most idealistic and willing to devote its resources to solving social problems at home and around the world.

Focus On U.s. History

Bring history to life for students in grades 4 and up using Jumpstarters for U.S. History: Short Daily Warm-Ups for the Classroom. This 48-page resource covers the land and first Americans, explorers, colonizers, and the United States as a world power. The book includes five warm-ups per reproducible page, answer keys, and

suggestions for use.

An Outline of American History for Use in High Schools

These twenty-one stories in African-American History make up an inspiring album of Americans of African descent who, against all odds, made significant contributions to American history (includes information on Barack Obama). Their stories are told in language that is meaningful to the students learning about these notable people and events for the first time. Each story is followed by an activity that will help students recall the major contributions of each subject. Frederick Douglass, Bill Picket, and W. E. B. Du Bois are just a few of the influential African-Americans to whom your students will be introduced in this fantastic book. 48 pages.

American History for Everyone

Bring the women who shaped American history to life in the classroom! Each script embraces an event or portion of these famous womens lives, and illustrates the contribution that the women made in shaping history in politics, art, sports and medicine. Readers Theatre format empowers students to focus on learning about historical events of the womens lives and bringing those events to life in the

classroom. Each play includes a background, presentation suggestions, listing of characters, and follow up activities. The nine women included are: Harriet Tubman, Sacagawea, Susan B. Anthony, Amelia Earhart, Laura Ingalls Wilder, Eleanor Roosevelt, Nellie Bly, Babe Didrikson Zaharias and Elizabeth Blackwell.

AP* U.S. History Review and Study Guide for American Pageant 14th edition

"The creation of the United States of America is the greatest of all human adventures," begins Paul Johnson. "No other national story holds such tremendous lessons, for the American people themselves and for the rest of mankind." In his prize-winning classic, Johnson presents an in-depth portrait of American history from the first colonial settlements to the Clinton administration. This is the story of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character. Littered with letters, diaries, and recorded conversations, it details the origins of their struggles for independence and nationhood, their heroic efforts and sacrifices to deal with the 'organic sin' of slavery and the preservation of the Union to its explosive economic growth and emergence as a world power. Johnson discusses contemporary topics such as the politics of racism, education, the power of the press, political correctness, the growth of litigation, and the influence of women throughout history. He sees

Americans as a problem-solving people and the story of their country as "essentially one of difficulties being overcome by intelligence and skill, by faith and strength of purpose, by courage and persistence Looking back on its past, and forward to its future, the auguries are that it will not disappoint humanity." Sometimes controversial and always provocative, A HISTORY OF THE AMERICAN PEOPLE is one author's challenging and unique interpretation of American history. Johnson's views of individuals, events, themes, and issues are original, critical, and in the end admiring, for he is, above all, a strong believer in the history and the destiny of the American people.

Nation's Report Card: U.S. History 2010

"This up-to-date fourth edition of the most important and interesting data--on a day by day basis-- throughout American history includes more than 1,400 new entries with information on a wide variety of subjects--both the "important" matters and the lesser known but thought provoking incidents and phenomena (societal changes, unexpected events) that add richness and depth to American history"--Provided by publisher.

That's Not in My American History Book

This encyclopedia is a unique collection of entries covering the arrival, adaptation, and integration of immigrants into American culture from the 1500s to 2010. • Recent immigration and naturalization data from the 2010 U.S. Census • Excerpts from American laws and customs • A chronology of migration to the United States between 1500 to 2010

Handbook for Research in American History

When the Handbook for Research in American History was first published, reviewers called it "an excellent tool for historians of all interests and levels of experience . . . simple to use, and concisely worded" (Western Historical Quarterly) and "an excellent work that fulfills its title in being portable yet well-filled" (Reference Reviews). The Journal of American History added, "It is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works. Professor Prucha has done the job very well." This second, revised edition takes account of the revolution that is occurring in bibliographic science as printed reference works extend to electronic databases, CD-ROMs, and online networks such as the Internet. Focusing on and expanding the major section of the original Handbook, it provides information on traditional printed works, describes new guides and updated versions of old ones, notes the availability of reference works and of some full-text sources in electronic form, and discusses the usefulness to researchers of different kinds of material and the forms in which they

are available. Extensive cross-referencing and a detailed index that includes authors, subjects, and titles enhance the book's usefulness.

The Complete Book of United States History

Games and Strategies for Teaching U.S. History

Reproducible student activities cover the Civil War and the rebuilding of the postwar South.

10 Easy-To-Read American History Plays That Reach All Kinds of Readers

Fun Projects for U.S. History: The New World

Covers significant eras in U.S. history. Encourages students to analyze evidence, documents, and other data to make informed decisions. Includes guidelines for students, answer prompts, and a scoring rubric. Develops essential writing skills.

Extraordinary Women from U.S. History: Readers Theatre for Grades 4-8

New York Times Bestseller In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore's sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of

presidents and a rogues' gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," These Truths observes. "It can't be shirked. There's nothing for it but to get to know it."

Readers Theatre for African American History

Do you think you know everything about the United States? Think again! Did you know that tomatoes were once put on trial in New Jersey? Or that it's illegal to whistle underwater in West Virginia? With these 1,000 facts about the USA, you're guaranteed to discover something you didn't know. From USA history to silly facts about American presidents, from laws you can't believe are laws to facts about U.S. inventions, this book is the perfect solution to any moment of boredom. Use the interesting facts to start a great conversation. Pull out the random facts to make someone smile. Be the center of any party with all the funny facts you'll find in this book. Got a pub quiz or trivia night to go to? Prepare with this book! With this many fun facts about the United States, you'll win every time.

Fun Projects for U.S. History: Indigenous Peoples

Smarter than your old history teacher, funnier than the founding fathers, and more American than apple pie, The Mental Floss History of the United States is an almost (but not entirely) comprehensive primer on American history (or at least, the good stuff). From the editors of MentalFloss.com and mental_floss magazine—with its tagline: "Feel smart again"—comes an American History text packed with hilarious (but true!) trivia written in the smart-aleck tradition of The Mental Floss History of the World, Mental Floss Presents In the Beginning, and the first mental_floss book, Condensed Knowledge. Perfect for trivia buffs, history lovers, college students, and anyone who likes to laugh and learn. United States history has never been so fun.

American History Revised

Present scripts that teach about African American history, starting in Africa before the transatlantic slave trade through to current events, focusing on reading skills improvement and literature-based history learning.

African-American History, Grades 4 - 6

All students love learning history with these exciting, easy-to-read plays. The plays are all written on a 3rd grade reading level, so even your most challenged readers will be successful. Topics covered include Columbus's explorations, Jamestown, the Pilgrims, the Boston Tea Party, the Underground Railroad, the Civil War, Immigration, and more. Also includes creative activities, Web and literature links, background information, and vocabulary lists. For use with Grades 4-8.

The Great Book of American Trivia

The Complete Book of United States History provides 352 pages of fun exercises for students in grades 3 to 5 that teaches important lessons in U.S. History! The exercises cover pre-United States history with the native peoples of the American continent to present day, and it also includes a complete answer key, user-friendly

activities, and easy-to-follow instructions. --Over 4 million in print! Designed by leading experts, books in the Complete Book series help children in grades preschool-6 build a solid foundation in key subject areas for learning success. Complete Books are the most thorough and comprehensive learning guides available, offering high-interest lessons to encourage learning and fun, full-color illustrations to spark interest. Each book also features challenging concepts and activities to motivate independent study, and a complete answer key to measure performance and guide instruction.

NAEP 1994 U.S. history report card : findings from the National Assessment of Educational Progress

Contains scripts for ten plays on different aspects of American history plus follow-up teaching activities.

These Truths: A History of the United States

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The

authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Fun Projects for U.S. History: The Civil War

Students will love to learn about significant events in American history with this fun puzzle workbook! From Columbus' discovery of the New World to the end of the Cold War, this engaging classroom supplement presents historical information through crossword, word search, and hidden message puzzles; review activities and answer keys are also included. Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. Mark Twain Media also provides innovative classroom solutions for bulletin boards and interactive whiteboards. Since 1977, Mark Twain Media has remained a reliable source for a wide variety of engaging classroom resources.

U.S. History For Dummies

“American History Revised is as informative as it is entertaining and humorous. Filled with irony, surprises, and long-hidden secrets, the book does more than revise American history, it reinvents it.”—James Bamford, bestselling author of *The Puzzle Palace*, *Body of Secrets*, and *The Shadow Factory* This spirited reexamination of American history delves into our past to expose hundreds of startling facts that never made it into the textbooks, and highlights how little-known people and events played surprisingly influential roles in the great American story. We tend to think of history as settled, set in stone, but *American History Revised* reveals a past that is filled with ironies, surprises, and misconceptions. Living abroad for twelve years gave author Seymour Morris Jr. the opportunity to view his country as an outsider and compelled him to examine American history from a fresh perspective. As Morris colorfully illustrates through the 200 historical vignettes that make up this book, much of our nation’s past is quite different—and far more remarkable—than we thought. We discover that:

- In the 1950s Ford was approached by two Japanese companies begging for a joint venture. Ford declined their offers, calling them makers of “tin cars.” The two companies were Toyota and Nissan.
- Eleanor Roosevelt and most women’s groups opposed the Equal Rights Amendment forbidding gender discrimination.
- The two generals who ended the Civil War weren’t Grant and Lee.
- The #1 bestselling American book of all time was written in one day.
- The Dutch made a bad investment buying Manhattan for

\$24. • Two young girls aimed someday to become First Lady—and succeeded. • Three times, a private financier saved the United States from bankruptcy. Organized into ten thematic chapters, American History Revised plumbs American history's numerous inconsistencies, twists, and turns to make it come alive again.

Jumpstarters for African-American History, Grades 4 - 8

United States History

A History of the American People

Bring history to life for students in grades 4 and up using Jumpstarters for African-American History: Short Daily Warm-Ups for the Classroom! This 48-page resource explores the contributions of African Americans throughout the history of the United States. It includes five warm-ups per reproducible page, answer keys, and suggestions for use.

CliffsTestPrep Regents U.S. History and Government Workbook

A “fascinating” look at what students in Russia, France, Iran, and other nations are taught about America (The New York Times Book Review). This “timely and important” book (History News Network) gives us a glimpse into classrooms across the globe, where opinions about the United States are first formed. History Lessons includes selections from textbooks and teaching materials used in Russia, France, Iran, Saudi Arabia, Cuba, Canada, and others, covering such events as the American Revolution, the Cuban Missile Crisis, the Iran hostage crisis, and the Korean War—providing some alternative viewpoints on the history of the United States from the time of the Viking explorers to the post-Cold War era. By juxtaposing starkly contrasting versions of the historical events we take for granted, History Lessons affords us a sometimes hilarious, often sobering look at what the world thinks about America’s past. “A brilliant idea.” —Foreign Affairs

U.S. History Puzzles, Grades 4 - 8

The Mental Floss History of the United States

With this book, students, teachers, and general readers get a most important look at primary documents—essentially history's "first draft"—revealing rare insights into how American life in past eras really was, and also about how professional

historians begin their work. • More than 200 selected primary documents drawn from more than four centuries of American life • General overviews for each broad topic and analytical introductions to each specific document by the editor • A chronological presentation of American history from colonial times to the present • Brief biographical information on the author and historical context for each document

The Big Book of American Facts

Developed by an acclaimed history teacher in Iowa, this popular resource includes 14 simulations, debates, quiz games and strategy games. It covers key topics from the first explorers to the 2000 presidential elections. Convene a constitutional convention, re-fight the Civil War, relive the Crash of '29, and much more. Use this ingenious text to reinvigorate your history classes.

U.S. History
