The Little Book of Value Investing

In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. The Tao of Warren Buffett

Warren Buffett's Stock Portfolio is the first book to take readers deep into Warren Buffett's investment portfolio. Each of Buffett's current stock investments is analyzed in detail with information as to why Buffett found these attractive businesses and how he determined that they are good long-term investments. Each company will be analyzed using the criteria outlined in *Buffettology* and *Warren Buffett and the Interpretation of Financial Statements*. The reader can then apply these techniques to a variety of other stocks and see if they meet Buffett's criteria. Although information about Warren Buffett's stock portfolio is available on-line, it is

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

merely listings of the stocks Warren owns. No one else explains the criteria Warren uses to determine how and when to buy and sell. In addition this book will include stocks that are too new to be on-line. The authors will also look at a few top-performing stocks that Warren has sold in the last ten years.

What happens when a young Wall Street investment banker spends a small fortune to have lunch with Warren Buffett? He becomes a real value investor. In this fascinating inside story, Guy Spier details his career from Harvard MBA to hedge fund manager. But the path was not so straightforward. Spier reveals his transformation from a Gordon Gekko wannabe, driven by greed, to a sophisticated investor who enjoys success without selling his soul to the highest bidder. Spier's journey is similar to the thousands that flock to Wall Street every year with their shiny new diplomas, aiming to be King of Wall Street. Yet what Guy realized just in the nick of time was that the King really lived 1,500 miles away in Omaha, Nebraska. Spier determinedly set out to create a new career in his own way. Along the way he learned some powerful lessons which include: why the right mentors and partners are critical to long term success on Wall Street; why a topnotch education can sometimes get in the way of your success; that real learning doesn't begin until you are on your own; and how the best lessons from Warren Buffett have less to do with investing and more to do with being true to yourself. Spier also reveals some of his own winning investment strategies, detailing deals that were winners but also what he learned from deals that went south. Part memoir, part Wall Street advice, and part how-to, Guy Spier takes readers on a ride through Wall Street but more importantly provides those that want to take a different path with the insight, guidance, and inspiration they need to carve out their own definition of success.

Warren Buffett Invests Like a Girl

Give a man a fish and he eats for a day. Teach him to arbitrage, and he will eat for a lifetime' Warren Buffett Warren Buffett and the Art of the Stock Arbitrage is the first book to explore the secret world of Buffett's arbitrage and special situations investing. Long considered one of the most powerful and profitable of Buffett's investment operations, but the least understood, these special types of investments have been the edge that has made Warren Buffett the world's greatest investor. This book examines Buffett's special brand of arbitrage investing, which involves taking advantage of short term price discrepancies that often occur when one company offers to buy another company. Buffett and David Clark, the authors of four best-selling books on Warren Buffett's investment methods, take the reader deep into the world of Buffett's arbitrage and special situation operations, giving us his strategies, his equations for determining value, and dozens of examples of his investments in this very lucrative segment of Buffett's investment operations. They offer detailed analysis and explanations of Buffett's arbitrage and special situations operations and techniques for the first time ever.

Philip L. Carret (1896-1998) was a famed investor and founder of The Pioneer Fund (Fidelity Mutual Trust), one of the first Mutual Funds in the United States. A former Barron's reporter and WWI aviator, Carret launched the Mutual Trust in 1928 after managing money for his friends and family. The initial effort evolved into Pioneer Investments. He ran the fund for 55 years, during which an investment of \$10,000 became \$8 million. Warren Buffett said of him that he had "the best long term investment record of anyone I know" He is most famous for the long successful track record he achieved investing in Common Stocks and for being one of Warren Buffett's role models. This book comprises a series of articles written for Barron's and published in book form in 1930.—Print Ed.

Warren Buffett and the Art of Stock Arbitrage

Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the fifth-largest public company in the world, valued at nearly \$350 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. The Warren Buffet Book of Investing Wisdom contains nearly three hundred quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

7 Secrets to Investing Like Warren Buffett

A retrospective collection of "Fortune" articles on Warren Buffett from the past half century places them in context and provides fresh commentary to offer insight into the influential investor's views on such topics as management, philanthropy, and public policy.

The New Buffettology

Following in the tradition of the TAO TE CHING, that ancient Chinese classic text on human nature, and more popular interpretations like the bestselling THE TAO OF POOH, wisdom from the iconic cartoon figure, THE TAO OF WARREN BUFFETT is a compendium of quotes from one of the world's favourite businessmen. Buffett's

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

investment strategies and life philosophies are revealed in this easy-to-read collection of sayings, some of which have never been heard before. The perfect gift for everyone on your list: from serious investors to over-spenders, Warren Buffett can teach everyone a few secrets of success.

Book of Value

Published in 1997, the bestselling BUFFETTOLOGY was tailored to the conditions of investors in the midst of a long bull market. Now, four years later, that market has seen once hot tech stocks crash and investors scramble to move their assets, or what remains of them, back to the safety of traditional blue chip companies. As peaks turn to troughs, worried investors wonder if there are any constants in today's volatile market. The answer is yes: Warren Buffett's value investing strategies make money. And, as THE NEW BUFFETTOLOGY demonstrates, there is no time to acquire like today's bear market. THE NEW BUFFETTOLOGY is the first guide to Warren Buffett's strategy for exploiting down stocks - a strategy that has made him the world's second richest person. Designed to teach investors how to decipher and use financial information like Buffett himself, this one-of-a-kind guide walks readers step-by-step through the equations and formulas Buffett uses to determine what to invest in and, just as importantly, when. Authors Mary Buffett and David Clark explore Buffett's recent investments in detail, proving time and time again that his strategy has earned enormous profits at a time when no one

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

expects them - and with almost zero risk to his capital.

The Art Of Speculation

When Warren Buffett Speaks. . . people listen. "If people want to improve their investing skills, it has to help to study how the Master does it. This short book outlines Buffett's philosophy and techniques." —Peter S. Lynch, Fidelity Investments "Common sense with a deft irony . . ." —John C. Bogle, founder of The Vanguard Group and author, *The Little Book of Common Sense Investing* "It was Warren Buffett's thoughts and philosophy that first captivated investors. Janet Lowe has done us all a great service by collecting and arranging Warren Buffett's wit and wisdom in an easy-to-read and enjoyable book." —Robert G. Hagstrom, Portfolio Manager, Legg Mason Growth Trust mutual fund, and author, *The Warren Buffett Way, Second Edition* "A must-read. Buffett's wit and wisdom is a roadmap for anyone looking to succeed in business, investing, and life." —Steve Halpern, Editor, www.thestockadvisors.com

The Belly Art Project

First published in 1936, *One Thousand Ways to Make \$1000* is the long out-of-print book that Warren Buffett's biographers credit with shaping the legendary investor's

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of One Thousand Ways off a library shelf at age eleven and devouring F.C. Minaker's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie's How to Win Friends and Influence People, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today-goat dairying, manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented- the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, One Thousand Ways to Make \$1000 is both a durable, classic business book and a fascinating portrait of determined entrepreneurship in Depression-era America. Every effort has been made to reproduce the content exactly as it was originally presented.

Tao of Charlie Munger

At last, here is a book that reveals what the public really wants to know about this legendary investor: how he determines where he puts his money. From a team with privileged insight, Mary Buffett, a savvy CEO and Warren Buffett's former

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

daughter-in-law, and David Clarke, a successful portfolio analyst, comes BUFFETTOLOGY, the most detailed explanation ever of the billionaire's unique investment techniques. Using Warren Buffett's system to access a company's potential economic excellence and the right price to pay for its stock, BUFFETTOLOGY demonstrates the actual mathematical models and equations, revolving around three variables: the yearly per share earnings figure, its predictability, and the market price of security. With BUFFETTOLOGY, individual investors will come to truly understand, and emulate, Warren Buffett's masterful insight, and see that investment is most intelligent when it is most businesslike.

Warren Buffett and the Interpretation of Financial Statements

Bestselling authors Mary Buffett and David Clark examine seventeen companies that Warren Buffett has bought for himself and for his holding company, Berkshire Hathaway, as durable investments and explain why these companies are once again selling at prices that offer great long-term growth prospects. Warren Buffett has always believed that the time to buy stocks is when nobody else wants them. As we enter the fifth year of what many economists are calling the Great Recession, we find that some of the most amazing businesses—those with a durable competitive advantage—are trading at prices and price-to-earnings ratios that offer investors serious long-term moneymaking opportunities. Pessimism about the banking situation in Europe and unemployment in America have created

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

the perfect storm to bring stock prices down and present value-oriented investors some great possibilities. In Warren Buffett's world, as stock prices decrease, the prospects for investment increase. Putting a number on those prospects tells Warren whether or not the stock is an attractive buy. The Warren Buffett Stock Portfolio explains how to do just that—how to value companies and conservatively estimate the kind of future return that an investment is offering at its current market price. Mary Buffett and David Clark look at stocks in Warren's portfolio as the basis for their analysis. After a brief history of Warren's investment strategy, Buffett and Clark explain how to interpret a company's per-share earnings and per-share book-value histories to quickly identify which companies have a durable competitive advantage and to project the compounding annual rate of return that an investment offers. The authors provide case studies and evaluations of seventeen companies in Warren Buffett's portfolio. The Warren Buffett Stock Portfolio is a valuable companion to the other books in Buffett and Clark's successful series—Buffettology, The Buffettology Workbook, The New Buffettology, The Tao of Warren Buffett, Warren Buffett and the Interpretation of Financial Statements, Warren Buffett's Management Secrets, and Warren Buffett and the Art of Stock Arbitrage.

The Warren Buffett Stock Portfolio

With an insider's view of the mind of the master, Mary Buffett and David Clark

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

The Tao of Warren Buffett

The Belly Art Project is a celebration of one of humanity's greatest gifts: motherhood! Created by Sara Blakely, the founder of Spanx and the Sara Blakely Foundation, this beautiful, happy book features photographs of over 100 women who came together and used unlikely canvases - their bellies - as billboards of hope. The Belly Art Project showcases moms-to-be with their bellies transformed into works of art--witty, eye-bending and beautifully art directed--all posed to benefit mothers in need. All kinds of mamas bellied up to the cause, from celebrities like Kate Winslet, mother of three, and Milla Jovovich, mother of two, to business leaders like Zanna Roberts Rassi, fashion editor and TV host, and Stacey Bendet, founder and CEO of fashion brand Alice and Olivia, to everyday women from all over the globe. With a complete how-to belly paint section so readers can

paint themselves or their friends, The Belly Art Project is an inventive piece of design and a perfect baby shower present. 100% of the author's proceeds benefit Every Mother Counts.

The Education of a Value Investor

The guide to making money the Warren Buffett way The book that presents the same fundamentals that Warren Buffet used to turn an initial \$105,000 investment into a \$40 billion fortune in a way the general reader can apply, Building A Small Business that Warren Buffett Would Love is a succinct, logical, and straightforward guide to financial success. Highlighting one simple message: that Warren Buffett successfully invests in great businesses with strong fundamentals, it argues that these fundamentals can be replicated in a small business to yield outstanding results. Offering a solution for people wanting to start a business to provide additional income in today's uncertain economy, and designed to help entrepreneurs build fundamentally sound, small businesses using Warren Buffett's business investment perspective, the book covers: An overview of Warren Buffett's investment methodology and how it applies to small businesses The details of the Buffett investment criteria—a consumer monopoly, strong earnings, low long term debt, and high ROE with the ability to reinvest earnings—and the application of these fundamentals to both start-up and existing small businesses An approach to building a small business that applies the well respected principles of Warren

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

Buffett, the book presents an exciting new look at the steps to success that have been proven trustworthy by one of the richest men in the world.

Building a Small Business that Warren Buffett Would Love

Since its hardcover publication in August of 1995, Buffett has appeared on the Wall Street Journal, New York Times, San Francisco Chronicle, Los Angeles Times, Seattle Times, Newsday and Business Week bestseller lists. The incredible landmark portrait of Warren Buffett's uniquely American life is now available in paperback, revised and updated by the author. Starting from scratch, simply by picking stocks and companies for investment, Warren Buffett amassed one of the epochal fortunes of the twentieth century--an astounding net worth of \$10 billion, and counting. His awesome investment record has made him a cult figure popularly known for his seeming contradictions: a billionaire who has a modest lifestyle, a phenomenally successful investor who eschews the revolving-door trading of modern Wall Street, a brilliant dealmaker who cultivates a homespun aura. Journalist Roger Lowenstein draws on three years of unprecedented access to Buffett's family, friends, and colleagues to provide the first definitive, inside account of the life and career of this American original. Buffett explains Buffett's investment strategy--a long-term philosophy grounded in buying stock in companies that are undervalued on the market and hanging on until their worth invariably surfaces--and shows how it is a reflection of his inner self.

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

Warren Buffett

Since the 1950s, Warren Buffett and his partners have backed some of the twentieth century's most profitable, trendsetting companies. But how did they know they were making the right investments? What did Buffet and his partners look for in an up-and-coming company, and how can others replicate their approach? A gift to Buffett followers who have long sought a pattern to the investor's success, Inside the Investments of Warren Buffett presents the most detailed analysis to date of Buffet's long-term investment portfolio. Yefei Lu, an experienced investor, starts with Buffett's interest in the Sanborn Map Company in 1958 and tracks nineteen more of his major investments in companies like See's Candies, the Washington Post, GEICO, Coca-Cola, US Air, Wells Fargo, and IBM. Accessing partnership letters, company documents, annual reports, third-party references, and other original sources, Lu pinpoints what is unique about Buffett's timing, instinct, use of outside knowledge, and postinvestment actions, and he identifies what could work well for all investors in companies big and small, domestic and global. His substantial chronology accounts for broader world events and fluctuations in the U.S. stock market, suggesting Buffett's most important trait may be the breadth of his expertise.

The Warren Buffett Way

The Snowball

Over seven years, 45 of the world's top investors were given between \$25 and \$150m to invest by fund manager Lee Freeman-Shor. His instructions were simple. There was only one rule. They could only invest in their ten best ideas to make money. It seemed like a foolproof plan to make a lot of money. What could possibly go wrong? These were some of the greatest minds at work in the markets today - from top European hedge fund managers to Wall Street legends. But most of the

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

investors' great ideas actually lost money. Shockingly, a toss of a coin would have been a better method of choosing whether or not to invest in a stock. Nevertheless, despite being wrong most of the time, many of these investors still ended up making a lot of money. How could they be wrong most of the time and still be profitable? The answer lay in their hidden habits of execution, which until now have only been guessed at from the outside world. This book lays bare those secret habits for the first time, explaining them with real-life data, case studies and stories taken from Freeman-Shor's unique position of managing these investors on a day-to-day basis. A riveting read for investors of every level, this book shows you exactly what to do and what not to do when your big idea is losing or winning - and demonstrates conclusively why the most important thing about investing is always the art of execution.

The Devil's Financial Dictionary

Even in today's economic climate, when so many investors and major companies are failing, Warren Buffett continues to be successful in all aspects of his life. Mary Buffett and David Clark have written the first book ever to take an in-depth look at Warren Buffett's philosophies for personal and professional management -- what they are, how they work, and how you can use them. Through close examination of Warren Buffett's life and career from his earliest days to now, Buffett and Clark shed light on his decision-making processes and reveal his strategies for keeping

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

on track and maintaining focus. They examine Buffett's inimitable leadership qualities and explain how Warren integrated what he learned over time into a winning management formula and became not only the manager whom other managers want to emulate but also the second richest man in the world. A true companion volume to Buffett and Clark's successful Buffettology series, Warren Buffett's Management Secrets is filled with anecdotes and quotes that show how Buffett's life philosophies are reflected in his business decisions and in the way he manages people and businesses. This insider's view into Warren Buffett's management techniques offers simple solutions for success to newcomers and seasoned Buffettologists alike and illustrates how and why success in business and life usually go hand in hand.

Investing

Your Survival Guide to the Hades of Wall Street The Devil's Financial Dictionary skewers the plutocrats and bureaucrats who gave us exploding mortgages, freakish risks, and banks too big to fail. And it distills the complexities, absurdities, and pomposities of Wall Street into plain truths and aphorisms anyone can understand. An indispensable survival guide to the hostile wilderness of today's financial markets, The Devil's Financial Dictionary delivers practical insights with a scorpion's sting. It cuts through the fads and fakery of Wall Street and clears a safe path for investors between euphoria and despair. Staying out of financial purgatory

has never been this fun.

One Thousand Ways to Make \$1000

A collection of pithy and inspiring sayings from America's favorite businessman that reveal his secrets of success Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett -- author of three books on Warren Buffett's investment methods -- joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor -- large or small -- and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "With enough

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

inside information and a million dollars, you can go broke in a year." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." The Tao of Warren Buffett inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

Tap Dancing to Work

Are you ready to start really growing your money? Would you like to finally learn how to pick stocks? Then you are ready to . . . Invest Like Warren Buffett. Invest Like Warren Buffett

Words of wisdom from Charlie Munger—Warren Buffett's longtime business partner and the visionary Vice Chairman of Berkshire Hathaway—collected and interpreted with an eye towards investing by David Clark, coauthor of the bestselling Buffettology series. Born in Omaha, Nebraska in 1924 Charlie Munger studied mathematics at the University of Michigan, trained as a meteorologist at Cal Tech Pasadena while in the Army, and graduated magna cum laude from Harvard Law School without ever earning an undergraduate degree. Today, Munger is one of

Where To Download Warren Buffett And The Art Of Stock Arbitrage Proven Strategies For Arbitrage And Other Special Investment Situations

America's most successful investors, the Vice Chairman of Berkshire Hathaway, and Warren Buffett's business partner for almost forty years. Buffett says "Berkshire has been built to Charlie's blueprint. My role has been that of general contractor." Munger is an intelligent, opinionated business man whose ideas can teach professional and amateur investors how to be successful in finance and life. Like *The Tao of Warren Buffett* and *The Tao of Te Ching*, *The Tao of Charlie Munger* is a compendium of pithy quotes including, "Knowing what you don't know is more useful than being brilliant" and "In my whole life, I have known no wise people who didn't read all the time—none, zero." This collection, culled from interviews, speeches, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offers insights into Munger's amazing financial success and life philosophies. Described by Business Insider as "sharp in his wit and investing wisdom," Charlie Munger's investment tips, business philosophy, and rules for living are as unique as his life story; intelligent as he clearly is; and as successful as he has been.

Warren Buffet Book of Investing Wisdom

Timeless Investing Strategies for Any Economy For five decades, Warren Buffett has been making himself one of the wealthiest men in the world, amassing more than 30 billion dollars by investing in the stock market. Remarkably, he did it by spurning popular Wall Street trends, adhering instead to his own unique discipline,

one the world has come to know as Buffettology. In The Buffettology Workbook, internationally acclaimed writer and lecturer Mary Buffett has again joined forces with David Clark, the world's leading authority on Warren Buffett's investment methods, to create an in-depth, step-by-step guide to the concepts and equations Warren Buffett uses to create fantastic wealth. Here you will learn: The difference between a great company and a great undervalued company How the short-sightedness of Wall Street pundits can work to your advantage Where to look for investments with long-term, consistent, and extraordinary growth potential To perform the same financial calculations Buffett uses, and apply them to stocks you'd like to buy

The Art of Execution

Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

Buffett

A clear, simple, and complete guide for beginning investors from bestselling author Mary Buffett and Sean Seah that explains Warren Buffett's techniques of Value Investing and his proven strategies to ensure long-term success. For twelve years,

Mary Buffett was part of the Buffett inner circle. During that time, she studied Warren's investment strategies and techniques and observed his habits. Now, in *7 Secrets to Investing Like Warren Buffett*, Mary and Sean Seah provide a complete guide for beginning investors who want to understand how to invest like Warren Buffett. Mary and Sean walk readers through the process of assessing and buying stocks step-by-step. Their friendly and direct style and concrete examples make it easy to understand how to avoid common pitfalls and prosper in the stock market. The first section of the book discusses habits to adopt to begin a lifelong journey of wealth building. The second section examines specific stock-picking techniques inspired by Buffett's teacher Benjamin Graham and that are vastly different from the common Wall Street wisdom of trying to time the market. The authors look at timeless principles as well as latest ideas on where to find great investment ideas, and they share the specific financial indicators they look for in a good investment. Finally, Mary and Sean explain how to build and track a portfolio of stocks. From learning how to read financial statements to preparing both personal and professional balance sheets, *7 Secrets to Investing Like Warren Buffett* is a must-have companion for every investor. Simple questionnaires, charts, and graphs help illustrate specific strategies. The authors' personal stories provide a clear explanation of the theory behind Value Investing, as well as advice for developing the necessary "soft skills"—habits, mindset, loving what you do, taking care of your mind and body—that have made Warren Buffett and many others so successful.

Art & Science of Value Investing

Financial markets are noisy and full of half-baked opinions, innuendo, and misinformation. With deep insights about investor psychology, *Book of Value* shows how to apply tools of business analysis to sort through the deceptions and self-deceptions in financial markets. Anurag Sharma joins philosophy with practical know-how to launch an integrated approach to building high-performance stock portfolios. Investors at all skill levels should learn to be mindful of their psychological biases so they may better frame investment choices. *Book of Value* teaches novices that investing is not a game of luck but a skill—and it teaches the emotional and analytical tools necessary to play it well. Intermediate investors learn how to effectively control emotions when investing and think strategically about their investment program. Advanced investors see the formalization of what they already know intuitively: that the philosopher's methods for seeking truth can be profitably applied to make smart investments. A groundbreaking guide full of lasting value, *Book of Value* should be on the shelf of anyone who takes investing seriously.

Into the Mind of Warren Buffet and Charlie Munger

The Warren Buffett Way provided the first look into the strategies that the master

uses to pick stocks. A New York Times bestseller, it is a valuable and practical primer on the principles behind the remarkable investment run of the famed oracle of Omaha. In this much-awaited companion to that book, author Robert Hagstrom takes the next logical step, revealing how to profitably manage stocks once you select them. THE WARREN BUFFETT PORTFOLIO will help you through the process of building a superior portfolio and managing the stocks going forward. Building a concentrated portfolio is critical for investment success. THE WARREN BUFFETT PORTFOLIO introduces the next wave of investment strategy, called focus investing. A comprehensive investment strategy used with spectacular results by Buffett, focus investing directs investors to select a concentrated group of businesses by examining their management and financial positions as compared to their stock prices. A strategy that has historically outperformed the market, focus investing is based on the principle that a shareholder's return from owning a stock is ultimately determined by the economics of the underlying business. Hagstrom explains in easy-to-understand terms exactly what focus investing is, how it works, and how it can be applied by any investor at any level of experience. He demonstrates how Buffett arranges his stocks in a focus portfolio and reveals why this is as responsible for his incredible returns as the individual stocks he picks. Ultimately, Hagstrom shows how to use this technique to build and manage a portfolio to achieve the best possible results.

Inside the Investments of Warren Buffett

In this updated second edition, well-known investment author Hagstrom explores basic and fundamental investing concepts in a range of fields outside of economics, including physics, biology, sociology, psychology, philosophy, and literature.

University of Berkshire Hathaway

"Buffett has generously endowed us all with a sensible and intelligent roadmap for investing." —Robert G Hagstrom "Warren Buffett - The Oracle of Everything. He has been right about the stock market, rotten accounting, CEO greed, and corporate governance. The rest of us are just catching on." —Fortune "Warren Buffett has turned value investing into an art form, piling up the world's second largest individual fortune and persuading millions to mimic the low-tech, buy-and-hold style of stock picking he practices at Berkshire Hathaway." —Time "Buffett and Munger are, without doubt, two of the greatest investors and capital allocators of all time, so investors would be well served to study their thinking carefully." —The Motley Fool "Warren Buffett - Ace stockpicker, and now, an empire-builder." —BusinessWeek

Warren Buffett Speaks
