Rediscovering the Kingdom Expanded Edition

The Applause of Heaven! Developing your spiritual eye and walking hand in hand with the supernaturally prophetic. "Somehow, I was instantly in Heaven; I

knew the room I was standing in was directly adjacent to the throne room of the Father,” writes author James Maloney. From this exciting experience, shared in the first chapter, to the thrilling conclusion, The Panoramic Seer reveals realms and realities that most Christians don’t even know exist! Panorama is the seer’s prophetic gifting that releases the miraculous. It is tied into five key elements: inheritance, humility, compassion, righteousness, and faith. These keys and much more are presented to you in a spiritually sensitive way—straight from the throne room of God. You will hear the applause of Heaven when you operate as a panoramic seer. The only way to cultivate that kind of relationship with Him is in the “secret place.” The Panoramic Seer takes you to that special place and offers you the powerful Kingdom secrets that have sustained the move of God from generation to generation.

The Way of Life

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals

the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, *When Heaven Invades Earth and The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

'Til Heaven Invades Earth

Based on the highly popular and successful book, *How to Hear God's Voice*, this exciting new book emphasizes the 4 Keys to Hearing God's Voice. "When I learned to hear God's voice after 11 years as a believer without it, every part of me was radically transformed. Thousands have told me they have had this same metamorphosis, and I believe that this will become your testimony also," writes co-author, Mark Virkler. The keys that are examined, discussed in detail, and can be immediately applied to your life are: How to recognize God's voice as spontaneous thoughts. Learning how to become still before the Lord. Looking for vision as you pray. Realizing the importance of two-way journaling. Filled with insights from years of hearing from God, *4 Keys to Hearing God's Voice* also includes visual aids that enhance the teaching and learning experience. Very reader-friendly, you will find that the concepts and principles are easily adapted to your personal circumstances

Here is a fresh look at the age-old role of parenting. Loving Our Kids on Purpose brings the principles of the Kingdom of God and revival into our strategy as parents. 2 Corinthians 3:17 tells us that Where the Spirit of the Lord is there is freedom. Most parenting approaches train children to learn to accept being controlled by well meaning parents and adults. Unfortunately, God is not going to control us as we gain independence from our parents. We must learn to control ourselves. This book will teach parents to train their children to manage their freedoms and protect their important heart to heart relationships.

In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . salvation, redemption, and kingdom life. For as long as he can remember, Blake K. Healy has seen angels and demons. He sees them as clearly as he would see you if you were standing right in front of him. He sees angels dancing in worship services and whispering words of encouragement in people's ears. He also sees demons latching on to people and perpetuating addiction and bitterness in their hearts.

The Veil chronicles how Blake matured in this gifting, while overcoming the fear and confusion of what he saw, how he learned to use his gift of seeing for God's glory, and how to teach others to do the same. This new and updated version of The Veil also includes a brief guide on how to begin growing in the gift of seeing in the spirit yourself, as well as an appendix of scriptural references to the spirit realm and angels, along with Blake's commentary on these passages.

The Martian Chronicles

The Bible gives us the history of the human experience with God: The triumphs, the failures, the redemptions, and ultimately, the enduring love of the Father for His Creation. Nowhere is this love seen more clearly than through the life of Jesus Christ. In this foundational message by the best-selling author of *When Heaven Invades Earth*, Bill Johnson shares the importance of Jesus in understanding God's love for humankind. Modern interpretations and theology point to God as being angry, vengeful, and genocidal, attributing to Him some of the very worst aspects of the human condition. The Old Testament is an incomplete picture, as God portrayed through Jesus is a very different God indeed. In *Jesus Christ is Perfect Theology*, Bill Johnson reveals how Jesus completes the picture of God presented in the Bible, and provides to us the measure by which we should judge all things.
