learn to adjust to an unfamiliar world while trying to introduce the daily conveniences from her familiar modern world. She needs to take care of the collapsing estate of Earnton and its inhabitants while living in the past as a disenfranchised woman. Regular robbers and slave-holders attacks won't let her live in peace, killers and spies are just waiting for her to show a bit of weakness so that they can strike. On the horizon, there is a prospect of meeting with her perpetually absent husband, whom by the way, after her rebirth as Countess Lilian, Aliya has never even seen."First Lessons" is the opening book of the series "Medieval Tale" by Lina J. Potter. The heroine finds herself only at the beginning of a thorny path to progress and happiness. She makes her first steps, building a defense for herself, her new friends, and her rapidly developing business empire -- and this is no piece of cake for sure. Despite everything, she has to still go up against the unprogressive and sexist society of the Medieval Ages, with only her knowledge, science, experience, and strong will on her side. Still, Lilian has to act carefully in order not to draw too much attention to her innovations -- she knows she could be praised for her genius, or conversely, accused of witchcraft. Aliya-turned-Countess Lilian gets acquainted and communicates easily with everyone from noble people, peasants, artisans, notorious pirates, proud traders of the East, and even with members of the royal family but will she be able to bring peace to her own family? Her plan is to make the best of her unusual circumstances to make the world better. She is not a girl in trouble, waiting for a prince in shining armor -- she strives to achieve everything herself. NEW YORK TIMES BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. “The dark school of magic I’ve been waiting for.” Katherine Arden, author of *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I’m concerned, he can keep his flashy combat magic to himself. I’m not joining his pack of adoring fans. I don’t need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I’m probably the most dangerous thing in the place. Just give me a chance and I’ll level mountains and kill untold millions, make myself the dark queen of the world. At least, that’s what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that’s crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn’t getting what it wants from me. And neither is Orion Lake. I may not be anyone’s idea of the shining hero, but I’m going to make it out of this place alive, and I’m not going to slaughter thousands to do it, either. Although I’m giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you’ve never seen before, and a heroine for the

ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. Praise for *Deadly Education* “The can’t-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *Deadly Education* will cement Naomi Novik’s place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) “A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion’s relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body.”—Publishers Weekly (starred review)

*A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. “Wild nights are my glory,” the unearthly stranger told them. “I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I’ll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract.” A tesseract (in case the reader doesn’t know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L’Engle’s unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and

Book of Candle Spells Book of Candle Spells focuses on working with the Element of Fire, and the potent vibrational frequencies of the visible light spectrum. Candles take center stage to varying degrees across this collection. Some spells are focused exclusively on the combined magic of candle and color, while others incorporate additional tools such as crystals and other color-appropriate ingredients. The spells are also organized by color, with chapter introductions detailing the magical properties and uses for the 14 colors most widely used in Wiccan and other contemporary magic. Book of Crystal Spells Book of Crystal Spells is devoted to the magical uses of the 13 crystals and other mineral stones introduced in Crystal Magic. Many of these spells are focused on aspects of emotional healing and energetic balancing, two purposes that crystals are uniquely suited for, but you'll also find more traditional goals represented, like prosperity, protection, and relationships. The spells are organized by stone, rather than by purpose, so you can develop a magical connection with different types of crystals, one at a time. You'll find an overview of the properties of each stone in the chapter introductions. Book of Herbal Spells Book of Herbal Spells builds on the information from Herbal Magic, with a chapter for each of the 13 herbs featured in the original book. volunteer, bursting with optimism and drive. But she soon encountered the jarring realities of life in one of the poorest counties in America, still disabled by the legacy of slavery and Jim Crow. In this stirring memoir, Kuo, the child of Taiwanese immigrants, shares the story of her complicated but rewarding mentorship of one student, Patrick Browning, and his remarkable literary and personal awakening. Convinced she can make a difference in the lives of her teenaged students, Michelle Kuo puts her heart into her work, using quiet reading time and guided writing to foster a sense of self in students left behind by a broken school system. Though Michelle loses some students to truancy and even gun violence, she is inspired by some such as Patrick. Fifteen and in the eighth grade, Patrick begins to thrive under Michelle's exacting attention. However, after two years of teaching, Michelle feels pressure from her parents and the draw of opportunities outside the Delta and leaves Arkansas to attend law school. Then, on the eve of her law-school graduation, Michelle learns that Patrick has been jailed for murder. Feeling that she left the Delta prematurely and determined to fix her mistake, Michelle returns to Helena and resumes Patrick's education—even as he sits in a jail cell awaiting trial. Every day for the next seven months they pore over classic novels, poems, and works of history. Little by little, Patrick grows into a confident, expressive writer and a dedicated reader galvanized by the works of Frederick Douglass, James Baldwin, Walt Whitman, W. S. Merwin, and others. In her time reading with Patrick, Michelle is herself transformed, contending with the legacy of racism and the questions of what constitutes a "good" life and what
